

Requiem

Under the wide and starry sky
Dig the grave and let me lie.
Glad did I live and gladly die,
And I laid me down with a will.

This be the verse you grave for me;
"Here he lies where he longed to be,
Home is the sailor, home from sea,
And the hunter home from the hill."

Robert Louis Stevenson

"Mozart's Requiem" Andrea de Lys,2025-05-30 Mozart s Requiem In the shadow of farewell a song is spun an echo of Mozart embracing the soul a Requiem dancing where mortals run between light and sorrow a fate to console Verses that whisper of life s fleeting grace a journey through love through pain through goodbyes chants that still hover in death s cold embrace yet hope though forsaken refuses to die Each word is a note that lingers and calls like a choir that weeps in sacred despair and in their sorrow eternity stalls as music enfolds the dawn in its prayer A poem that searches in silence so deep for answers that hide in the heart s devotion a tribute to souls that in echoes still weep a Requiem sung with eternal emotion

Requiem Craig Firsdon,2016-09-01 Requiem is a collection of some of Craig Firsdon s favorite poems old and new a couple important messages and a special dedication These poems touch on many subjects mostly serious with a few pieces of humor at the end If you want to think and be touched these are the poems to read This is the first in a series of chapbooks Craig will be putting out The author is a disabled poet and artist from Holland Ohio *Flip Requiem* D. R. James,2020 Poetry In this deft and prescient collection D R James has both diagnosed our dizzy symptom and scratched out the vital prescription holistic poems that enact a rigorous mind s engagement with this tenuous age or what James calls with his wink light touch the more sober though no less precarious rest of our lives Despite their modesty and in a voice that is comic molecularly honest and fern gentle these poems accomplish the grand task of embodying authentic compassion and in so doing lead the reader through the puzzled tongue of mourning into the rarefied empathetic that is line by supple line accessible to us all Chris Dombrowski **Summer Requiem** Vikram Seth,2016-02-11 I have so carefully mapped the corners of my mind That I am forever waking in a lost country SUMMER REQUIEM traces the immutable shifting of the seasons the relentless rhythms of a great world that both gifts and harms Luminous resonant and profound these poems trace the dying days of summer the hour of rust when memory is haunted by loss and decay But in the silence that follows as the soul is cast adrift there is also reconciliation with the transience of all things the knowledge that there is a place

changeable that will not betray **Rilke** Charlie Louth,2020-06-19 The life of Rilke s work is in its words and this book attends closely to the development of that life as it unfolds over Rilke s career What is a poem and how does it act upon us when we read This is a question of the greatest interest to Rilke who addresses it in several poems and for whom the experience of reading affords an interaction with the world a recalibration of our ways of attending to it which set it apart from other kinds of experience Rilke s work is often approached in periods he is the author of the *Neue Gedichte* or of *Malte* or of the *Duino Elegies* or of the *Sonette an Orpheus* as if the different phases of his work had little to do with one another but in fact it is a concentrated and evolving exploration of the possibilities of poetic language a working of the life of words into precise and exacting forms in dialogue with the texture of the world This book traces that trajectory in a series of close readings that do not neglect the lesser known uncollected poems and the poems in French as well as Rilke s activity as a translator of Michelangelo Shakespeare Barrett Browning Mallarm and Val ry among many others These encounters were part of Rilke s engagement with the world his way of extending the reach of his language to get it ever closer to the ungraspable movements the risk and promise of life itself One of his best known poems ends with the words You must change your life an injunction that can be seen to animate the whole of his work *The Complete Poems of Louis Daniel Brodsky: Volume, Two, 1967-1976* Louis Daniel Brodsky,1996 The second volume in Louis Daniel Brodsky s *Complete Poems* series covering his early years as a professional poet from 1967 1976 contains more than eight hundred chronologically arranged pieces This body of work shows Brodsky developing a number of artistic strategies to record the life he chose outside the realm of academia which he abandoned after complete his master s degree in creative writing at San Francisco State University in 1968 Time Being Books **The Poetry of Anna Akhmatova** Alexandra Harrington,2006-05-01 This book outlines a fresh and coherent framework for the apprehension of Akhmatova s oeuvre in its totality seeing her as a poet who moves beyond modernism in her later period The appeal to postmodernism which is in itself innovatory with regard to Akhmatova studies also allows exploration of a second problematic issue how to account for the shift in self presentation in the later verse and the different concept of poetic self which it advances This new account of Akhmatova s path to maturity challenges the conventional view of the early Akhmatova as poet in the classical Russian tradition and of the later Akhmatova as paradigmatically modernist **Encyclopedia of Literary Translation Into English: A-L** O. Classe,2000 *Requiem. [Poems.]* F.P. Humbert WOLFE,1927 *Requiem* Daniel Ståhl,2021-01-13 Through its 211 interwoven poems this double tiered recursive crown of sonnets takes the reader on an epic journey to the heart of mankind s would be nemesis herself and back again Does her destiny await in the unexplored depths of the cosmos or in a toxic wasteland of her own making Does she have the will to shape her own future or is she a slave to her myopic wants and impulses **Requiem with an Amulet in Its Beak** Elizabeth Knapp,2019 Elizabeth Knapp s poetry explores the intersections between modern society personal mortality and cultural immortality In this her second collection celebrities come and go while the collection s patron saint

Emily Dickinson presides over all At its heart this book is about loss and its endless reverberations while at the same time it embraces the notion of art as a kind of immortality With these striking new poems Knapp establishes herself as one of our most vital and compelling contemporary voices
