

SECTS, 'CULTS' & ALTERNATIVE RELIGIONS

A PIONEER'S GUIDE AND SURVEY

DAVID V. BARRETT

Sects Cults And Alternative Religions

John A Saliba

Sects Cults And Alternative Religions:

Sects, Cults, and Alternative Religions David V. Barrett, 1996 The book reveals the beliefs and practices of many modern sects and cults It explains where they came from *Sects Cults and Alternative Religions* Barrett, Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more The New Believers David V. Barrett, 2001 This is a much expanded revised and

totally updated edition of David Barrett's excellent guide and source book of the world's off beat and alternative religions organisations sects cults and movements

Alternative American Religions Stephen J. Stein, 2003-04-24 Alternative religious groups have had a profound influence on American history they have challenged the old and opened up new ways of thinking about healing modes of meaning religious texts and liturgies the social and political order and the relationships between religion and race class gender and region Virtually always the dramatic dynamic history of alternative religions runs parallel to that of dissent in America *Communities of Dissent* is an evenhanded and marvelously lively history of New Religious Movements in America Stephen J Stein describes the evolution and structure of alternative religious movements from both sides the critics and the religious dissenters themselves Providing a fascinating look at a wide range of New Religious Movements he investigates obscure groups such as the 19th century Vermont Pilgrims who wore bearskins and refused to bathe or cut their hair alongside better known alternative believers including colonial America's largest outsider faith the Quakers 17th and 18th century Mennonites Amish and Shakers and the Christian Scientists Jehovah's Witnesses Black Muslims and Scientologists of today Accessible and comprehensive *Communities of Dissent* also covers the milestones in the history of alternative American religions from the infamous Salem witch trials and mass suicide murder at Jonestown to the positive ways in which alternative religions have affected racial relations the empowerment of women and American culture in general

Alternative Religions Stephen J. Hunt, 2017-09-28 Title first published in 2003 Alternative religions attract great public academic and government interest in our apparently post Christian society Yet how did all the alternatives develop what are their beliefs and practices and how significant is their impact in terms of the world's religions and society This book presents a comprehensive introduction to the major forms of alternative religions Cults Sects New Religious Movements the New Age Fundamentalism Pentecostalism Ethnic Religions and Quasi religions Stephen Hunt presents sociological insights into the rise of alternative religions their beliefs and practices their impact who joins them and how they are being classified and could be re classified in the future Public and legal controversies surrounding some alternative religions such as the so called dangerous cults are also explored This book offers students insights into contemporary themes such as secularisation post modernity links between religion healing and and changes in our global culture

Unsafe Sects Roger E. Olson, 2023-08-29 For some decades American and other culture has been obsessed with cults But what does cult mean How should a religious group be identified as a cult Who joins cults and why These and other questions are answered in this book It provides a basic introduction to cults unsafe sects especially from an orthodox Christian perspective Here readers will also find accounts of the author's personal experiences of cults

[Alternative Religions](#) Stephen Hunt, 2003 Outside the remit of traditional Christianity alternative religion is seen as controversial by many and equated with so called cults Stephen Hunt's study explains what these religions are and who believes what and practises what in their numerous manifestations

'Cult Wars' in Historical Perspective Eugene V. Gallagher, 2016-07-01

Cult Wars in Historical Perspective provides a broad characterization of the shifting religious contours over the past several decades. Offering an assessment of several important topics in the study of new religions, this book explores developments in well-known groups such as the Unification movement, The Family International, Children of God, the International Society for Krishna Consciousness (ISKCON), and the Church of Scientology. Bringing together both insiders and outsiders from various academic disciplines and personal perspectives, this book takes account of the ways in which the cult question is defined and addressed in different countries. It offers a vivid depiction of how the cult wars or cult controversies of the late twentieth and early twenty-first centuries first took shape, the transformation of deeply entrenched positions on cults and sects as at least some members of new groups, cult watchers, and academics entered into serious and sustained conversations about topics of mutual concern, the shifting foci and concerns of the general public, law enforcement, and the courts, and academics in various countries, and the complex histories of individual groups in which many dramatic transformations have occurred despite their comparatively short life spans.

Introduction to New and Alternative Religions in America: Jewish and Christian traditions Eugene V. Gallagher, W. Michael Ashcraft, 2006. Annotation: Most new or alternative religions are gravely misunderstood by members of the religious mainstream. Labeled cults or sects, groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large. Despite their efforts at educating the general public, the various anti- and counter-cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens. Consequently, they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so-called mainstream. This set rectifies the situation by presenting accurate, comprehensive, authoritative, and accessible accounts of various new and alternative religious movements that have been and are active in American society, and it addresses ways of understanding new and alternative religions within a broader context. Determining what actually constitutes a new or alternative religion is a subject of constant debate. Questions arise as to a new faith's legitimacy, beliefs, methods of conversion, and other facets of a religious movement's viability and place in a given culture. How a religion gains recognition by the mainstream, which often labels such new movements as cults, is fraught with difficulty, tension, and fear. Here, experts delineate the boundaries and examine the various groups, beliefs, movements, and other issues related to new faiths and alternative beliefs. Readers will come away with a fuller understanding of the religious landscape in America today. Volume 1: History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them. This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved. Volume 2: Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths. Groups such as the Shakers, the People's Temple, the Branch Davidians, Jehovah's Witnesses, and others are examined. Volume 3: Metaphysical, New Age, and Neopagan Movements looks at Shamanism, Spiritualism, Wicca, and Paganism among other

movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

Alternative Religions Among European Youth Luigi Tomasi, 2018-08-17

Frist published in 1999 this book provides an overview of various non conventional notions of what is sacred currently held among European young people It analyses the growing estrangement between traditional religious doctrines and current beliefs among young people in the following countries France Austria Holland England Germany Poland Russia and Iceland Using fist hand statistical support and a well established theoretical approach the book examines new religious movements and sects analysing and interpreting the reasons for their growth and spread among young people The distinctive features of the book are its investigation of diverse religious phenomena and its verification of whether this spread of alternative religiosity is due to the reluctance of a growing section of the European population to accept traditional religious beliefs The result of eight separate empirical surveys the book is original in its content and innovative in its theoretical approach Overall it provides a detailed and documented analysis of the increasing number of young Europeans now attracted by alternative religions

Encyclopedia of New Religious Movements Peter Clarke, 2004-03-01

New Religious Movements NRMs can involve vast numbers of followers and in many cases are radically changing the way people understand and practice religion and spirituality Moreover many are having a profound impact on the form and content of mainstream religion The Encyclopedia of New Religious Movements provides uniquely global coverage of the phenomenon with entries on over three hundred movement from almost every country in the world Coverage includes movements that derive from the major religions of the world and to neo traditional movements movements often overlooked in the study of NRMs In addition to the coverage of particular movements there are also entries on topics themes key thinkers and key ideas for example the New Age Movement Neo Paganism New Religion and gender NRMs and cyberspace NRMs and the law the Anti Cult Movement Swedenborg Jung Teilhard de Chardin Lovelock Gurdjieff al Banna Qutb The marked global approach and comprehensiveness of the encyclopedia enable an appreciation of the innovative energy of NRMs of their extraordinary diversity and the often surprising ways in which they can propagate geographically The most ambitious publication of its sort the Encyclopedia of New Religious Movements is a major addition to the reference literature for students and researchers of the field in religious studies and the social sciences Entries are cross referenced with short bibliographies for further reading

There is a full index *Comic Drunks, Crazy Cults, and Lovable Monsters* David Scott Diffrient, 2022-12-01 Contradictory to its core the sitcom an ostensibly conservative tranquilizing genre has a long track record in the United States of tackling controversial subjects with a fearlessness not often found in other types of programming But the sitcom also conceals as much as it reveals masking the rationale for socially deviant or deleterious behavior behind figures of ridicule whose motives are rarely disclosed fully over the course of a thirty minute episode Examining a broad range of network and cable TV shows across the history of the medium from classic working class comedies such as *The Honeymooners* *All in the Family* and *Roseanne* to several contemporary cult series animated programs and online hits that have yet to attract much scholarly attention this book explores the ways in which social imaginaries related to bad behavior have been humorously exploited over the years The repeated appearance of socially wayward figures on the small screen from raging alcoholics to brainwashed cult members to actual monsters who are merely exaggerated versions of our own inner demons has the dual effect of reducing complex individuals to recognizable types while neutralizing the presumed threats that they pose Such representations not only provide strangely comforting reminders that badness is a cultural construct but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior if only in passing **Encyclopedia of Trauma** Charles R. Figley, 2012-06-19 Trauma is defined as a sudden potentially deadly experience often leaving lasting troubling memories Traumatology the study of trauma its effects and methods to modify effects is exploding in terms of published works and expanding in terms of scope Originally a narrow specialty within emergency medicine the field now extends to trauma psychology military psychiatry and behavioral health post traumatic stress and stress disorders trauma social work disaster mental health and most recently the subfield of history and trauma with sociohistorical examination of long term effects and meanings of major traumas experienced by whole communities and nations both natural Pompeii Hurricane Katrina and man made the Holocaust 9 11 One reason for this expansion involves important scientific breakthroughs in detecting the neurobiology of trauma that is connecting biology with human behavior which in turn is applicable to all fields involving human thought and response including but not limited to psychiatry medicine and the health sciences the social and behavioral sciences the humanities and law Researchers within these fields and more can contribute to a universal understanding of immediate and long term consequences both good and bad of trauma both for individuals and for broader communities and institutions Trauma encyclopedias published to date all center around psychological trauma and its emotional effects on the individual as a disabling or mental disorder requiring mental health services This element is vital and has benefited from scientific and professional breakthroughs in theory research and applications Our encyclopedia certainly will cover this central element but our expanded conceptualization will include the other disciplines and will move beyond the individual [A Brief Guide to Secret Religions](#) David V. Barrett, 2011-05-26 This wide ranging book explores the diversity of esoteric and occult beliefs Neo Paganism is one of the fastest growing new religions in the western world where

witchcraft or Wicca Druidry and Urban Shamanism are thriving Alongside this there has been an upsurge in New Age ideas of an even wider variety including astrology Tarot numerology and many others And then there are members of various schools of occult science practising High Magic Why this new interest in old beliefs Why are millions of educated people today abandoning both the established religion of their parents and 21st century scientific rationalism and turning to magic and esoteric teachings In their search for spirituality those who follow these paths claim to be applying ancient wisdom to the modern world The Brief History of Secret Religions a companion book to The Brief History of Secret Societies looks at the history and variety of these esoteric movements where they came from and what they tell us about the world today Praise for The New Believers an excellent guide to fringe religions that juxtaposes respectable movements and those conventionally dismissed as cults The Telegraph no nonsense comprehensive survey packed with non judgmental information about the beliefs aims and activities of such movements Daily Mail

New Religious Movements in Modern Asian History David W. Kim, 2020-09-30 This book provides evidence that the emergence of Asian new religious movements NRMs was predominantly the result of anti colonial ideology from local religious groups or individuals The contributors argue that when traditional religions were powerless to maintain their cultural heritage the leadership of NRMs adduced alternative principles and the new teachings of each NRM attracted the local people enough for them to change their beliefs The contributors argue that as a whole the Asian new religious movements overall were very ardent and progressive in transmitting their new ideologies The varied viewpoints in this volume attest to the consistent development of Asian NRMs from domestic and international dimensions by replacing old traditional religions

Understanding New Religious Movements John A Saliba, 2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible

Beyond Religion and the Secular Wayne Hudson, 2022-11-17 Deploying a distinctive disaggregative approach to the study of religion this volume shows that spiritual movements with extensive counterfactual beliefs have been much more creative than one might expect Specifically Wayne Hudson explores the creativity of six spiritual movements the Bah s a Persian movement Soka Gakkai a Japanese movement Ananda Marga and the Brahma Kumaris two reformed Hindu movements and two controversial

American churches The Church Universal and Triumphant and the Church of Jesus Christ of Latter day Saints Most of these movements have counterintuitive features that have led Western scholars making Enlightenment assumptions to dismiss them as irrational and or inconsequential However this book reveals that these movements have responded to modernity in ways that are creative and practical resulting in a wide range of social educational and cultural initiatives Building on research surrounding the ways in which spiritual movements engage in cultural productions this book takes the international research in a new direction by exploring the utopian intentionality such cultural productions reveal *Perfect Children* Amanda Van Eck Duymaer Van Twist,2015 van Eck Duymaer van Twist examines ways in which new religious movements adapt to a second generation how children are socialized what happens to these children as they mature and how their childhoods have affected them **Sociology of Religion** Kevin J. Christiano,William H. Swatos, Jr.,Peter Kivisto,2008-05-29 By way of introduction Studying religion The religion of secularization and the history of religions Religion in the United States denominationalism and beyond Social class religion and power a classic field of inquiry Religion and ethnicity a complex relationship Gender sexuality and religion spirituality in different voices Religious change the case of Catholicism in the United States The globalization dynamic historic animosities or postmodern politics Mediating meaning religion in and as contemporary culture Boundary issues church state and new religions

Sects Cults And Alternative Religions Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sects Cults And Alternative Religions PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sects Cults And Alternative Religions PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sects Cults And Alternative Religions free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sects Cults And Alternative Religions Books

What is a Sects Cults And Alternative Religions PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sects Cults And Alternative Religions PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sects Cults And Alternative Religions PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sects Cults And Alternative Religions PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sects Cults And Alternative Religions PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a

PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
