Looking For Loopholes Processes Of Incorporation Of Illegal Immigrants In The Netherlands:

Irregular Migrants in Belgium and the Netherlands Masja Meeteren, 2025-10-01 In *Irregular Migrants in Belgium and the Netherlands* Masja van Meeteren studies the different ways in which irregular migrants live in Belgium and the Netherlands The book offers an empirically grounded theoretical critique of the dominant research practice that focuses on survival strategies relies on comparisons of migrant communities and overemphasizes structural explanations Instead *Irregular Migrants* takes irregular migrants aspirations as a starting point of analysis Based on this innovative research approach key questions are answered regarding the lives of irregular migrants How can we understand their patterns of economic and social incorporation the transnational activities they engage in and the significance of different forms of capital Drawing on intensive participant observation as well as more than two hundred in depth interviews with irregular migrants and representatives of organizations that are involved with them *Irregular Migrants* develops much needed contextualized insights As such it sheds new light on previous research findings and various deadlocked scholarly debates on irregular migrants in Western societies

Illegal Residence and Public Safety in the Netherlands Arjen Leerkes, 2009 *Illegal Residence and Public Safety in the Netherlands* is een onderzoek naar de gevolgen van de steeds drastischere maatregelen om illegaal verblijf in Nederland tegen te gaan EU lidstaten als Nederland hanteren steeds zwaardere voorwaarden voor immigratie vanuit niet westerse landen en niet Europese landen Arjen Leerkes onderzocht in hoeverre het verblijf en de migratie van illegale immigranten gevolgen hebben voor de publieke veiligheid en criminaliteit in Nederland Zijn illegale immigranten eerder geneigd tot criminaliteit of weerhoudt hun juridische status hen er juist van

Illegal Immigration in Europe F. Düvell, 2005-12-15 The processes of globalization increasing human mobility and European integration have led to immigration and in particular illegal immigration being among the top international policy economic and security concerns This book analyzes the causes of illegal immigration in Europe together with the history and political economy of the phenomenon It offers an assessment of contemporary political responses and proposes an alternative approach aiming at a more sustainable solution

An Introduction to Immigrant Incorporation Studies Jan Rath, Marco Martiniello, 2025-10-01 Focusing mainly on the European experience including Eastern Europe this important volume offers an advanced introduction to immigrant incorporation studies from a historical empirical and theoretical perspective Beyond incorporation theories renowned scholars in the field explore incorporation in action in different fields policy issues and normative dimensions

Irregular Migration in Europe Anna Triandafyllidou, 2016-05-06 *Irregular Migration in Europe* contributes to our knowledge of the scale and nature of the much discussed but under researched phenomenon of irregular migration in Europe whilst improving our understanding of the dynamics of irregular migration and its relation to European societies and economies Presenting a comparative analysis of the experiences and policies of different EU member states this book draws on an extensive range of sources many of which have so far been absent from English language analyses to offer an overall

picture of irregular migration in twelve EU member states This volume will be of interest to policy makers and researchers within the fields of migration sociology and social anthropology political science European integration and European studies political science and public administration **Research Handbook on Irregular Migration** Ilse van Liempt, Joris Schapendonk, Amalia Campos-Delgado, 2023-03-02 Moving away from state categorizations on irregular migration this Research Handbook critically examines processes and dynamics that generate and reproduce irregularity and discusses who may count as an irregular migrant **The Routledge Handbook on Crime and International Migration** Sharon Pickering, Julie Ham, 2017-07-14 The Routledge Handbook on Crime and International Migration is concerned with the various relationships between migration crime and victimization that have informed a wide criminological scholarship often driven by some of the original lines of inquiry of the Chicago School Historically migration and crime came to be the device by which Criminology and cognate fields sought to tackle issues of race and ethnicity often in highly problematic ways However in the contemporary period this body of scholarship is inspiring scholars to produce significant evidence that speaks to some of the biggest public policy questions and debunks many dominant mythologies around the criminality of migrants The Routledge Handbook on Crime and International Migration is also concerned with the theoretical empirical and policy knots found in the relationship between regular and irregular migration offending and victimization the processes and impact of criminalization and the changing role of criminal justice systems in the regulation and enforcement of international mobility and borders The Handbook is focused on the migratory fault lines between the Global North and Global South which have produced new or accelerated sites of state control constructed irregular migration as a crime and security problem and mobilized ideological and coercive powers usually reserved for criminal or military threats Offering a strong international focus and comprehensive coverage of a wide range of border criminal justice and migration related issues this book is an important contribution to criminology and migration studies and will be essential reading for academics students and practitioners interested in this field Navigating Borders Ilse van Liempt, 2007 A fascinating study provides an inside perspective into human smuggling processes *Immigration Policy in Europe* Virginie Guiraudon, Gallya Lahav, 2006-11-09 Previously published as a special issue of West European Politics this edited volume evaluates the extent to which a policy gap between inputs and outcomes exists with regard to immigration control In exploring an expanded migration policy field which includes the extreme right the media and actors this book goes beyond traditional analyses that focus on classical moments of policy making and instead seeks to understand the normative and cognitive context in which they operate Taking into account the recent work of migration scholars into variants of the disjuncture theme the comparative studies also highlight the variations across time countries regions and sectors The international list of contributors discuss refugee protection asylum and illegal migration in chapters that fall under three subject areas formulating policy implementing policy international policy making Immigration Policy in Europe will be of great interest to students and scholars of European

studies and British politics Migration Control Logics and Strategies in Europe Claudia Finotelli,Irene Ponzo,2023-04-24

Building upon the concept of migration regime this open access book brings together the works of scholars who have investigated logics and routines of action in the field of immigration control within a single and innovative theoretical framework The chapters cover a wide range of policy domains from visa policy to the externalisation of controls labour migration to asylum internal controls towards irregular migration to restrictions for intra EU mobility By unravelling organisational strategies and practices across Europe the book does not only contribute to dismantling the very idea of the European North South divide in migration but also shows how Europe really works in the field of migration in times of deep economic asylum and health crises In this perspective the book questions the widespread understanding of migration control outcomes as simply the result of more or less effective state policies without considering the embeddedness of the national policy goals and strategies in the dynamic interplay of different economies institutional cultures and geopolitical positions
