The Secrets of Hebrew Words Benjamin Blech,1991 Ever since the earliest times Jewish scholars have looked to the Hebrew language as a source of holiness and a wellspring of wisdom Both letters and words it has always been assumed they have hidden messages and secrets to be sought after as if we are opening a shell to extract the fruit Rabbi Benjamin Blech has gathered many examples of the meanings hidden within Hebrew words and has explained them to the modern reader_ even those who do not know any Hebrew The result is both a fine illustration of this activity as well as a book rich with Jewish insight and teachings Absorbing Perfections Moshe Idel,2008-10-01 In this wide ranging discussion of Kabbalah from the mystical trends of medieval Judaism to modern Hasidism one of the world s foremost scholars considers different visions of the nature of the sacred text and of the methods to interpret it Moshe Idel takes as a starting point the fact that the postbiblical Jewish world lost its geographical center with the destruction of the temple and so was left with a textual center the Holy Book Idel argues that a text oriented religion produced language centered forms of mysticism Against this background the author demonstrates how various Jewish mystics amplified the content of the Scriptures so as to include everything the world or God for example Thus the text becomes a major realm for contemplation and the interpretation of the text frequently becomes an encounter with the deepest realms of reality Idel delineates the particular hermeneutics belonging to Jewish mysticism investigates the progressive filling of the text with secrets and hidden levels of meaning and considers in detail the various interpretive strategies needed to decodify the arcane dimensions of the text Moshe Idel: Representing God Hava Tirosh-Samuelson,Aaron W. Hughes,2015-01-08 Moshe Idel the Max Cooper Professor Emeritus at the Hebrew University of Jerusalem and Senior Researcher at the Shalom Hartman Institute is a world renowned scholar of the Jewish mystical tradition His historical and phenomenological studies of rabbinic philosophic kabbalistic and Hasidic texts have transformed modern understanding of Jewish intellectual history and highlighted the close relationship between magic mysticism and liturgy A recipient of two of the most prestigious awards in Israel the Israel Prize for Jewish Thought 1999 and the Emmet Prize for Jewish Thought 2002 Idel s numerous studies have uncovered persistent patterns of Jewish religious thought that challenge conventional interpretations of Jewish monotheism while offering a pluralistic understanding of Judaism His explorations of the mythical theurgical mystical and messianic dimensions of Judaism have been attentive to history sociology and anthropology while rejecting a na ve historicist approach to Judaism The Wire Fence Henry A. Craig,1995-07 The Wire Fence is the exciting story of a young boy Lonnie and his dog Duke Growing up in a poor farming

family during hard times Lonnie learns the value of hard work by saving to buy a coonhound puppy Over the years Lonnie and Duke forge a strong bond each even saving the others life Through Lonnie's hard work and dedication in training him Duke earns quite a reputation taking on and setting down all challengers and finally gets a shot at a title in a national coonhound competition In the same genre as Old Yeller Lonnie and Duke show the world that through friendship loyalty and teamwork anything even a national coon hunting championship is possible Representation in Religion Jan Assmann, Albert I.

Baumgartner, 2018-08-14 The role of representation in religion is complex While often perceived as essential it is also associated in many traditions with the liability of idolatry and provokes iconoclasm The essays in this volume examine the nuances of representation in religion and the debate concerning its place across a variety of traditions from the three Abrahamic faiths to those of antiquity and the East This volume consists of presentations made at an international conference held in honor of Moshe Barasch art historian and cultural critic who has done much to elucidate the light which representation and religion shed on each other It pays tribute to Barasch by expanding the base of understanding and insight he has erected It should be of interest to students of religion and of art history Roads An Advanced Secret Service Ranjith P Pillai, 2021-11-19
