

REPRODUCTION, **ETHICS, AND THE LAW** Feminist Perspectives Edited by Joan C. Callahan

Reproduction Ethics And The Law Feminist Perspectives

Elizabeth Porter

Reproduction Ethics And The Law Feminist Perspectives:

Reproduction, Ethics, and the Law Joan C. Callahan, 1995 Courts have assigned legal parenthood to genetic parents of children carried to term by women genetically unrelated to them and courts have also passed over genetic progenitors to assign parenthood to individuals socially related to children This title addresses moral and legal quandaries in society those revolving around human reproduction *Feminist Perspectives on Ethics* Elizabeth Porter, 2014-06-11 *Feminist Perspectives on Ethics* is a unique guide to the development of feminist thought on ethics and moral agency Each chapter offers a survey of feminist debates on key areas the nature of feminist ethics intimate relationships professional ethics politics sexual politics abortion and reproductive choices Importantly the author draws on the range of ideological viewpoints that exist to demonstrate the rich diversity of feminism and also attempts to break down dualistic discordant or simplistic understandings of ethics **Ethics, Law and Society** Jennifer Gunning, 2022-07-30 This key collection brings together a selection of papers commissioned and published by the Cardiff Centre for Ethics Law Society It incorporates contributions from a group of international experts along with a selection of short opinion pieces written in response to specific ethical issues The collection addresses issues arising in biomedical and medical ethics ranging from assisted reproductive technologies to the role of clinical ethics committees It examines broader societal issues with particular emphasis on sustainability and the environment and also focuses on issues of human rights in current global contexts The contributors collect responses to issues arising from high profile cases such as the legitimacy of war in Iraq to physician related suicide The volume will provide a valuable resource for practitioners and academics with an interest in ethics across a range of disciplines [Ethics, Law and Society](#) Dr Anthony Wrigley, Dr Nicky Priaulx, 2013-02-28 This volume forms part of a series exploring key issues in ethics law and society published in association with the Cardiff Centre for Ethics Law and Society The works collectively address new technological social and regulatory developments and the fresh ethical dilemmas these pose and also critically compel an urgent revisiting of social and legal issues that were once the subject of controversy but which have now fallen out of the line of sight of academics politicians and policy makers This fifth and final volume brings the series to a close and is dedicated to the memory of Dr Jennifer Gunning **Moral Issues in Global Perspective - Volume 3: Moral Issues - Second Edition** Christine Koggel, 2006-03-23 Now available in three thematic volumes the second edition of *Moral Issues in Global Perspective* is a collection of the newest and best articles on current moral issues by moral and political theorists from around the globe Each volume seeks to challenge the standard approaches to morality and moral issues shaped by Western liberal theory and to extend the inquiry beyond the context of North America Covering a broad range of issues and arguments this collection includes critiques of traditional liberal accounts of rights justice and moral values while raising questions about the treatment of disadvantaged groups within and across societies affected by globalization Providing new perspectives on issues such as war and terrorism reproduction euthanasia censorship and the environment each volume of

Moral Issues in Global Perspective incorporates work by race class feminist and disability theorists In Moral Issues the third of the three volumes issues such as euthanasia and health care reproductive issues pornography and hate speech animal rights and environmental ethics are examined in the context of globalization and of differing social contexts and practices Sixteen essays are new one of which was written especially for this volume Moral Issues in Global Perspective is available in three separate volumes Moral and Political Theory Human Diversity and Equality and Moral Issues *The Ethics of Care* Virginia Held,2006 The author assesses the ethics of care as a promising alternative to the familiar moral theories that serve so inadequately to guide our lives Held examines what we mean by care and focuses on caring relationships She also looks at the potential of care for dealing with social issues and global problems Pandora's Box Nancy Lublin,1998 This is the fourth lesson in the series Little Music Lessons for Kids where you can help your child to learn the space musical notes fast and easy Four musical notes like to meet in a beauty salon every day Day by day these musical notes spend their time painting their eyelashes lips cheeks and eyebrows Suddenly one of the notes reads an ad on a truck From this ad she finds out about free apartments available in the musical house The beauty note jumps out of the salon and runs to the treble staff the other three musical notes follow her But here is the bad news All the apartments are already full The beauty notes come up with an original idea and finally get their new apartments Your child must hear this story **When IVF Fails** K. Throsby,2004-08-19 In spite of the fact that almost eighty percent of all IVF cycles are unsuccessful the dominant representations of the technology are of its success Based on extensive interviews with women and couples who have undergone IVF unsuccessfully and who have since stopped treatment and taking an overtly feminist approach the book explores the ways in which IVF failure is experienced and accounted for The book argues that IVF failure and the end of treatment have to be carefully managed over time in order to construct the self as normal in the profoundly gendered context of reproductive normativity Treatment failure is identified in the book not only as a central but largely excluded aspect of the experience of IVF but also of a proliferating range of new more controversial reproductive and genetic technologies

Surrogacy, Law and Human Rights Paula Gerber,Katie O'Byrne,2016-03-03 Surrogacy presents particularly complex questions for human rights law and theory This book provides a unique and insightful examination into the underexplored issues of how domestic and international law is responding to the sharp increase in the use of surrogacy The work presents critical analysis of the current regulation of surrogacy via domestic law in Australia India and the USA and international law in the form of the UN Convention on the Rights of the Child Including a wide range of views from academics and practitioners around the world the contributors consider what could be done to further protect the rights of all persons involved in surrogacy arrangements This in depth study of the international and domestic law governing surrogacy provides much needed scholarly knowledge of this contemporary phenomenon along with recommendations for improvement regulation and reform The book will be of great importance to human rights and legal scholars and well as practitioners in

The Family in America Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change

Abortion and the Christian Tradition Margaret D. Kamitsuka, 2019-10-29 Abortion remains the most contested political issue in American life Poll results have remained surprisingly constant over the years with roughly equal numbers supporting and opposing it A common perception is that abortion is contrary to Christian teaching and values While some have challenged that perception few have attempted a comprehensive critique and constructive counterargument on Christian ethical and theological grounds Margaret Kamitsuka begins with a careful examination of the church's biblical and historical record refuting the assumption that Christianity has always condemned abortion or that it considered personhood as beginning at the moment of conception She then offers carefully crafted ethical arguments about the pregnant woman's authority to make reproductive decisions and builds a theological rationale for seeing abortion as something other than a sin

Suffering Religion Robert Gibbs, Elliot R. Wolfson, 2003-09-02 In a diverse and innovative selection of new essays by cutting edge theologians and philosophers Suffering Religion examines one of the most primitive but challenging questions to define human experience why do we suffer As a theme uniting very different religious and cultural traditions the problem of suffering addresses issues of passivity the vulnerability of embodiment the generosity of love and the complexity of gendered desire Interdisciplinary studies bring different kinds of interpretations to meet and enrich each other Can the notion of goodness retain meaning in the face of real affliction or is pain itself in conflict with meaning Themes covered include philosophy's own failure to treat suffering seriously with special reference to the Jewish tradition Martin Buber's celebrated interpretations of scriptural suffering suffering in Kristeva's psychoanalysis focusing on the Christian theology of the cross the pain of childbirth in a home setting as a religiously significant choice God's primal suffering in the kabbalistic tradition Incarnation as a gracious willingness to suffer

Handbook of Disability Studies Gary L. Albrecht, Katherine D. Seelman, Michael Bury, 2001 This path breaking international handbook of disability studies signals the emergence of a vital new area of scholarship social policy and activism Drawing on the insights of disability scholars around the world and the creative advice of an international editorial board the book engages the reader in the critical issues and debates framing disability studies and places them in an historical and cultural context Five years in the

making this one volume summarizes the ongoing discourse ranging across continents and traditional academic disciplines To provide insight and perspective the volume is divided into three sections The shaping of disability studies as a field experiencing disability and disability in context Each section written by world class figures consists of original chapters designed to map the field and explore the key conceptual theoretical methodological practice and policy issues that constitute the field Each chapter provides a critical review of an area positions and literature and an agenda for future research and practice The handbook answers the need expressed by the disability community for a thought provoking interdisciplinary international examination of the vibrant field of disability studies The book will be of interest to disabled people scholars policy makers and activists alike The book aims to define the existing field stimulate future debate encourage respectful discourse between different interest groups and move the field a step forward

Law, Policy and Reproductive Autonomy Erin Nelson, 2014-07-18 Reproductive choices are at once the most private and intimate decisions we make in our lives and undeniably also among the most public Reproductive decision making takes place in a web of overlapping concerns political and ideological socio economic health and health care all of which engage the public and involve strongly held opinions and attitudes about appropriate conduct on the part of individuals and the state Law Policy and Reproductive Autonomy examines the idea of reproductive autonomy noting that in attempting to look closely at the contours of the concept we begin to see some uncertainty about its meaning and legal implications about how to understand reproductive autonomy and how to value it Both mainstream and feminist literature about autonomy contribute valuable insights into the meaning and implications of reproductive autonomy The developing feminist literature on relational autonomy provides a useful starting point for a contextualised conception of reproductive autonomy that creates the opportunity for meaningful exercise of reproductive choice With a contextualised approach to reproductive autonomy as a backdrop the book traces aspects of the regulation of reproduction in Canadian English US and Australian law and policy arguing that not all reproductive decisions necessarily demand the same level of deference in law and policy and making recommendations for reform

The Blackwell Guide to Social and Political Philosophy Robert L. Simon, 2008-04-15 The Blackwell Guide to Social and Political Philosophy brings together a collection of newly commissioned essays which examine fundamental issues in social and political theory Written by leading social and political philosophers each essay provides a map to the history of the issue at hand and a judicious assessment of the main arguments that have been brought to bear upon that issue

Ourselfs Unborn Sara Dubow, 2017 INTRODUCTION FETAL STORIES 1 Discovering Fetal Life 1870s 1920s 2 Interpreting Fetal Bodies 1930s 1970s 3 Defining Fetal Personhood 1973 1976 4 Defending Fetal Rights 1970s 1990s 5 Debating Fetal Pain 1984 2007 EPILOGUE FETAL MEANINGS NOTES BIBLIOGRAPHY *Ethics for Bioengineers* Monique Frize, 2022-06-01 Increasingly biomedical scientists and engineers are involved in projects design or research and development that involve humans or animals The book presents general concepts on professionalism and the regulation of

the profession of engineering including a discussion on what is ethics and moral conduct ethical theories and the codes of ethics that are most relevant for engineers An ethical decision making process is suggested Other issues such as conflicts of interest plagiarism intellectual property confidentiality privacy fraud and corruption are presented General guidelines the process for obtaining ethics approval from Ethics Review Boards and the importance of obtaining informed consent from volunteers recruited for studies are presented A discussion on research with animals is included Ethical dilemmas focus on reproductive technologies stem cells cloning genetic testing and designer babies The book includes a discussion on ethics and the technologies of body enhancement and of regeneration The importance of assessing the impact of technology on people society and on our planet is stressed Particular attention is given to nanotechnologies the environment and issues that pertain to developing countries Ideas on gender culture and ethics focus on how research and access to medical services have at times been discriminatory towards women The cultural aspects focus on organ transplantation in Japan and a case study of an Aboriginal child in Canada both examples show the impact that culture can have on how care is provided or accepted The final section of the book discusses data collection and analysis and offers a guideline for honest reporting of results avoiding fraud or unethical approaches The appendix presents a few case studies where fraud and or unethical research have occurred Table of Contents Introduction to Ethics Experiments with Human Subjects or Animals Examples of Ethical Dilemmas in Biomedical Research Technology and Society Gender Culture and Ethics Data Collection and Analysis

Families - Beyond the Nuclear Ideal Daniela Cutas,Sarah Chan,2012-01-01 This book discusses the theory that alternative relationship and family structures challenge the privileged status of the nuclear family as the preferable mode of family life for all and the one to be endorsed and encouraged by society *Bioethics in Canada, Third Edition* Carol Collier,Rachel Haliburton,2021-03-25 Now in its third edition *Bioethics in Canada A Philosophical Introduction* offers a comprehensive overview of the philosophical historical and medical concepts shaping contemporary debates on biomedical issues The text opens with an introduction to moral theory and bioethical principles followed by application of these theories and principles to real world ethical conflicts involving abortion distributive justice genetics reproductive technology and other vital topics A landmark case opens each chapter illuminating the many issues involved in these debates as well as the philosophical assumptions that shape them Thoroughly updated to reflect recent political medical and cultural changes this third edition features new sections on Medical Assistance in Dying MAiD the moral philosophy of liberalism in bioethics the Mad movement CRISPR and gene editing and expanded content on mental health rural and remote communities and codes of conduct and codes of ethics Accessibly written with newly added case studies in the health care workplace this text is an insightful resource for courses in the disciplines of philosophy health studies medicine and nursing providing a strong ethical foundation in an ever changing field **The Dark Womb** Karen O'Donnell,2022-02-28 The experience of reproductive loss raises a series of profoundly theological questions how can God have a plan for my life Why didn t God answer my prayers

How can I have hope after such an experience Who am I after such a loss Sadly these are questions that along with reproductive loss have largely been ignored in theology Karen O Donnell tackles these questions head on drawing on her own experiences of repeated reproductive loss as she re conceives theology from the perspective of the miscarrying person Offering a fresh original and creative approach to theology O Donnell explores the complexity of the miscarrying body and its potential for theological revelation She offers a re conception of theologies of providence prayer hope and the body as she reimagines theology out of these messy origins This book is for those who have experiences such losses and those who minister to them But it is also for all those who want to encounter a creative and imaginative approach to theology and the life of faith in our messy complex world

Reproduction Ethics And The Law Feminist Perspectives Introduction

In today's digital age, the availability of Reproduction Ethics And The Law Feminist Perspectives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reproduction Ethics And The Law Feminist Perspectives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reproduction Ethics And The Law Feminist Perspectives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reproduction Ethics And The Law Feminist Perspectives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reproduction Ethics And The Law Feminist Perspectives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reproduction Ethics And The Law Feminist Perspectives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Reproduction Ethics And The Law Feminist Perspectives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reproduction Ethics And The Law Feminist Perspectives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reproduction Ethics And The Law Feminist Perspectives books and manuals for download and embark on your journey of knowledge?

FAQs About Reproduction Ethics And The Law Feminist Perspectives Books

What is a Reproduction Ethics And The Law Feminist Perspectives PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reproduction Ethics And The Law Feminist Perspectives PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reproduction Ethics And The Law Feminist Perspectives PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reproduction Ethics And The Law Feminist Perspectives PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to

convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reproduction Ethics And The Law Feminist Perspectives PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
