## **Seeing Judaism Anew Christianity's Sacred Obligation:**

**Seeing Judaism Anew** Mary C. Boys, 2005-03-22 In September 2002 twenty one prominent Catholic and Protestant scholars released the groundbreaking document *A Sacred Obligation* which includes ten statements about Jewish Christian dialogue focused around a guiding claim: Revising Christian teaching about Judaism and the Jewish people is a central and indispensable obligation of theology in our time. Following the worldwide reception of their document the authors have expanded their themes into *Seeing Judaism Anew*. The essays in this volume offer a conceptual framework by which Christians can rethink their understanding of the church's relationship to Judaism and show how essential it is that Christians represent Judaism accurately not only as a matter of justice for the Jewish people but also for the integrity of Christian faith. By linking New Testament scholarship to the Shoah, Christian liturgical life and developments in the church this volume addresses the important questions at the heart of Christian identity such as: Are only Christians saved? Why did Jesus die? Why is Israel so important to Jews and what should we think about the conflict in the Middle East? How is Christianity complicit in the Holocaust? What is important about Jesus being a Jew?

*Dialogue and Terror* Alan L. Berger, 2012-11-02 This volume addresses the promise and peril of post 9/11 interfaith dialogue. In fifteen clearly written and insightful essays distinguished scholars of different faiths and divergent world views guide readers toward an informed understanding of the role of religion and the basic teachings of Judaism, Christianity and Islam in the aftermath of the September 11 terror attacks on the United States. Acknowledging commonalities these essays also shed light on the essential differences among the teachings of the Abrahamic traditions and raise pivotal questions regarding humanity's future: What prompted the carnage? What has changed since then? What remains to be achieved? Dispelling ignorance about the religious other is a necessary but only a first step toward achieving a durable and effective dialogue. In an increasingly perilous and interconnected world where the effects of globalization are yet to be fully

recognized interfaith dialogue holds out the hope of genuine movement toward a more peaceful coexistence      *The Nun in the Synagogue* Emma O'Donnell Polyakov, 2020-09-11 The Nun in the Synagogue documents the religious and cultural phenomenon of Judeocentric Catholicism that arose in the wake of the Holocaust fueled by survivors who converted to Catholicism and immigrated to Israel as well as by Catholics determined to address the anti Judaism inherent in the Church Through an ethnographic study of selected nuns and monks Emma O'Donnell Polyakov explores how this Judeocentric Catholic phenomenon began and continues to take shape in Israel This book is a case study in Catholic perceptions of Jews Judaism and the state of Israel during a time of rapidly changing theological and cultural contexts In it Polyakov listens to and analyzes the stories of individuals living on the border between Christian and Jewish identity including Jewish converts to Catholicism who continue to harbor a strong sense of Jewish identity and philosemitic Catholics who attend synagogue services every Shabbat Polyakov traces the societal theological and personal influences that have given rise to this phenomenon and presents a balanced analysis that addresses the hermeneutical problems of interpreting Jews through Christian frameworks Ultimately she argues that despite its problems this movement signals a pluralistic evolution of Catholic understandings of Judaism and may prove to be a harbinger of future directions in Jewish Christian relations Highly original and methodologically sophisticated The Nun in the Synagogue is a captivating exploration of biographical narratives and reflections on faith conversion Holocaust trauma Zionism and religious identity that lays the groundwork for future research in the field      *Broken Gospel?* Peter M. Waddell, 2023-01-01 The Holocaust lies often unacknowledged near the heart of our contemporary crisis of religious faith The horrific fruit of two millennia of Christian antisemitism the slaughter calls into sharp question the moral and intellectual credibility of the Churches and the Christian faith itself Can Christianity ever recover In Broken Gospel Peter Waddell suggests that it can but only by facing unflinchingly the history that paved the way for the Nazi genocide and the Churches sins of omission and commission as it took place Engaging with both Christian and Jewish scholarship Waddell also approaches with sensitivity the theological issues that arise from the horror questions of how the claimed holiness of the Church relates to its wickedness of Christian Jewish relations of prayer and providence of heaven and hell and the faint possibility of forgiveness Scholars clergy and general readers alike will be challenged by this exercise in repentance and reconstruction and inspired by the possibility it offers for Christian theology and practice to flourish once more      Reading Romans within Judaism Mark D. Nanos, 2018-06-28 Over fifty years ago Vatican II's *Nostra Aetate* 4 drew from Romans 11 to challenge the way Paul's voice has been used to negatively discuss Jews and Judaism The church called for Catholics to conceptualize Jews as brothers in an everlasting covenant and many other Christian organizations have expressed similar sentiments in the years since Nevertheless the portrayal of Jews as branches broken off hardened without faith disobedient and enemies of God whom Christians have replaced as true Israel are among the many ways that readers encounter Paul's views of Jews and Judaism in today's translations and interpretations of this chapter and

throughout the letter as well In the chapters in this volume Nanos shows why these translations and interpretive decisions among others do not likely represent what Paul wrote or meant Each essay offers challenges to the received view of Paul from the research hypothesis that Paul and the Christ followers to whom he wrote were still practicing Judaism a Jewish way of life within subgroups of the Jewish synagogue communities of Rome and that they understood Paul to observe Torah and promote Judaism for their communities

**Engaging the Doctrine of Israel** Matthew Levering, 2021-09-16 This book is the dogmatic sequel to Levering's *Engaging the Doctrine of Marriage* in which he argued that God's purpose in creating the cosmos is the eschatological marriage of God and his people God sets this marriage into motion through his covenantal election of a particular people the people of Israel Central to this people's relationship with the Creator God are their Scriptures exodus Torah Temple land and Davidic kingship As a Christian Israelology this book devotes a chapter to each of these topics investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture Old and New Testaments and Christian theology The book makes a significant contribution to charting a path forward for Jewish Christian dialogue from the perspective of post Vatican II Catholicism

Christian Zionism Faydra L. Shapiro, 2015-10-12 Christian Zionism has received no small amount of criticism from observers who take issue with the movement's pro Israel politics or its theology What if we listened seriously to what Christian Zionists and Jewish partners said about Jews Judaism and Israel Christian Zionism is a vibrant contemporary movement that agree or disagree has more than just political implications Christian Zionism has also brought an unprecedented number of Jews and Christians into contact and dialogue in houses of worship community centers rallies and of course in Israel As such Christian Zionism is a useful case that allows us to think about contemporary Jewish Christian relations in new ways While some would argue that this is really just about pro Israel alliance building Christian Zionism Navigating the Jewish Christian Border shows how this movement significantly engages basic questions of identity and the borders between Judaism and Christianity Christian Zionism serves as one chapter in the history of two religious communities and the fraught relationships between them facing together the globalized world of the twenty first century

*Ecclesial Repentance* Jeremy M. Bergen, 2011-01-27 A theological reflection on churches repenting of events and convictions they have held in the past

*Jews and Christians Together* Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their

own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect Opening the Covenant Michael S. Kogan, 2008 Michael Kogan delves deeply into the theologies of Christianity and Judaism to locate the precise points of difference and convergence He sees Christianity as the breaking open of the original Covenant to include gentile peoples God has brought this about Kogan argues through Jesus and his interpreters Bridging between Sister Religions Isaac Kalimi, 2016-08-01 This volume is a collection of fresh essays in honor of Professor John T Townsend It focuses on the interpretation of the common Jewish and Christian Scripture the Hebrew Bible Old Testament and on its two off shoots Rabbinic Judaism and the New Testament as well as on Jewish Christian relations The contributors who are prominent scholars in their fields include James L Crenshaw G R Eidevall Anne E Gardner Lawrence M Wills Cecilia Wassen Robert L Brawley Joseph B Tyson Eldon J Epp Yaakov Elman Rivka Ulmer Andreas Lehnardt Reuven Kimelman Bruce Chilton and Michael W Duggan an engaging and impressive scholarly work Zev Garber Los Angeles Valley College The Catholic Biblical Quarterly 81 3 2019 Israel, the Church, and Millenarianism Steven D. Aguzzi, 2017-07-28 Since the calls of the Second Vatican Council Roman Catholic theologians have sought to overcome an overarching problem facing Jewish Christian relations the concept of supersessionism the idea that God has revoked the spiritual and historical promises made to the Jewish people in favour of granting those same privileges to a predominantly Gentile Church Israel the Church and Millenarianism breaks new ground by applying an ancient principle to the problem of Israel's replacement the early Church's promotion of millennialism Utilizing the best in Patristic research Aguzzi's research argues that these earliest Christian traditions made room for the future of Israel because Christ's reign in the Church was viewed as provisional to his historical reign on earth Israel's role in salvation history was and is not yet complete Aguzzi's research also opens the door for a greater Catholic understanding of the millennial principle not shying away from its validity and relevance for understanding the importance of safeguarding Jewish particularity while concluding that the Synagogue and the Church are indeed on a parallel trajectory what will their Israel's acceptance be but life from the dead Romans 11 15 Ultimately the divine will is fulfilled through both Christian and Jewish means in history while each community is dependent in different ways upon the unfolding of God's future and the coming Parousia of Christ **Catholic Doctrines on the Jewish People After Vatican II** Gavin D'Costa, 2019 This book addresses three controversial and timely questions related to Catholic Jewish dialogue Jewish ritual Catholic Zionism and mission Dictionary of Scripture and Ethics Joel B. Messiah or the lectionary reading the book of Isaiah provides a familiar voice for congregations during the season of Advent So how do we create faithful Christian interpretations of Isaiah for today while respecting the interpretations of our Jewish neighbors Integrating biblical scholarship with pastoral concern Tyler Mayfield invites readers to view Isaiah through two lenses He demonstrates using near vision to see how the Christian liturgical season of Advent shapes readings of Isaiah and using far vision to clarify our relationship to Jews and Judaism showing along the way how near vision and far vision are both required to read Isaiah clearly and responsibly Doxology Volume 31 Marcell Silva Steurnagel, Mark W.
