Research Methods for Social Work Antoinette Y. Farmer, Dr. Antoinette Y. Farmer, G. Lawrence Farmer, 2020-01-08

Research Methods for Social Work A Problem Based Approach is a comprehensive introduction to methods instruction that engages students innovatively and interactively. Using a problem-based learning (PBL) approach, authors Antoinette Y. Farmer and G. Lawrence Farmer utilize case examples to achieve a level of application which builds readers' confidence in methodology and reinforces their understanding of research across all levels of social work practice. These case examples along with critical thinking questions, research tips, and step-by-step problem-solving methods will improve student mastery and help them see why research is relevant. With the guidance of this new and noteworthy textbook, readers will transform into both knowledgeable consumers of research and skilled practitioners who can effectively address the needs of their clients through research. Included with this title is The password-protected Instructor Resource Site, formally known as SAGE Edge, which offers access to all text-specific resources, including a test

bank and editable chapter specific PowerPoint slides

Handbook of Research Methods in Social Work Margaret Alston, Penny Buykx, Wendy Foote, David Betts, 2025-01-09 This insightful Handbook provides a comprehensive overview of the unique and varied methods of social work research drawing on examples of research projects undertaken in a variety of countries cultures and social work settings

Research Methods for Social Work Allen Rubin, Earl R. Babbie, 1997 In this most extensive revision of their classic text for social workers Rubin and Babbie retain the integrity of their comprehensive quantitative approach while including more content about qualitative methods As one pre publication reviewer pointed out With this edition you have solved a problem in the discipline by infusing coverage of qualitative issues where it is most important

Research Methods for Social Workers Cynthia A. Faulkner, Samuel S. Faulkner, 2025 Welcome to the fourth edition of *Research Methods for Social Workers A Practice Based Approach* When we set out to write the first edition twenty years ago we had two primary goals to create a research text that students could relate to practice and that instructors found user friendly With each new edition we have attempted to make the book even more helpful to students and instructors After garnering candid and appreciated feedback from other faculty instructors and students we have made significant additions and changes to this latest edition while staying true to the readable and understandable style of the first edition

Social Work Research and Evaluation Richard M. Grinnell, Yvonne A. Unrau, 2008 Refined with input from students and instructors who used the previous seven editions the authors have updated rearranged and added to the latest edition of this popular textbook It contains six new chapters four on evidence based practice emphasizing how important it is for students to master that concept and it lays the foundation for their understanding of it by providing a comprehensive explanation of both qualitative and quantitative research methods This edition is more current useful and aesthetically pleasing than ever before and is sure to hold its place as one of the premier textbooks for research methods courses appreciated by students and professors alike for its user friendliness and renowned for the way it helps social work programs produce professional capable social workers

Essential Research Methods for Social Work Allen Rubin, Earl R. Babbie, 2009-03-01 Master research methods with *ESSENTIAL RESEARCH METHODS FOR SOCIAL WORK* International Edition Reader friendly and clear this social work book provides you with the tools you need to understand essential research methods content Illustrations and examples throughout show you how you can apply research to practice Studying is made easy with a book specific website that includes tutorial quizzes and links to additional related concepts Outlines introductions boxes chapter endings with main points review questions and exercises and Internet exercises provide you with the information and practice you need to conduct research methods in social work

Research for Social Workers Margaret Alston, 2020-07-16 *Research for Social Workers* has built a strong reputation as an accessible guide to the key research methods and approaches used in the discipline Ideal for beginners the book outlines the importance of social work research its guiding principles and explains how to choose a topic area develop research questions together with describing the key steps in the

research process The authors outline the principles of sampling systematic reviews and surveys and interviews provide guidance on evaluation and statistical analysis and explain how research can influence policy and practice This new edition includes an expanded discussion of rigour in qualitative research more detailed analysis of systematic reviews a new section on on line surveys enhanced examination of action research including recent examples of action research programs and an expanded section on evidence based practice Featuring practical examples and end of chapter exercises and questions and using non technical language throughout this is a vital reference tool for both students and practicing social workers

Research Techniques for Clinical Social Workers M. Elizabeth Vonk, Tony Tripodi, Irwin Epstein, 2007 This volume has long been an invaluable resource for students and practitioners of social work thoroughly presenting research concepts and skills

Sensitive Research in Social Work Sharif Haider, 2021-11-30 This book addresses issues related with researching sensitive topics in social work focusing on marginalized vulnerable and hard to reach people It covers the definition characteristics challenges and opportunities of sensitive research its philosophical roots and methodological debates and the skills and values that are required along with the ethical political and legal issues involved in conducting social work research This book will cover innovative research methods appropriate for research on sensitive topics involving vulnerable people It shines light on how to use traditional research methods sensitively and how to generate data while minimizing the harm that can potentially be caused to research participants and researchers

Social Work Research and Evaluation Richard M. Grinnell Jr, Yvonne A. Unrau, 2018-03-14 Since the first edition in 1981 Social Work Research and Evaluation has provided graduate level social work students with basic research and evaluation concepts to help them become successful evidence based practitioners evidence informed practitioners and practitioners who are implementing evidence based programs Students will gain a thorough understanding and appreciation for how the three dominant research methodologies quantitative qualitative and mixed methods will help them achieve their professional goals regardless of their area of specialization Written in clear everyday language this edition also includes the pedagogical features that will make it easy and effective for classroom use

Program Evaluation for Social Workers Richard M. Grinnell, Peter A.

Gabor, Yvonne A. Unrau, 2018-12-27 Over the course of 20 years and eight editions the goals of the book have remained the same to prepare students to participate in evaluative activities within their organizations become beginning critical producers and consumers of the professional evaluative literature and reap the benefits of more advanced evaluation courses and texts The authors aim to meet these objectives by presenting a unique approach that is realistic practical applied and user friendly Unlike other textbooks on the market Program Evaluation for Social Workers presents both program level evaluation and case level evaluation methods assuming that neither of these two distinct approaches alone adequately reflects the realities of the field the book demonstrates how they can instead complement each other This integration of approaches provides an accessible adaptable and realistic framework for students and beginning practitioners to more easily

grasp and implement in the real world *Social Development and Social Work* Alice K. Butterfield, Tasse Abye, 2013-11-26 Africa has a long experience with reducing poverty and vulnerability In the contemporary period social development and social work are at the forefront of dealing with abject poverty and some of the world's most difficult problems This book highlights the contemporary African experience in addressing poverty and meeting the needs of vulnerable groups Two decades ago James Midgley challenged social workers and others involved in international work to learn from their colleagues in developing countries This challenge has brought scholars from the North South together through collaborative research program development and technical assistance and training *Social Development and Social Work* highlights development oriented work in Africa in areas such as juvenile offender programs asset based community development women and HIV AIDS trafficked women and children affected by war It includes models of indigenous welfare and integrated development through collaborative and interdisciplinary efforts by universities government and non governmental organizations This book brings African scholarship in social development and social work to the attention of academics students and practitioners worldwide so they too can learn from it It was originally published as a special issue of the *Journal of Community Practice* *Participant Recruitment and Retention in Intervention and Evaluation Research* Audrey L. Begun, Lisa K. Berger, Laura L. Otto-Salaj, 2018 This practical how to guide integrates a comprehensive interdisciplinary review of literature and a wealth of the authors combined research experience into a framework for behavioral health and other investigators to successfully plan budget assess engage in analyze and report participant recruitment and retention in intervention and evaluation research studies *Reconstitution of Social Work* Yuk-ying Ho, Sun-Pong Yuen, 2010 This volume is the first book length explication of hermeneutics in social work It attempts to clarify and reconstruct the moral basis of social work Against the mainstream current of doing social work with the technical rational outlook this book argues that value constitutes the very core of social work It is with this solid foundation of moral concepts that social work techniques are reconstituted This volume seamlessly combines theoretical discussions with empirical studies It starts with a theoretical inquiry that combines hermeneutics and critical theory and examines the moral nature of social work It then extends the theoretical analysis to empirical research on mental illness cancer community development and social work management Redefining the relationship between theory and practice the discussion on first person value involvement and dialogical mode of understanding will inspire social workers to develop their professional practice in a new light This volume will capture the attention of both social work scholars and frontline social work practitioners The hermeneutic point of view will also be of interest to readers students of social theory and social research *Development and Evaluation of Positive Adolescent Training through Holistic Social Programs (P.A.T.H.S.)* Daniel T.L. SHEK, Rachel C. F. Sun, 2013-06-28 This book outlines the development implementation and evaluation of a project entitled P A T H S to Adulthood A Jockey Club Youth Enhancement Scheme with P A T H S denoting Positive Adolescent Training through Holistic Social programmes This pioneer project was

conducted in Hong Kong between 2005 and 2012 with more than 210 000 participants Its goal was to help students meet various challenges in their path to adulthood with a focus on their psychosocial competencies developmental assets and the promotion of healthy peer relationships The project was initiated by The Hong Kong Jockey Club Charities Trust in collaboration with the Government s Social Welfare Department Education Bureau and five universities in Hong Kong Edited by the researchers of the project Development and Evaluation of Positive Adolescent Training through Holistic Social Programs explores the nature of positive youth development PYD the application of PYD constructs to youth programs and implementation issues Using multiple strategies the book evaluates the overall effectiveness of the P A T H S school based programme and reveals that stakeholders had positive perceptions of the project its implementers and benefits Students in the program showed better positive development and displayed lower levels of substance abuse and delinquent behaviour than students in the control schools The book also details lessons learned emergent issues future directions as well as insights into the development of positive youth development programs particularly in Chinese communities Development and Evaluation of Positive Adolescent Training through Holistic Social Programs will appeal to all educators administrators psychologists social workers and allied professionals looking to promote whole person development in their students especially those with an interest in education in China *Introduction to Social Work, Fourth Edition* Ira Colby, Sophia F. Dziegielewska, 2015-06 There are certain questions that all students considering social work ask Who are social workers What is it that social workers do How is the social work profession changing What does it take to become a social worker Ira Colby and Sophia Dziegielewska bring their decades of experience in social work practice and education to answer these questions This engaging text gives readers a practical guide to the many ways in which social workers effect change in their communities and the world The authors offer an overview and history of the profession introduce readers to the practice of social work at the micro mezzo and macro level and finally look closely at the many settings and populations that social workers work with While realistically portraying the pressures and obstacles that social workers face Colby and Dziegielewska communicate their own passion for social work **Applying a Human Rights Approach to Social Work Research and Evaluation** Tina Maschi, 2015-11-05 This brief introduces a human rights approach to social work research and evaluation compares it to traditional research approaches and explains how to apply it in real world social work research The author draws from a human rights framework that incorporates dignity and respect for all persons the universality and interrelatedness of rights political civil social economic and cultural nondiscrimination participation accountability and transparency To advance a human rights approach it introduces a rights based model that accentuates the use of mixed methods and participatory research and evaluation This brief aims to increase competencies in how to apply a rights based approach to research decision making process from the formulation of research questions research and practice design and participatory action strategies that advance human rights It is a call to action for social workers to forge a rights based

research agenda that fosters empowerment
