Krüger,2008-02-14 The unthinkable has happened An environmental organization warned the world against it Still nobody believed that it would turn out like this But Donald Morse proves everyone wrong Defying all security measures he manages to steal a shipment of nuclear material from a cargo ship destined for Japan s nuclear power reactors Could anything be worse than this scenario Perhaps the fact that Donald Morse knows that South African scientists developed extremely dangerous nuclear weapons during the apartheid years weapons that the world thought were not possible to construct Donald has information where these deadly weapons are hidden and he has plans to get them out Ken Palmer is sent by the

FBI to find Donald Morse and to arrest him But Ken has to deal with traitors from within as well as onslaughts on his life However he discovers the real spine chilling reason for Donald s need for the nuclear weapons and he realizes that Donald has to be stopped in any way possible Unsettled Borders Felicity Amaya Schaeffer,2022-05-02 In Unsettled Borders Felicity Amaya Schaeffer examines the ongoing settler colonial war over the US Mexico border from the perspective of Apache Tohono O odham and Maya who fight to protect their sacred land Schaeffer traces the scientific and technological development of militarized border surveillance across time and space from Spanish colonial lookout points in Arizona and Mexico to the Indian wars when the US cavalry hired Native scouts to track Apache fleeing into Mexico to the occupation of the Tohono O odham reservation and the recent launch of robotic bee swarms Labeled Optics Valley Arizona builds on a global history of violent dispossession and containment of Native peoples and migrants by branding itself as a profitable hub for surveillance Schaeffer reverses the logic of borders by turning to Indigenous sacredsciences ancestral land based practices that are critical to reversing the ecological and social violence of surveillance extraction and occupation **Inside Out: Voices Unlocked** Jenna Carter,2014-02-26 This is a true account of the five years I spent working in a high security jail in the UK I include stories from prisoners these stories were volunteered I do not include any names or specific descriptions of individuals but rather refer to them as anonymous voices This book provides a unique insight into life in jail arising from my unusual position as a teacher who worked outside the normal classroom situation in a capacity of outreach to every prison location from the wings to the kitchens The book charts my journey to each location in the prison and presents a whole prison experience as I worked from induction where men had recently arrived in the jail to the wings where some men were serving life I present my experience as it was a remarkable connection with human beings who in any other context one might term as normal In the end this is not my story this is their story and I leave the reader to make their own judgment
