Committee on Foreign Relations,1976 Strategic Weapons Proposals United States. Congress. Senate. Committee on Foreign Relations,1981 **Security in 21st Century Europe** Andrew Cottey,2025-05-01
The nature of security in Europe has been transformed in recent years Security in 21st Century Europe argues that the defining feature of contemporary European security is the existence of a security community underpinned by the twin institutions of the EU and NATO but that today the European security community NATO and the EU face a growing array of external challenges and their ability to respond to those challenges is increasingly being called into question
Offering a systematic assessment of security in contemporary Europe this third edition examines the changing character of European security and assesses the extent of the threats posed by recent challenges as well as the policy dilemmas involved in responding to these challenges It explores Europe s engagement with core thematic issues in European security including military intervention nuclear weapons terrorism and non military security Providing both a substantive contribution to academic thinking on European security and a overview of debates on contemporary European security this new edition offers 3 new chapters on migration climate change and cybersecurity Coverage of all recent major developments related to European security including the Syrian civil war and the regional destabilization arising from it Russia Ukraine crisis the rise of populism the migration crisis the acceleration of China s rise Security in 21st Century Europe combines theory and detailed empirical analysis exploring both how different theoretical perspectives can help us think about European security and concrete empirical developments in European security policies and institutions This text is the perfect companion for advanced undergraduate and Master s level courses on European security whether within courses in Security studies European studies or International Relations *Yearbook of the United Nations, Volume 39 (1985)* United Nations,2023-08-28 *Key Resolutions of the United Nations General Assembly 1946-1996* Dietrich Rauschning,Katja Wiesbrock,Martin Lailach,1997-08-28 Key resolutions from the first fifty years of the United Nations General Assembly
