Florence Nightingale and the Health of the Raj Jharna Gourlay, 2017-05-15 Florence Nightingale and the Health of the Raj presents in detail Nightingale's involvement with India and Indians and shows how she progressed from being concerned with the narrow sphere of army sanitation to the socio economic condition of the whole of India. Despite her interest in the country Florence Nightingale never actually visited India yet she still managed to instigate and inspire a number of sanitary and social reforms there. Starting in 1857 with army sanitation she had by the end of her involvement with India in 1896 shifted her attention to such social issues as village sanitation and female education. In between she was involved with the development of hospitals, irrigation, famine relief, the land tenure system in Bengal, urban sanitation and female nursing. In Florence Nightingale and the Health of the Raj Jharna Gourlay covers all these aspects of Florence Nightingale's work, tracing her political involvement and her growing awareness of Indian problems, showing how she gradually moved from an imperialist position to one advocating power sharing with Indians. Her story is also one of how a private individual without official position, moreover a woman in a patriarchal society, could influence government policy and public opinion on matters of immense importance. Based on primary sources from both Britain and India, particularly her own correspondence and articles, this book tells Florence Nightingale's story through her own words whilst simultaneously placing it in the wider historical context. As such it will prove a fascinating and illuminating study for a wide range of scholars interested in nineteenth century imperialist, medical, gender and social history.

Commonwealth Public Address Marian B.

McLeod, 2007. Until recent years oratory was considered a fundamental component of the literature of a nation and a liberal education implied a knowledge of the great speakers and their principal speeches, no less than of the important poems, plays and prose works. For some time, however, the study of literature has been reduced in many places to just two genres: poetry and prose fiction. But of late literary studies have expanded considerably to include speeches, children's and juvenile literature, historiography, diaries and journals, memoirs, letters, science and fantasy fiction, even graffiti and inscriptions. Increasingly papers on Commonwealth speakers are heard at national and international conferences and found in scholarly journals, and the speeches of famous persons are studied with the same intensity as their imaginative works. As a result rhetorical theories and communication studies have developed rapidly in order to better evaluate speeches or public address. The papers included in this collection suggest the range of studies of Commonwealth public address: historical, comparative, analytical and survey. They examine the effectiveness of some of the major figures in world affairs: G. K. Goldhale and B. G. Tilak, India; Jessie Street and R. G. Menzies, Australia; Maurice Bishop, Grenada; and Cheddi Jagan and Forbes Burnham, Guyana. In addition, it considers African and Canadian oratory and the relationship of speeches to history and politics, concluding with a proposed canon of Commonwealth public address.

Rise of Reason Hulas Singh, 2015-09-25

This book offers one of the first critical evaluations and in-depth analysis of the intellectual movement in Maharashtra in the 19th century. Arguing

against the prevalent view that Indian rationality was imported from Europe through the colonial agency it traces the rational roots of the movement to indigenous intellectual traditions and history It also questions the centrality assigned to the Bengal Renaissance as being the representative of the contemporary intellectual movement in the country Strongly grounded in primary research this volume brings forth many new facts and facets into the scholarly discourse on topics such as the idea of Drain and the rise of Indian nationalism so far seen as a predominantly political process divorced from its cultural dimensions It re examines the view that cultural consciousness that preceded political agitation was a separate sphere of activity and suggests that both were integral stages of anti colonialism in the country The author maintains that rationalism and nationalism were closely connected as a means and end continuum He also provides a new and substantially different understanding of the 19th century intellectuals Mahatma Jotirao Phule and Pandita Ramabai among others Lucid accessible and thought provoking this book will interest scholars and researchers of modern Indian history Indian political thought sociology philosophy and Marathi literature

The Indian Nationalist Movement 1885-1947: Select Documents NA NA,2015-12-22 **Madras Christian College Magazine** ,1913 *Freedom First* ,1974 **Select List of Recent Publications** East-West Center. Library,1966 Literature and Psychology: An Interdisciplinary Approach Dr. Prem Shankar Pandey, Literature and Psychology An Interdisciplinary Approach brings together two captivating fields each with its own unique ability to explore and illuminate the human experience The book is based on Call for Book Chapters in which chapters are received from reputed institutions of India along with Iran and Nigeria This book presents the intricate interplay between Literature and Psychology examining how they inform and enrich each other opening up new avenues of understanding and insights The chapters within this volume cover a broad range of topics including the psychological analysis of literary characters examination of literary texts through Psychological theories the influence of literature on psychological well being and essence of Psycholinguistics By integrating these diverse perspectives the reader will get the deeper appreciation of the power of literature to illuminate the human psyche and the relevance of psychological insights in understanding literary works This anthology aims to serve as a valuable resource for scholars students and enthusiasts of both Literature and Psychology where it offers a unique paradigm for connecting the two disciplines together and inspiring them for further research dialogue and cross pollination of ideas *Perspectives on Educating the Poor* Yogesh Atal,1997 With referenc to India **Canon of Commonwealth Literature** Alan Lindsey McLeod,2013-08-01 Canon of Commonwealth Literature **Encyclopaedia of Eminent Thinkers** K. S. Bharathi,1998 In Indian context Proceedings of the Council of the Governor of Bombay Assembled for the Purpose of Making Laws Bombay (India : State). Legislature. Legislative Council,1901 **The Select Gokhale** Gopal Krishna Gokhale,1968 Disenchanted India Johannes Quack,2012 India is frequently represented as the quintessential land of religion Johannes Quack challenges this representation through an examination of the contemporary Indian rationalist organizations groups who affirm the values and attitudes of atheism

humanism or free thinking Quack shows the rationalists emphasis on maintaining links to atheism and materialism in ancient India and outlines their strong ties to the intellectual currents of modern European history At the heart of Disenchanted India is an ethnographic study of the organization Andhashraddha Nirmulan Samiti Organization for the Eradication of Superstition based in the Indian State of Maharashtra Quack gives a nuanced account of the Organization s specific mode of unbelief He describes the group s efforts to encourage a scientific temper and to combat beliefs and practices that it regards as superstitious Quack also shows the role played by rationalism in the day to day lives of the Organization s members as well as the Organization s controversial position within Indian society Disenchanted India contributes crucial insight into the nature of rationalism in the intellectual life and cultural politics of India

Gandhi Before India Ramachandra

Guha,2014-04-15 Here is the first volume of a magisterial biography of Mohandas Gandhi that gives us the most illuminating portrait we have had of the life the work and the historical context of one of the most abidingly influential and controversial men in modern history Ramachandra Guha hailed by Time as Indian democracy s preeminent chronicler takes us from Gandhi s birth in 1869 through his upbringing in Gujarat his two years as a student in London and his two decades as a lawyer and community organizer in South Africa Guha has uncovered myriad previously untapped documents including private papers of Gandhi s contemporaries and co workers contemporary newspapers and court documents the writings of Gandhi s children and secret files kept by British Empire functionaries Using this wealth of material in an exuberant brilliantly nuanced and detailed narrative Guha describes the social political and personal worlds inside of which Gandhi began the journey that would earn him the honorific Mahatma Great Soul And more clearly than ever before he elucidates how Gandhi s work in South Africa far from being a mere prelude to his accomplishments in India was profoundly influential in his evolution as a family man political thinker social reformer and ultimately beloved leader In 1893 when Gandhi set sail for South Africa he was a twenty three year old lawyer who had failed to establish himself in India In this remarkable biography the author makes clear the fundamental ways in which Gandhi s ideas were shaped before his return to India in 1915 It was during his years in England and South Africa Guha shows us that Gandhi came to understand the nature of imperialism and racism and in South Africa that he forged the philosophy and techniques that would undermine and eventually overthrow the British Raj Gandhi Before India gives us equally vivid portraits of the man and the world he lived in a world of sharp contrasts among the coastal culture of his birthplace High Victorian London and colonial South Africa It explores in abundant detail Gandhi s experiments with dissident cults such as the Tolstoyans his friendships with radical Jews heterodox Christians and devout Muslims his enmities and rivalries and his often overlooked failures as a husband and father It tells the dramatic profoundly moving story of how Gandhi inspired the devotion of thousands of followers in South Africa as he mobilized a cross class and inter religious coalition pledged to non violence in their battle against a brutally racist regime Researched with unequaled depth and breadth and written with extraordinary grace and clarity Gandhi Before India is on

every level fully commensurate with its subject It will radically alter our understanding and appreciation of twentieth century India s greatest man **Selected Speeches M. Venkaiah Naidu** Publications Division, This book comprises speeches delivered by the Honourable Vice President of India Shri M Venkaiah Naidu since his assumption of office as the 13th Vice President of India on the 11th of August 2017 The Vice President has during the last one year addressed more than 400 meetings covering a wide range of audiences on a variety of topics ranging from Education to National Security and from Agriculture and Culture to Science and Technology He has addressed a number of convocations and has delivered keynote addresses and memorial lectures in all the States and Union Territories of our country The book contains 92 speeches and is categorized into six broad sections Functioning of Legislatures Nation and Nationalism Polity and Governance Economic Development Media and India and the World The speeches included in this volume provide an insight into the Vice President s perspective and vision on a wide range of issues confronting the nation They have been edited and compiled in a way that ensures stylistic continuity flow and ease of reading Hence they deviate slightly from the version that was delivered We hope that this collection of speeches delivered between September 2017 and August 2018 will make an interesting read and will act as an important source of reference and record **The Selected Works of Maulana Abul Kalam Azad: 1952-1952** Ravindra Kumar,1991 Selected Readings on Strategic Information Systems Hunter, M. Gordon,2008-08-31 This book offers research articles on key issues concerning information technology in support of the strategic management of organizations Provided by publisher Selected Works of Maulana Abul Kalam Azad Ravindra Kumar,1991 *Selected Works of Vithalbhai J. Patel: 1918-1919* Vithalbhai Jhaverbhai Patel,1995 By an Indian politician during 1918 1933
