Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror charting the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well trodden paths of horror and re discover the classics with a newly instructed eye

The Worst We Can Find Dale Sherman, 2023-06-15 Had you tuned in to the small television station KTMA on Thanksgiving Day 1988 you would have been one of the few witnesses to pop culture history being made On that day viewers in and around St Paul Minnesota were treated to a genuine oddity in which a man and his robots trapped within a defiantly DIY sci fi set cracked jokes while watching a terrible movie It was a cockeyed twist on the local TV programs of the past in which a host would introduce old cheaply licensed films And though its origins may have been inauspicious Mystery Science Theater 3000 captured the spirit of what had been a beloved pastime for generations of wags wiseacres and smartalecks and would soon go on to inspire countless more *The Worst We Can Find* is a comprehensive history of and guide to MST3K and its various offshoots including Rifftrax Cinematic Titanic and The Mads Are Back whose lean crew of writers performers and puppeteers have now been making fun of movies for over thirty years It investigates how riffing of films evolved recounts the history of these programs and considers how a practice guaranteed to annoy real life fellow moviegoers grew into such a beloved long lasting franchise As author Dale Sherman explains creative heckling has been around forever but MST3K and its progeny managed to redirect that art into a style that was both affectionate and cutting winning the devotion of countless fans and aspiring riffers
