## Selected Bibliography Of Korean Studies:

**Selected Bibliography of Korean Studies** Academy of Korean Studies,1995      Selected Bibliography of Korean Studies ,1900\*      **Resources for Korean Studies** ,2010      *Resources for Korean Studies* Han'guk Kukche Kyoryu Chaedan,2003      Resources for Korean Studies ,2010      **Resources for Korean Studies** ,1997      **Resources for Korean Studies** ,1995      Resources for Korean Studies Han'guk Kukche Kyoryu Chaedan,1995      *Select Bibliography of Korean Studies* Academy of Korean Studies,1995      *Handbook for Asian Studies Specialists* Noriko Asato,2013-10-08 An indispensable tool for librarians who do reference or collection management this work is a pioneering offering of expertly selected print and electronic reference tools for East Asian Studies Chinese Japanese and Korean Handbook for Asian Studies Specialists A Guide to Research Materials and Collection Building Tools is the first work to cover reference works for the main Asian area languages of China Japan and Korea Several leading Asian Studies librarians have contributed their many decades of experience to create a resource that gathers major reference titles both print and online that would be useful to today s Asian Studies librarian Organized by language group it offers useful information on the many subscription based and open source electronic tools relevant to Asian Studies This book will serve as an essential resource for reference collections at academic libraries Previously published bibliographies on materials deal with China or Japan or Korea but none have coalesced information on all three countries into one work or are written in English And unlike the other resources available this work provides the insight needed for librarians to make informed collection management decisions and reference selections      Historical Dictionary of the Republic of Korea Andrew C. Nahm,James Hoare,2004 This dictionary presents a balanced and objective view of South Korea providing a long perspective and covering varied aspects of South Korean life Domestic political and social events foreign affairs economic and cultural developments and the men and women who have influenced the country s history are reviewed in the more than 400 entries many of which are new or have been updated from the first edition The dictionary s chronology and historical narrative also updated cover the entire history of Korea for the benefit of readers who have little or no knowledge of the overall history of the Korean people The extensive bibliography has been updated to include the most current and best books journals and websites making this a valuable reference source for the scholar student and general reader      *Historical Dictionary of the Korean War* Paul M. Edwards,2010-06-10 The Korean War has often been regarded as a forgotten war although that is certainly unfair It was if anything a rather crucial war within the ambit of the Cold War started by North Korea in 1950 and although the bulk of the fighting was over by 1954 peace has never been concluded and the two sides still face off over the demilitarized zone On the other side of the zone is South Korea which has since become a very prosperous and democratic country while North Korea has achieved relatively little So that war is certainly not forgotten by the Koreans And given the large number of deaths and casualties it is still remembered by many in the United States and other allies as well as China and the Soviet Union This Historical Dictionary of the Korean War

now in its second edition does much to jolt our memory and inform us about the war This is done first in a lengthy chronology tracking the war but also the path to war and what happened after The introduction covers the war as a whole trying to make sense of it The dictionary section provides all of the necessary details on significant persons places and events battles and other engagements military units and material as well as the political economic and social background There are also maps and a list of acronyms This is really the ideal source for information in addition to which it also has an extensive bibliography

**Historical Dictionary of the Republic of Korea** James E. Hoare, 2020-10-13 South Korea Republic of Korea is the more successful of the two Koreas in both economic and political terms Even the Asian economic crisis of 1997 1998 which hit badly was weathered successfully and when the next crisis came along in 2007 South Korea coped better than many other countries This economic strength taken with the steady progress of democratization since 1987 indicates that when the peninsula is eventually reunified as one day it probably will be a new unified Korea will follow the South Korea model rather than that of North Korea This fourth edition of Historical Dictionary of the Republic of Korea contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Republic of Korea

*Encyclopedia of Library and Information Science* Allen Kent, Harold Lancour, Jay E. Daily, 1977-05-01 The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes This thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science Impeccably researched cross referenced alphabetized by subject and generously illustrated the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field

**A New History of Korea** Ki-baik Lee, 1988-03-15 One of the first most widely read and respected histories of Korea Ki-baik Lee's *Han-guksa Sillon* has been translated into English by Edward W. Wagner A New History of Korea offers Western readers a distillation of the best scholarship on Korean history and culture from the earliest times to the student revolution of 1960

Select List of Recent Publications East-West Center. Library, 1963

**Peace and Security in Northeast Asia** Young Whan Kihl, Peter Hayes, 1997 Details North Korea's technology infrastructure and institutions and discusses difficulties the country faces in creating alternatives to a nuclear weapons program within the context of maintaining environmentally sound ecologically sustainable energy development in the region Contains sections on nuclear reactors and technology transfer economic sanctions and incentives strategy and confidence building and Korea and the major powers Includes appendixes of documents Paper edition unseen 24 95 Annotation copyright by Book News Inc Portland OR

*Understanding Korean Literature* Hŭng-gyu Kim, 1997 Understanding Korean Literature Han-guk munhak ui

ihae introduces the development and characteristics of the various historical and contemporary genres of Korean literature in a refreshingly clear way It also presents detailed explanations of the development of a literary Korean language and of literacy and a reading public in Korea A brief history of literary criticism both traditional and modern is included to give the discussion historical context This translation provides a long overdue source on Korean literature that can be used as a reference or text in Korean and Asian studies courses and as a general introduction to Korean literature for students of literature

*Korea - A Religious History* James H. Grayson, 2013-11-05 No other comprehensive history of religion in Korea available in English

*Korea A History* Bong-youn Choy, 2012-09-04 This detailed scholarly history of Korea is a comprehensive political and socioeconomic history from 57 B C to modern times including North and South Korea Specializing in Korean industrial structure economic planning and administration the author presents a concise yet readable historical approach to a greater understanding of Korea s position in East Asia The author a political scholar and experienced linguist bases his text on primary Korean and Japanese sources thus providing much information previously unavailable to English speaking people Ancient Korea is covered in the first chapter The Three Kingdoms and also in the six subsequent chapters dealing with feudalism land reform and early Korean social structure The thirteen succeeding chapters bring the history to modern times They include a valuable account of Japanese colonial policy and the struggle for independence of the Korean people the Korean War its development offensives and counteroffensives factionalism the politics of Syngman Rhee and his twelve years of one man rule the background of the student revolutions foreign relations nationalism and neutrality and the important comparative studies concerning Communism and the governments of North and South Korea The concluding chapter deals with the future of Korea and its role in rapidly changing East Asia
