

A black and white photograph of a person in a white robe standing in a vast, misty landscape. The person is positioned in the lower center of the frame, looking towards the left. In the background, a large, dark tree stands on the left, and a misty, hilly landscape extends to the horizon. The sky is filled with soft, white clouds. The overall mood is contemplative and spiritual.

Rabbi Arthur O. Waskow

Seek My Face Speak My Name A Contemporary Jewish Theology:

Seek My Face, Speak My Name Arthur Green, 1994 Rabbi Arthur Green leads us on a journey of discovery to seek God the world and ourselves One of the most influential Jewish thinkers of our time Green has created a roadmap of meaning for our lives in the light of Jewish mysticism A personal and honest framework of understanding for the seeker this revised and updated edition of a classic sheds new light on our search for the divine presence in our everyday lives Seek My Face, Speak My Name Arthur Green, 1992 Contemporary Jews The book is at once a beginner s invitation to the profundity of Jewish spirituality and a rich rethinking of texts and positions for those who have already walked some distance along the Jewish path *Leaves from the Garden of Eden* ,2010-09-23 In *Leaves from the Garden of Eden* Howard Schwartz a three time winner of the National Jewish Book Award has gathered together one hundred of the most astonishing and luminous stories from Jewish folk tradition Just as Schwartz s award winning book *Tree of Souls* collected the essential myths of Jewish tradition *Leaves from the Garden of Eden* collects one hundred essential Jewish tales As imaginative as the *Arabian Nights* these stories invoke enchanted worlds demonic realms and mystical experiences The four most popular types of Jewish tales are gathered here fairy tales folktales supernatural tales and mystical tales taking readers on heavenly journeys lifelong quests and descents to the underworld There is a dybbuk lurking in a well a book that comes to life and a world where Lilith the Queen of Demons seduces the unsuspecting Here too are Jewish versions of many of the best known tales including Cinderella Snow White and Rapunzel Schwartz s retelling of one of these stories *The Finger* inspired Tim Burton s film *Corpse Bride* **On God and Dogs** Stephen H. Webb, 1998-01-15 Many of us keep pet animals we rely on them for companionship and unconditional love For some people their closest relationships may be with their pets In the wake of the animal rights movement some ethicists have started to re examine this relationship and to question the rights of humans to own other sentient beings in this way In this engaging and thought provoking book Stephen Webb brings a Christian perspective to bear on the subject of our responsibility to animals looked at through the lens of our relations with pets especially dogs Webb argues that the emotional bond with companion animals should play a central role in the way we think about animals in general and against the more extreme animal liberationists defends the intermingling of the human and animal worlds He tries to imagine what it would be like to treat animals as a gift from God and indeed argues that not only are animals a gift for us but they give to us we need to attend to their giving and return their gifts appropriately Throughout the book he insists that what Christians call grace is present in our relations with animals just as it is with other humans Grace is the inclusive and expansive power of God s love to create and sustain relationships of real mutuality and reciprocity and Webb unfolds the implications of the recognition that animals too participate in God s abundant grace Webb s thesis affirms and persuasively defends many of the things that pet lovers feel instinctively that their relationships with their companion animals are meaningful and important and that their pets have value and worth in themselves in the eyes of God

His book will appeal to a broad audience of thoughtful Christians and animal lovers

Everything Is God Jay Michaelson, 2009-10-13 This exploration of the radical yet ancient idea that everything and everyone is God will transform how you understand your life and the nature of religion itself While God is conventionally viewed as an entity separate from us there are some Jews Kabbalists Hasidim and their modern day heirs who assert that God is not separate from us at all In this nondual view everyone and everything manifests God For centuries a closely guarded secret of Kabbalah nondual

Judaism is a radical reorientation of religious life that is increasingly influencing mainstream Judaism today. Writer and scholar Jay Michaelson presents a wide ranging and compelling explanation of nondual Judaism, what it is, its traditional and contemporary sources, its historical roots and philosophical significance, how it compares to nondual Buddhism and Hinduism, and how it is lived in practice. He explains what this mystical nondual view means in our daily ego centered lives for our communities and for the future of Judaism.

Pondering the Imponderable Martin Sicker, 2010-03-25. Pondering the Imponderable explores the philosophical and theological problems of God and their implications from a Judaic perspective, including the attempts at knowing the unknowable and naming the unnamable that have been articulated over the course of some two millennia, as well as how the chasm between man and God is bridged through revelation and the implications of these ideas for the ultimate question of what takes place after death: resurrection, immortality of the soul, or transmigration or reincarnation. In discussing these issues, the non-specialized reader will be introduced to the vast corpus of rabbinic literature written over a period of some two millennia to the present day and to many works that have never been translated into English.

The New Rabbi Stephen Fried, 2003-08-26. From award winning journalist Stephen Fried comes a vividly intimate portrait of American Judaism today in which faith, family and community are explored through the dramatic life of a landmark congregation as it seeks to replace its legendary retiring rabbi and reinvent itself for the next generation. *The New Rabbi*. The center of this compelling chronicle is Har Zion Temple on Philadelphia's Main Line, which for the last seventy five years has been one of the largest and most influential congregations in America. For thirty years Rabbi Gerald Wolpe has been its spiritual leader, a brilliant sermonizer of wide renown, but now he has announced his retirement. It is the start of a remarkable nationwide search process, largely unknown to the lay world and of much more. For at this dramatic moment Wolpe agrees to give extraordinary access to Fried, inviting him and the reader into the intense personal and professional life of the clergy and the complex behind the scenes life of a major Conservative congregation. These riveting pages bring us a unique view of Judaism in practice from Har Zion's strong-willed leaders and influential families to the young bar and bat mitzvahs just beginning their Jewish lives, from the three days a year synagogue goes to the hard core of devout attendees. We are touched by their times of joy and times of grief, intrigued by congregational politics, moved by the search for faith. We witness the conflicts between generations about issues of belief, observance and the pressures of secular life. We meet Wolpe's vigorous-minded ailing wife and his sons, one of whom has become a celebrity rabbi in Los Angeles. And we follow the author's own moving search for meaning as he reconnects with the religion of his youth. We also have a front row seat at the usually clandestine process of choosing a new rabbi, as what was expected to be a simple one year search for Rabbi Wolpe's successor extends to two years and then three. Dozens of resumes are rejected, a parade of prospects come to interview, the chosen successor changes his mind at the last minute, and a confrontation erupts between the synagogue and the New York based Conservative rabbis union that governs the process. As the time comes for Wolpe to depart a venerated house of

worship is being torn apart And thrust onto the pulpit is Wolpe s young assistant Rabbi Jacob Herber in his first job out of rabbinical school facing the nearly impossible situation of taking over despite being technically ineligible for the position and finding himself on trial with the congregation and at odds with his mentor Rich in anecdote and scenes of wonderful immediacy this is a riveting book about the search for personal faith about the tension between secular concerns and ancient tradition in affluent America and about what Wolpe himself has called the retail business of religion Stephen Fried brings all these elements to vivid life with the passion and energy of a superbly gifted storyteller
