NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda,2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don t want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God

Why Do I Believe? Enoch Ernest Bramwell,1926 **Saviour Gods and Soteria in Ancient Greece** Theodora Suk Fong Jim,2022-05-12 From the Archaic to the Roman imperial period an impressive number of gods and goddesses are attested in the Greek world under the titles of Soter and Soteira Saviour Overseeing the protection of individuals and cities these gods had the power to grant an essential blessing soteria deliverance preservation safety This book investigates what it meant to be saved and the underlying concept of soteria in ancient Greece It challenges the prevailing assumption that soteria was a predominantly Christian concern and demonstrates instead its centrality and significance in the relationship between the Greeks and their gods This book focuses on the power of saviour gods in the life of the Greeks how worshippers searched for soteria as they confronted the unknown and unknowable and what this can reveal about the religious beliefs hopes and anxieties of the Greeks It goes beyond religious vocabulary and cult epithets to investigate worshippers thought world and lived experience the different choices individuals made among the plurality of gods in the Greek pantheon the multiple levels

on which divine saviours operated and the values attached to the Greek notion of soteria Building on existing paradigms in the study of Greek polytheism and combining close analysis of epigraphic literary and material evidence this book argues that soteria for the Greeks entailed a very different experience from the Christian eschatological notion of salvation and that what was offered was salvation on earth

Stop Asking Jesus Into Your Heart J.D. Greear,2013-02-01 If there were a Guinness Book of World Records entry for amount of times having prayed the sinner s prayer I m pretty sure I d be a top contender says pastor and author J D Greear He struggled for many years to gain an assurance of salvation and eventually learned he was not alone Lack of assurance is epidemic among evangelical Christians In Stop Asking Jesus Into Your Heart J D shows that faulty ways of presenting the gospel are a leading source of the confusion Our presentations may not be heretical but they are sometimes misleading The idea of asking Jesus into your heart or giving your life to Jesus often gives false assurance to those who are not saved and keeps those who genuinely are saved from fully embracing that reality Greear unpacks the doctrine of assurance showing that salvation is a posture we take to the promise of God in Christ a posture that begins at a certain point and is maintained for the rest of our lives He also answers the tough questions about assurance What exactly is faith What is repentance Why are there so many warnings that seem to imply we can lose our salvation Such issues are handled with respect to the theological rigors they require but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults
