June Hunt, 2012-10-01 An all time favorite resource produced by biblical counselor June Hunt, one that has powerfully changed thousands of lives worldwide. How Christians view themselves can have a powerful effect on their everyday living. Sometimes negative people or circumstances can leave believers feeling down about themselves. Or an inflated perception of themselves can prevent God from working in and through them. The key to a vibrant and healthy life is for Christians to see themselves through God's eyes. After all, if they don't know who they are, they can't know God's plan and purpose for them. *Seeing Yourself Through God's Eyes* helps readers understand their true identity as a child of God as well as their great worth to God. In this collection of 31 devotions, they'll discover the exciting transformation that takes place when they see themselves the way God sees them. Includes a leader's guide for study groups. **Seeing Yourself Through God's Eyes**

June Hunt, 2015-08-01 Do you know who you are? Even more importantly, do you know Whose you are? Christians often look at their lives through natural eyes and see themselves as lonely, depressed, unacceptable to God, unable to be who they really want to be. But a Christian who looks at him or herself through God's eyes sees someone quite different. In this encouraging book, bestselling author June Hunt helps you change your focus as you look in the mirror of God's Word. The reflection she urges you to see includes you as a child of God, chosen by God, reconciled to God, created to do good works for Christ, secure in the love of God. These are just five of the wonderful aspects of you as seen through the eyes of God. In this life-changing 31 day devotional, you'll find riches in your own life you never knew you possessed. **See Yourself Through God's Eyes**

### What Is a Dysfunctional Family

A dysfunctional family is one where improper and immature behavior of at least one parent damages the growth of individuality and healthy relational skills among family members A dysfunctional family is one where family members are negatively affected emotionally psychologically and spiritually A dysfunctional family is one where everyone is negatively affected even when only one family member experiences a problem

### Dysfunctional Families Produce Dysfunctional Families

Dysfunction looks different in each family Here are some of the ways dysfunction can creep into the family unit

- Overly possessive or faultfinding parents
- Poor organization or overly rigid structure
- Inconsistent and indecisive parents
- Emotionally abandoned children including emotional abuse
- Overly rigid structure or lacking parental authority

### How Do Kids Cope 4 Dysfunctional Family Roles

Children Adopt When parents are unable to manage their lives children learn to cope by playing specific roles in the family or acting out in damaging ways Typically the child will adopt one of four roles

- The Responsible Child** The hero tries to fix the family problems and help create a positive family image through noteworthy achievement This child receives positive attention but often develops perfectionistic compulsive behaviors
- The Rebellious Child** The scapegoat draws focus away from the family s problems and onto himself or herself with rebellious uncontrollable behavior This child consumes time and energy from the family members and often develops self destructive life patterns
- The Reclusive Child** The lost child hopes that by ignoring family problems the difficulties will go away This child avoids attention and is often lonely and withdrawn
- The Reveling Child** The clown uses humor and antics to direct the focus away from family problems This child is often highly active or hyperactive and usually seeks to be the center of attention

A child may even display a combination of these traits or progress through different stages as they attempt to manage their emotional pain just seeking to survive To find out more about the coping devices children us check out June Hunt s Dysfunctional Family
