

RETURN OF THE CONDOUR HEROES

This comic series illustrates the love story between the orphan Yang-fan and his beautiful teacher, Dragon Girl, during the turmoil of the Song Dynasty. Their love was hindered by many factors, including prejudice from the conservative society which disapproved of marriages between teacher and disciple.

Though they met with many hardships and were later separated for sixteen years, their devotion towards each other never diminished.

Southeast Asian Personalities of Chinese Descent Leo Suryadinata, 2012 This is a bold project recording the lives of a particular group of Southeast Asians Most of the people whose biographies are included here have settled down in the ten countries that constitute the region Each of them has either self identified as Chinese or is comfortable to be known as someone of Chinese ancestry There are also those who were born in China or elsewhere who came here to work and do business including seeking help from others who have ethnic Chinese connections With the political and economic conditions of the region in a great state of flux for the past two centuries it is impossible to find consistency in the naming process Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading

personalities In so doing he has done us all a great service Professor Wang Gungwu National University of Singapore

Fiction and the Kungfu Industrial Complex Paul B. Foster, 2023-02-13 Jin Yong's Martial Arts Fiction and the Kungfu Industrial Complex is an analysis of the role of Jin Yong's stories and characters in the construction of the kungfu industrial complex a complicated multi dimensional cultural business matrix related to the production and consumption of martial arts fiction film and legacy The author first explicates the kungfu cultural literacy that makes Jin Yong's characters and stories intelligible and compelling to a wide audience and then argues that academic resistance to integrating his pop fiction into the canon of Chinese literature is overcome via the national character discourse The author subsequently explores the role of actors directors and crews as they repeatedly adapted the novels for film and television and provided afterlives for Jin Yong's characters stories and tropes both kicking off actors careers and driving the globalization of kungfu action Archetypical characters multidimensional production and consumption of cultural capital and star power meet in a final analysis of the Kung Fu Hustle Hustle which balances critical reality and a hopeful vision for China's future
