Look To The North Star A Life Of William King:

Look to the North Star Victor Ullman, 1969 More than a century ago one man with deep convictions and a country with benign ideals combined to create a place where black self emancipation black freedom could flourish The man was William King a slaveowner and Presbyterian minister educated to the stern moralities of Edinburgh The country was Canada and **Look to the North Star** is a vivid account of Buxton the community in western Ontario which the Reverend Mr King and his slaves founded in 1849 as a haven for black fugitives both slave and free in the harsh years before the Civil War Jacket

Look to the North Star Victor Ullman, 1994 **Fugitive Slaves and Spaces of Freedom in North America** Damian Alan Pargas, 2020-09-08 This volume introduces a new way to study the experiences of runaway slaves by defining different spaces of freedom they inhabited It also provides a groundbreaking continental view of fugitive slave migration moving beyond the usual regional or national approaches to explore locations in Canada the U S North and South Mexico and the Caribbean Using newspapers advertisements and new demographic data contributors show how events like the Revolutionary War and westward expansion shaped the slave experience Contributors investigate sites of formal freedom where slavery was abolished and refugees were legally free to determine the extent to which fugitive slaves experienced freedom in places like Canada while still being subject to racism In sites of semiformal freedom as in the northern United States fugitives claims to freedom were precarious because state abolition laws conflicted with federal fugitive slave laws Contributors show how local committees strategized to interfere with the work of slave catchers to protect refugees Sites of informal freedom were created within the slaveholding South where runaways who felt relocating to distant destinations was too risky formed maroon communities or attempted to blend in with free black populations These individuals procured false documents or changed their names to avoid detection and pass as free The essays discuss slaves motivations for choosing these destinations the social networks that supported their plans what it was like to settle in their new societies and how slave flight impacted broader debates about slavery This volume redraws the map of escape and emancipation during this period emphasizing the importance of place in defining the meaning and extent of freedom Contributors Kyle Ainsworth Mekala Audain Gordon S Barker Sylviane A Diouf Roy E Finkenbine Graham Russell Gao Hodges Jeffrey R Kerr Ritchie Viola Franziska M ller James David Nichols Damian Alan Pargas Matthew Pinsker A volume in the series Southern Dissent edited by Stanley Harrold and Randall M Miller **The Houses of Buxton** Patricia Lorraine Neely, 2005 **The Queen's Bush Settlement** Linda Brown-Kubisch, 2004-02-20 The Black pioneers 1839 1865 who cleared the land and established the Queen's Bush settlement in that section of unsurveyed land where present day Waterloo and Wellington counties meet near Hawkesville are the focus of this extensively researched book Linda Brown Kubisch's attention to detail and commitment to these long neglected settlers re-establishes their place in Ontario history Set in the context of the early migration of Blacks into Upper Canada this work is a must for historians and for genealogists involved in tracing family connections with these

pioneer inhabitants of the Queen's Bush In the 19th century one of the most important areas of settlement for fugitive American slaves was the Queen's Bush then an isolated region in the backwoods of Ontario Despite much recent attention to African Canadian history the Queen's Bush remains a remote territory for historical scholarship Linda Brown Kubisch offers a pioneering entry into that gap With a jeweller's eye for the biological subject Brown Kubisch introduces the courageous Black adventurers and the hardships they faced in Canada James Walker Professor of History University of Waterloo and author of *The Black Loyalists* 1976 1992 and *Race Rights and the Law* 1997

The History of Blacks in Canada George H. Junne, 2003-03-30 This fascinating bibliography of source materials clearly demonstrates the significant roles blacks have played in the history and culture of Canada from its beginnings as well as their 400 year fight for equity and justice Organized by area of endeavor and by province the source materials detailed here reveal that blacks in Canada have created a rich diverse and complex legacy This volume lists resources that point to blacks history as soldiers prospectors educators cowboys homesteaders entertainers legislators athletes artists servants and writers The most comprehensive bibliography about blacks in Canada that has been published it is well organized to facilitate locating specific topics or people spanning black history Also included are newspapers and videos that add their own unique contribution Academicians researchers students and interested lay people will find an organized compilation of a vast number of primary and secondary sources about blacks in Canada

Nineteenth-century Ontario Susan E. Houston, Alison L. Prentice, 1988-01-01 Nineteenth century educational reformers were fond of an agricultural metaphor when it came to the provision of more and better schooling even good land they argued had to be cultivated othersie noxious weeds sprang up In this study of education in Ontario from the establishment of Upper Canada to the end of Egerton Ryerson s career as chief superintendent of schools in 1876 Susan Houston and Alison Prentice explore the roots of the provincial public school system set up to instill a work ethic and moral discipline appropriate to the new society as well as the beginnings of separate schools today the Ontario school system is once again the subject of intense and often bitter debate Many of the most contentious issues have deep and complex roots that go back to this era Houston and Prentice tell the story of how Ontario came to have a universal school system of exceptional quality and shed valuable light on an area of current concern **Boundless Dominion** Denis McKim, 2017-11-29 A study of the ideas especially regarding providence politics nature and history that influenced the early Canadian Presbyterian worldview

Light of Nature and the Law of God Allen P. Stouffer, 1992-06-01 Allen Stouffer s analysis of Ontario s response to the freedmen reveals a virulent strain of racism that helps to explain why British North Americans were slow to join their British and American counterparts in the North Atlantic antislavery triangle After exploring the Canadian churches mixed reaction to antislavery he applies cliometrics to draw a socio economic profile of Canadian antislavery s leaders and followers

Employing British American and Canadian primary sources Stouffer has written this study the first book length examination of Canadian antislavery from a British North American perspective Earlier studies concluded that Canadian anti slavery was largely the result of Canada s proximity to the United States a proximity which precluded Canada s ignoring the situation While Stouffer recognizes the importance of the American influence he shows that the leaders of Canadian anti slavery were immigrants from Britain who had been deeply involved in antislavery in their homeland *Bryan Prince's Underground Railroad 2-Book Bundle* Bryan Prince,2016-06-13 Award winning author Bryan Prince portrays the experiences of slaves and former slaves in these compelling histories of the Underground Railroad and American Civil War This special two book collection includes *My Brother s Keeper* African Canadians and the American Civil War The stirring story of African Canadians who had fled slavery and oppression in the United States but returned to enlist in the Union forces in the American Civil War *One More River to Cross* Accused of the attempted murder of a plantation owner in Maryland during the early 1800s Isaac Brown a slave survived harsh punishment escaped was recaptured escaped again and in the face of multiple challenges ultimately made his way to freedom in Canada This is his story **General History of Africa** UNESCO International Committee for the New Volumes of the General History of Africa,2025-10-18 **Blacks in the American West and Beyond--America, Canada, and Mexico** George H. Junne,2000-05-30 Almost a century before their arrival in the English New World Blacks appeared alongside the Spanish in what is now the American West Through their families communities and institutions these Western Blacks left behind a long history which is just now beginning to receive systematic scholarly treatment Comprehensively indexing a variety of research materials on Blacks in the North American West Junne offers an invaluable navigational tool for students of American and African American history Entries are organized both geographically and topically and cover a broad range of subjects including cross cultural interaction health art and law Contains a complete compilation of African American newspapers *The Underground Railroad* Kerry Walters,2012-03-09 Full of true stories more dramatic than any fiction The Underground Railroad A Reference Guide offers a fresh revealing look at the efforts of hundreds of dedicated persons white and black men and women from all walks of life to help slave fugitives find freedom in the decades leading up to the Civil War The Underground Railroad provides the richest portrayal yet of the first large scale act of interracial collaboration in the United States mapping out the complex network of routes and safe stations that made escape from slavery in the American South possible Kerry Walters stirring account ranges from the earliest acts of slave resistance and the rise of the Abolitionist movement to the establishment of clandestine liberty lines through the eastern and then western regions of the Union and ultimately to Canada Separating fact from legend Walters draws extensively on first person accounts of those who made the Railroad work those who tried to stop it and those who made the treacherous journey to freedom including Eliza Harris and Josiah Henson the real life Eliza and Uncle Tom from Harriet Beecher Stowe s *Uncle Tom s Cabin* *Catalog of Copyright Entries.
