Barber,2013-11-05 In the face of the most perilous challenges of our time climate change terrorism poverty and trafficking of drugs guns and people the nations of the world seem paralyzed The problems are too big for governments to deal with Benjamin Barber contends that cities and the mayors who run them can do and are doing a better job than nations He cites the unique qualities cities worldwide share pragmatism civic trust participation indifference to borders and sovereignty and a democratic penchant for networking creativity innovation and cooperation He demonstrates how city mayors singly and jointly are responding to transnational problems more effectively than nation states mired in ideological infighting and sovereign rivalries The book features profiles of a dozen mayors around the world making a persuasive case that the city is democracy s best hope in a globalizing world and that great mayors are already proving that this is so **Rebuilding the**

American Economy United States. Congress. Senate. Committee on Labor and Human Resources,1992 The Unmanageable Consumer Yiannis Gabriel,Tim Lang,2015-09-21 The Unmanageable Consumer has long been one of my favorite books in the sociology of consumption This long overdue third edition has updated and revised the basic argument in many ways Most importantly it now offers a new chapter on the consumer as worker or more generally the prosumer Assign it to your classes I have and will again and read it for your edification George Ritzer Distinguished University Professor University of Maryland USA Western style consumerism is often presented as unstoppable yet its costs mount and its grip on consumer reality weakens In this 20th Anniversary edition Gabriel and Lang restate their thesis that consumerism is more fragile and unmanageable than is assumed by its proponents Consumerism has been both stretched and undermined by globalization the internet social media and other cultural changes Major environmental threats debt squeezed incomes and

social inequalities now temper Western consumers appetite for spending The 20th century Deal first championed by Henry Ford of more consumption from higher waged work looks tattered This edition of *The Unmanageable Consumer* continues to explore 10 different consumer models and encourages analysis of contemporary consumerism It looks at the spread of consumerism to developing countries like India and China and considers the effects of demographic changes and migration and points to new features such as consumers taking on unwaged work New to this edition Coverage of new phenomenon such as social media and emerging markets Explores contemporary topics including the occupy movement and horsemeat scandal A new chapter on the consumer as worker This is a remarkable and important book The new edition updates consumer cultural studies to take into account austerity politics and the economic crisis and the impact these have had on how we think about and experience everyday practices of shopping and consuming The authors also build on and maintain the lively and challenging argument from the previous volumes which sees the consumer as an unstable space for a multiplicity of often contradictory responses which can unsettle the various strategies on the part of contemporary capitalism to have us buy more Angela McRobbie Goldsmiths University of London The book exemplifies how social science should be engaged insightful imaginative scholarly and highly socially and politically relevant Strongly recommended to students academics as well as all people interested in understanding our time and themselves in an age of consumerism and false promises Mats Alvesson Professor of Business Administration Lund University Sweden *Journal of the Senate of the United States of America* United States.
