## Secrets Of The Fascist Era:

*Secrets of the Fascist Era* Howard McGaw Smyth, 1975 This account of the capture and validation of Italian Fascist state papers during World War II some of which only recently have been declassified is the stuff of high level intelligence and counter espionage In an account that reads like a detective story Howard Smyth reveals fully for the first time how the United States obtained the Fascist documents As an OSS and State Department officer during the war Smyth was intimately involved in the validation of the papers and as a professional historian was uniquely qualified to evaluate their importance Among the documents Smyth describes are the Lisbon Papers documents which emanated from the office of Count Ciano as Italian Foreign Minister and which the Italian Government attempted to hide from the Allies the Ciano Papers Rose Garden the German translations of Italian State Papers which Ciano himself set aside to accompany his diary and for which Edda his wife and Mussolini's daughter tried to barter her husband's life and Mussolini's Private Papers said once to have comprised over 100 000 files some of which were found in his villa others on his person during his final flight to avoid capture Though Dr Smyth focuses on the problems of the authenticity of the collections his account of their acquisition weaves an exciting story of high adventure and human drama Obviously of utmost importance to scholars the work will be of special interest also to general readers and World War II history buffs

Secrets of the Fascist Era: how Uncle Sam Obtained Some of the Top- Level Documents of Mussolini's Period , 1975 **Catalog of Copyright Entries. Third Series** Library of Congress.

Copyright Office, 1976 **Cloak & Gown** Robin W. Winks, 1996-01-01 The CIA and its World War II predecessor the Office of Strategic Services OSS were for many years largely populated by members of Ivy League colleges particularly Yale In this highly acclaimed book Robin Winks explores the underlying bonds between the university and the intelligence communities introducing a fascinating cast of characters that include safe crackers and experts in Azerbaijani as well as such social luminaries as Paul Mellon David Bruce John P Marquand Jr and William Vanderbilt This edition of the book includes a new preface by Winks Reviews of the first edition One of the best studies of intelligence in recent years Edward Jay Epstein Los Angeles Times Book Review The most original book yet written on the interpenetration of counter intelligence and campus Andrew Sinclair Sunday Times London Winks writes a lively compound of analysis and anecdote to illuminate the bonds between academe and the intelligence community His book is a towering achievement Robert W Smith Chicago Sun Times Among the more important contributions to the history of Anglo American espionage to appear this or any other year Moves with an unfolding pace that any thriller writer might envy Tom Dowling San Francisco Examiner A brilliant book Sallie Pisani Journal of American History **The Intelligence Revolution** Steven E. Maffeo, 1988 The intelligence revolution a historical perspective. , **The Allies Strike Back, 1941-1943** James Holland, 2020-02-26 Volume two in this expert anecdote filled thoroughly entertaining history of WWII follows The Rise of Germany as the Allied forces turn the tides Kirkus James Holland's The Rise of Germany the first volume in his War in the West trilogy was widely praised for his impeccable

research and lively narrative Covering the dawn of World War II it ended at a point when the Nazi war machine appeared to be unstoppable Germany had taken Poland and France with shocking speed London was bombed and U boats harried shipping on the Atlantic But Germany hadn't actually won the Battle of Britain or the Battle of the Atlantic It was not producing airplanes or submarines fast enough And what looked like victory in Greece and Crete had expended crucial resources in short supply The Allies Strike Back continues the narrative as Germany's invasion of Russia unfolds in the east while in the west the Americans formally enter the war In North Africa following major setbacks at the hands of Rommel the Allies storm to victory Meanwhile the bombing of Germany escalates aiming to not only destroy its military industrial and economic system but also relentlessly crush civilian morale Comprehensive and impeccably researched Holland brings a fresh eye to the ebb and flow of the conflict in this majestic saga of 20th century history Literary Review UK **Agent 110** Scott Miller,2017-03-07 Presents an account of how OSS spymaster Allen Dulles led a network of disenchanted Germans in a plot to assassinate Hitler and end World War II before the invasion of opportunistic Russian forces NoveList **From Hitler's Doorstep** Neal H. Petersen,2010-11-01 For three years during World War II future Director of Central Intelligence Allen Dulles commanded the OSS mission in Bern Switzerland From Hitler's Doorstep provides an annotated selection of his reports to Washington from 1942 to 1945 Dulles was a leading source of Allied intelligence on Nazi Germany and the occupied nations The messages presented in this volume were based on information received through agents and networks operating in France Italy Austria Eastern Europe and Germany itself They deal with subjects ranging from enemy troop strength and military plans to political developments support of resistance movements secret weapons psychological warfare and peace feelers The Dulles reports reveal his own vision of grand strategy and presage the postwar turmoil in Europe One of the largest collections of OSS records ever published these telegrams and radiotelephone transmissions from the National Archives provide an exciting account of the course of the European war offer insight on the development of American intelligence and illuminate the origins of the Cold War They will interest diplomatic and military historians as well as specialists on modern Europe This volume is almost unique as document based intelligence history and serves as a badly needed bridge between diplomatic history and intelligence studies Book of Secrets Thomas Eaton,2008-10-21 Did you know there's a secret daily flight from the United States to Cuba Or that in 1966 the U S government smashed a bacteria laden light bulb inside the New York subway system Thomas Eaton's Book of Secrets reveals hundreds of clandestine covert surreptitious furtive hush hush and taboo pop cultural and historical curiosities from government cover ups to marketing tricks to Colonel Sander's secret recipe Practical secrets are also revealed such as how to obtain a flight upgrade speak in public or win friends and influence people Production features include a Kivar cover with rounded corners and foil stamping Special Bibliography Series United States Air Force Academy. Library,1988 **J. L. Austin** M. W. Rowe,2023 J L Austin was one of the most influential philosophers of the twentieth century but also an intelligence officer in the Second World War

This revelatory biography explores Austin's complex character, his remarkable achievements in war and peace, and the surprisingly dramatic events in his personal life. **Vatican Secret Diplomacy** Charles R. Gallagher, 2008-06-10 In the corridors of the Vatican on the eve of World War II, American Catholic priest Joseph Patrick Hurley found himself in the midst of secret diplomatic dealings and intense debate. Hurley's deeply felt American patriotism and fixed ideas about confronting Nazism directly led to a mighty clash with Pope Pius XII. It was 1939, the earliest days of Pius's papacy, and controversy within the Vatican over policy toward Nazi Germany was already heated. This groundbreaking book is both a biography of Joseph Hurley, the first American to achieve the rank of nuncio or Vatican ambassador, and an insider's view of the alleged silence of the pope on the Holocaust and Nazism. Drawing on Hurley's unpublished archives, the book documents critical debates in Pope Pius's Vatican secret U.S. Vatican dealings, the influence of Detroit's flamboyant anti-Semitic priest Charles E. Coughlin, and the controversial case of Croatia's Cardinal Stepinac. The book also sheds light on the powerful connections between religion and politics in the twentieth century. Special Bibliography Series, 1957 Mussolini Richard J. B. Bosworth, 2014-03-04 In 1945, disguised in German greatcoat and helmet, Mussolini attempted to escape from the advancing Allied armies. Unfortunately for him, the convoy of which he was part was stopped by partisans, and his features, made so familiar by Fascist propaganda, gave him away. Within 24 hours, he was executed by his captors, joining those he sent early to their graves as an outcome of his tyranny: at least one million people. He was one of the tyrant-killers who so scarred interwar Europe, but we cannot properly understand him or his regime by any simple equation with Hitler or Stalin. Like them, his life began modestly in the provinces; unlike them, he maintained a traditional male family life, including both wife and mistresses, and sought in his way to be an intellectual. He was cruel, though not the cruellest; his racism existed but never without the consistency and vigor that would have made him a good recruit for the SS. He sought an empire, but in the most part, his was of the old-fashioned, costly nineteenth-century variety, not a racial or ideological imperium. And self-evidently, Italian society was not German or Russian; the particular patterns of that society shaped his dictatorship. Bosworth's Mussolini allows us to come closer than ever before to an appreciation of the life and actions of the man and of the political world and society within which he operated. With extraordinary skill and vividness, drawing on a huge range of sources, this biography paints a picture of brutality and failure, yet one tempered with an understanding of Mussolini as a human being, not so different from many of his contemporaries. The definitive study of the Italian dictator. Library Journal Secret Lives of Great Filmmakers Robert Schnakenberg, 2014-02-25 Strange But True Tales of Cross Dressers, Drug Addicts, Foot Fetishists, and Other Legendary Filmmakers. With outrageous and uncensored profiles of everyone from D.W. Griffith to Quentin Tarantino, Secret Lives of Great Filmmakers reveals the little-known secrets of all your favorite directors. Why did Charlie Chaplin refuse to bathe for weeks at a time? Was Alfred Hitchcock really missing a belly button? Is Walt Disney's corpse preserved in a state of suspended animation? And why on earth did Francis Ford Coppola direct a 3-D pornographic movie? The legends of the silver screen will

never be the same      On the Fiery March G. Bruce Strang, 2003-07-30 By the 1930s fascist dictator Benito Mussolini reached the conclusion that Italy faced a clear choice expand its power at the expense of the British and French Empires or face stagnation and decline He believed that the regimes in the democratic West would not be able to contain their inherent hostility toward fascist dynamism while their demographic and political weaknesses provided the opportunity for the younger demographically virile fascist Italy to carve a new empire in the Mediterranean status quo Through his intervention in the Spanish Civil War and his attempts to challenge French Power in Europe and British imperial domination of the Middle East and East Africa Mussolini sought to decisively change Italy's long standing position as the least of the Great Powers Although the Pact of Steel did not always function smoothly Mussolini remained loyal to its principles eventually throwing Italy into the Second World War where he would belatedly discover that his regime had signally failed to prepare his legions for fighting in a modern war      **A Guide to the Study and Use of Military History** John E. Jessup, Robert W. Coakley, 1979 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study It is not a work to be read and lightly tossed aside but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past      *Thailand's Secret War* E. Bruce Reynolds, 2005-01-06 This book is an absorbing account of secret operations and political intrigue in wartime Thailand During World War II Free Thai organisations co operated with Allied intelligence agencies in an effort to rescue their nation from the consequences of its 1941 alliance with Japan They largely succeeded despite internal differences and the conflicting interests and policies of their would be allies China Great Britain and the United States London's determination to punish Thailand placed the British Special Operations Executive SOE at a serious disadvantage in its rivalry with the American Office of Strategic Services OSS The US State Department in contrast strongly supported OSS operations in Thailand viewing them as a vehicle for promoting American political and economic influence in mainland Southeast Asia Declassification of the records of the OSS and the SOE permits full revelation of this complex story of heroic action and political intrigue      *Mussolini's Propaganda Abroad* Manuela Williams, 2006-11-22 This is the first major study in English of Fascist Italy's overseas propaganda Using rare Italian and French captured documents this is also the first investigation into the relationship between Mussolini's regime and Arab nationalist movements This new account covers propaganda and subversive activities engineered by the Italian government in the Mediterranean and the Middle East from 1935 until 1940 when Italy entered the war It assesses the nature of the challenge brought by the Fascist regime to British security and colonial interests in the region Fascist propaganda in particular in the Arab Middle East must be regarded as an expression of Mussolini's foreign policy and his attempts to build an Italian empire that would stretch beyond the Mediterranean gaining control over the exits Gibraltar and Suez which were in the hands of the British and the French The activities of individual agents and organizations are carefully reconstructed and analyzed to highlight the

seemingly contradictory objectives of the Italian government on the one hand Rome was courting the Arab nationalist movements in Egypt and Palestine which were seeking the support of external forces capable of providing political financial and military backing needed to overthrow foreign rulers on the other the regime was promoting further territorial expansion in Africa These aspects build into an excellent picture of this fascinating period of modern history This book will be of great interest to all students and scholars of politics media Italian history and propaganda

### Secrets Of The Fascist Era Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Secrets Of The Fascist Era PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Secrets Of The Fascist Era PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Secrets Of The Fascist Era free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Secrets Of The Fascist Era Books
