Security And Arms Control In Post Confrontation Europe:

Security and Arms Control in Post-confrontation Europe Jenonne Walker, 1994 The new dangers and challenges to international security in Europe after the Cold War are examined in this book The changing nature of Europe's security problems has necessitated new thinking among both civilians and the military about arms control the problems it should address the purposes it should serve and even what should be called arms control today Arms control should be seen as encompassing all aspects of the military dimension of the endeavours to mitigate or mediate tensions within states and to keep them from turning violent It entails joint management of the cold war legacy of nuclear and conventional weapons Security and Arms Control in Post Confrontation Europe examines in particular the role which could and should be played by the Conference on Security and Co operation in Europe CSCE for the prevention of intra state armed conflicts **Historical Dictionary of Arms Control and Disarmament** Jeffrey A. Larsen, James M. Smith, 2005-03-25 Historical Dictionary of Arms Control and Disarmament also provides information that is comprehensible to all readers Jeffrey A Larsen and James M Smith present a context for the broader range of international relations at a given point in time extending the utility of the dictionary beyond just a narrow examination of arms control **BOOK JACKET** **Security and Defence Related Treaties of India** Brig (Retd) V P Malhotra, 2010-12-23 The book covers all the Defence related treaties India has had through time

Peace and Security in the Postmodern World Dennis J.D. V The return of history **Monthly Bibliography** United Nations Library (Geneva, Switzerland), 1994

The Future of Transcaspian Security Stephen Blank, 2002 This monograph explores the unprecedented opportunities that are now before the United States and recommends actions that the Government and armed forces especially but not only the U S Army should undertake to consolidate and extend the newly emerging military partnership and cooperative security regime that are now developing Because the opportunities being presented to the United States and NATO were never possible before to this degree the proper way to exploit them will become a subject of debate

The Polish Quarterly of International Affairs, 1994

Russia and Europe: Conflict or Cooperation? M. Webber, 2000-07-12 This volume focuses on how Russian policy toward Europe and sometimes by extension the West more broadly has developed since the end of the Cold War and the disintegration of the Soviet Union It argues that important aspects of cooperation have endured in the relationship despite all the vicissitudes of Russian domestic politics and at a time of flux in the international relations of the European continent This cooperation has at times been fragile and has not prevented some obvious and deep seated disagreements It has however survived Indeed Russia and Europe have increasingly routinized their relationship in a range of formal multilateral institutions

State, 1995

Encyclopedia of Violence, Peace, and

Conflict ,2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world **North Atlantic Treaty Organization** Phil Williams,2024-11-01 This volume consists of major books written in the English language on NATO as well as an extensive listing of journal articles that deal with various aspects of the Alliance All the major debates that have taken place over the last forty years are discussed
