Truth Revealed Brahmachary Syamananda, 1926 *The Mystery and the World* Maria Clara Bingemer, 2017-02-23 In *The Mystery and the World* Maria Clara Bingemer explores how the place of religion in society has dramatically shifted since the Enlightenment. The modern era is characterised by a major change in humanity's fundamental desires that means that reason has taken the place of faith. Human beings in their ongoing search for a scientific understanding of the world have drifted away from seeking any essence of transcendence in their lives. Bingemer examines this transition and how especially in the postmodern era it has led to technology and superficial happiness becoming all important as opposed to the more sacred sense of contentment that governed us for centuries prior to the Enlightenment. In her discussion however Bingemer demonstrates that we as humans have not lost our innate desire to believe in a higher power and that even in our world of instant satisfaction we still need to fill the void left by religion. Through well researched analysis of the modern era and discussion of some of the mystics of more recent times she reveals to readers how our religious belief whilst changed is not dead and is still an important aspect of our existence.

*The Prayers and Tears of Jacques Derrida* John D. Caputo, 1997-09-22 *The Prayer and Tears of Jacques Derrida* takes its point of departure from Derrida's more recent sometimes autobiographical writings and closely examines the religious motifs that have emerged in his later works. John D. Caputo's provocative interpretation of Derrida's thinking also makes an original contribution to the question of the relevance of deconstruction for religion. Caputo's Derrida is a man of faith who bridges Jewish and Christian

traditions The deep messianic apocalyptic and prophetic tones in Derrida s writings Caputo argues bespeak his broken covenant with Judaism Through its startling exploration of Derrida s impossible religion the book sheds light on the implications of deconstruction for an understanding of religion and faith today from back cover     **The Mystery and Painful Truth about Life Here and After Death** Christian Uchenna Ngozi,2014-06-24 No one knows about that day or hour not even the angels in heaven nor the Son but only the Father As it was in the days of Noah so it will be at the coming of the Son of Man For in the days before the flood people were eating and drinking marrying and giving in marriage up to the day Noah entered the ark and they knew nothing about what would happen until the flood came and took them all away That is how it will be at the coming of the Son of Man Two men will be in the field one will be taken and the other left Two women will be grinding with a hand mill one will be taken and the other left Therefore keep watch because you do not know on what day your Lord will come But understand this If the owner of the house had known at what time of the night the thief was coming he would have kept watch and would not have let his house be broken into So you also must be ready because the Son of Man will come at an hour when you do not expect him Matthew 24 36 44 This is truly an exposition of spiritual truths hidden and avoided for the ages exposing us to the surprise that awaits everyone at the boundary between physical life and eternity This will bring life and spiritual revolution to everyone who can read irrespective of age Whoever wishes to evade hell and not be deceived by its perverted concepts should read this book Born in Nigeria Christian Uchenna Ngozi now lives in Italy Publisher s website <http://sbprabooks.com> ChristianUchennaNgozi
