**Seeds of Success** Indira Patro,2002-02-04 Success is neither an inheritance nor an accident It is God s plan Total Success Ministries Letter To Pastors Dear Pastors and Leaders Please allow me to introduce Total Success Ministries dedicated to helping people understand that God is our provider God has laid it upon my heart to help people know His will through their finances Even though we need to work is not our source of supply God is our source of supply It is a difficult balance working to obtain things but looking to God as the provider of all things and we all need to be reminded of the need for this balance time and again We all tend to loose sight of this fact and think of our job as our provider and our focus gets clouded And then more and more of our time is spent on material pursuits with little time left for the spiritual aspects of life This results in more stress and far less of the peace that we all can have when our focus is on God and not on our own abilities No doubt there are many in your congregation who are struggling with this lack of balance right now and would benefit from learning of success from God s perspective A Total Success seminar will help people live from God s point of view and grow in their faith in God Please visit our web site at [www total success org](http://www.total-success.org) where we have posted all the information you need to judge us As you can see the focus of the seminar is so much on the spiritual aspects and not on how to manage your money Please examine these materials and prayerfully consider how those you minister to may benefit from learning more through a Total Success Seminar held in your church In HIS service Indira Patro Total Success Ministries
