Selected Essays on Music Vladimir Vasil'evich Stasov, 1968 **Sound Judgment** Richard Leppert, 2023-05-31 The essays in *Sound Judgment* span the full career of Richard Leppert from his earliest to work that appears here for the first time on subjects drawn from early modernity to the present concerning music both popular and classical European and North American. Noted for his path breaking interdisciplinary scholarship on music and visual culture the collection includes key essays on music's visualization in art practices in virtually all visual media including film. The fourteen essays comprising this volume demonstrate Leppert's many contributions to critical musicology particularly in the areas of aesthetics as well as social and intellectual history all of it grounded in a heterodox body of critical and cultural theory with the work of Theodor W. Adorno particularly noteworthy. The collection is preceded by an introduction in which Leppert traces his intellectual development defined in large part by the social cultural and political upheavals of the 1960s and their aftermath both in the academy and in society at large.

Music in the World Timothy D. Taylor, 2017-04-11 In music studies Timothy D. Taylor is known for his insightful essays on music globalization and capitalism. *Music in the World* is a collection of some of Taylor's most recent writings essays concerned with questions about music in capitalist cultures covering a historical span that begins in the late nineteenth and early twentieth centuries and continues to the present. These essays look at shifts in the production dissemination advertising and consumption of music from the industrial capitalism of the nineteenth century to the globalized neoliberal capitalism of the past few decades. In addition to chapters on music capitalism and globalization *Music in the World* includes previously unpublished essays on the continuing utility of the concept of culture in the study of music a historicization of treatments of affect and an essay on value and music. Taken together Taylor's essays chart the changes in different kinds of music in twentieth and twenty first century music and culture from a variety of theoretical perspectives.

Selected Essays on Music Vladimir Vasil'evich Stasov, 1968 *Reading Music* Susan McClary, 2017-07-05 This outstanding collection of Susan McClary's work exemplifies her contribution to a bridging of the gap between historical context culture and musical practice. The selection includes essays which have had a major impact on the field and others which are less known and reproduced here from hard to find sources. The volume is divided into four parts: Interpretation and Polemics Gender and Sexuality Popular Music and Early Music. Each of the essays treats music as cultural text and has a strong interdisciplinary appeal. Together with the autobiographical introduction they will prove essential reading for anyone interested in the life and times of a renegade musicologist.
