Seeking Zion:

Seeking Zion Jody Myers, 2003-06-01 Focusing on the teachings of Tsevi Hirsch Kalischer this study examines the modern revival of the belief among religious Jews that they are duty bound to hasten messianic redemption Zion's Home Monthly, 1888 **Seeking Zion** Jody Elizabeth Myers, 1985 **The Juvenile instructor and companion** Young people, 1869 **Zion's Hope**, 1910 *The Utah Genealogical and Historical Magazine*, 1910 **A Commentary, Critical and Explanatory, on the Old and New Testaments** Robert Jamieson, 1871 **Zion's Watch Tower and Herald of Christ's Presence**, 1929 Zion's Advocate, 1928 Homeland Marv Wolfman, Mario Ruiz, William J. Rubin, 2007 In graphic novel format presents 4 000 years of Jewish history culminating in the modern state of Israel *Partitioning Palestine* John Strawson, 2010-04-09 Law lies at the roots of the Palestinian Israeli conflict Jews sought a national home by Public Law while Palestinians reject the project as illegal Britain the League of Nations and the United Nations all mobilised international law to justify their interventions After the 1967 war Israel organised an occupation with excessive legalism that most of the world viewed in fact as illegal *Partitioning Palestine* focuses on three key moments in the Palestinian Israeli conflict the League of Nations Mandate the United Nations partition plan and the Oslo agreements None of these documents are neutral but rather encode a variety of meanings The book traces the way in which these legal narratives have both shaped national identity and sharpened the conflict In this pioneering text John Strawson argues that a committed attachment to the belief in legal justice has hampered the search for a settlement Law far from offering conflict resolution has reinforced the trenches from which Palestinians and Israelis confront one another *Arabs and Jews in Ottoman Palestine* Alan Dowty, 2019-02-01 When did the Arab Israeli conflict begin Some discussions focus on the 1967 war some go back to the creation of the state of Israel in 1948 and others look to the beginning of the British Mandate in 1922 Alan Dowty however traces the earliest roots of the conflict to the Ottoman Empire in the 19th century arguing that this historical approach highlights constant clashes between religious and ethnic groups in Palestine He demonstrates that existing Arab residents viewed new Jewish settlers as European and shares evidence of overwhelming hostility to foreigners from European lands He shows that Jewish settlers had tremendous incentive to minimize all obstacles to settlement including the inconvenient hostility of the existing population Dowty's thorough research reveals how events that occurred over 125 years ago shaped the implacable conflict that dominates the Middle East today **Gender, Orientalism and the Jewish Nation** Lynne M. Swarts, 2020-01-23 Ephraim Moses Lilien 1874 1925 was one of the most important Jewish artists of modern times As a successful illustrator photographer painter and printer he became the first major Zionist artist Surprisingly there has been little in depth scholarly research and analysis of Lilien's work available in English making this book an important contribution to historical and art historical scholarship Concentrating mainly on his illustrations for journals and books Lynne Swarts acknowledges the importance of Lilien's groundbreaking male iconography in Zionist art but is the first to examine Lilien's complex and

nuanced depiction of women which comprised a major dimension of his work Lilien's female images offer a compelling glimpse of an alternate independent and often sexually liberated modern Jewish woman a portrayal that often eluded the Zionist imagination Using an interdisciplinary approach to integrate intellectual and cultural history with issues of gender Jewish history and visual culture Swartz also explores the important fin de siècle tensions between European and Oriental expressions of Jewish femininity The work demonstrates that Lilien was not a minor figure in the European art scene but a major figure whose work needs re-reading in light of his cosmopolitan and national artistic genius **Enclosure** Gary Fields, 2017-09-05 Enclosure marshals bold new arguments about the nature of the conflict in Israel Palestine Gary Fields examines the dispossession of Palestinians from their land and Israel's rationale for seizing control of Palestinian land in the contexts of a broad historical analysis of power and space and of an enduring discourse about land improvement Focusing on the English enclosures which eradicated access to common land across the English countryside Amerindian dispossession in colonial America and Palestinian land loss Fields shows how exclusionary landscapes have emerged across time and geography Evidence that the same moral legal and cartographic arguments were used by enclosers of land in very different historical environments challenges Israel's current claim that it is uniquely beleaguered This comparative framework also helps readers in the United States and the United Kingdom understand the Israeli Palestinian conflict in the context of their own histories **The Damascus Affair** Jonathan Frankel, 1997-01-13 In February 1840 an Italian monk and his servant disappeared in Damascus Many Jews in that city were charged with ritual murder and tortured until they confessed The case turned into a cause célèbre across much of the western world even becoming a factor in the major diplomatic conflicts of the period and produced an explosion of polemics fantastic theories and strange projects The religious revival and romanticism of the period provided fertile soil for every speculation This 1997 book the first since 1840 to analyse the affair assesses the Damascus affair as a factor in European and Jewish politics of the time as a chapter in Jewish history and historiography and as the stuff of radically conflicting myths myths which eventually fed into the Holocaust and the establishment of the state of Israel *War Without End* Anton La Guardia, 2003-05-23 With an experienced journalist's eye La Guardia offers a close look at the Israelis as they come to terms with the post-Zionist demolition of national myths and the Palestinians as they try to build their own state 16 illustrations [The Axis of World History](#) Yuri Okunev, 2008-05-06 There is no available information at this time **Fifty Key Jewish Thinkers** Dan Cohn-Sherbok, 2007-06-11 Fifty Key Jewish Thinkers is a panoramic survey of over 2 000 years of Jewish thought religious and secular ancient and modern Now in its second edition this essential reference guide contains new introductions to the lives and works of such thinkers as Hannah Arendt Immanuel Levinas Judith Plaskow Sigmund Freud and Walter Benjamin Also including fully updated guides to further reading on figures from the middle ages through to the twenty-first century historical maps and a chronology placing the thinkers in context this is an essential and affordable one-volume reference to a rich and complex tradition [The Rise of Israel](#) Jonathan

Adelman,2008-03-25 This book provides a general history of the rise of Israel since the early Zionist efforts at state building In particular it seeks to show how unlikely Israel s creation was and that it should best be understood as a series of revolutions Holy War in Judaism Reuven Firestone,2012-07-12 Holy war sanctioned or even commanded by God is a common and recurring theme in the Hebrew Bible Rabbinic Judaism however largely avoided discussion of holy war in the Talmud and related literatures for the simple reason that it became dangerous and self destructive Reuven Firestone s Holy War in Judaism is the first book to consider how the concept of holy war disappeared from Jewish thought for almost 2000 years only to reemerge with renewed vigor in modern times The revival of the holy war idea occurred with the rise of Zionism As the necessity of organized Jewish engagement in military actions developed Orthodox Jews faced a dilemma There was great need for all to engage in combat for the survival of the infant state of Israel but the Talmudic rabbis had virtually eliminated divine authorization for Jews to fight in Jewish armies Once the notion of divinely sanctioned warring was revived it became available to Jews who considered that the historical context justified more aggressive forms of warring Among some Jews divinely authorized war became associated not only with defense but also with a renewed kibbush or conquest a term that became central to the discourse regarding war and peace and the lands conquered by the state of Israel in 1967 By the early 1980 s the rhetoric of holy war had entered the general political discourse of modern Israel In Holy War in Judaism Firestone identifies analyzes and explains the historical conceptual and intellectual processes that revived holy war ideas in modern Judaism
