This is a chronology of the most famous songs from the years before rock n roll The top hits for each year are described including vital information such as song origin artist s and chart information For many songs the author includes any web or library holdings of sheet music covers musical scores and free audio files An extensive collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era s most popular performers lyricists and composers Includes an alphabetical song index and bibliography **George Gershwin** Walter Rimler,2011-02-16 George Gershwin lived with purpose and gusto but with melancholy as well for he was unable to make a place for himself no family of his own and no real home in music He and his siblings received little love from their mother and no direction from their father Older brother and lyricist Ira managed to create a home when he married Leonore Strunsky a hard edged woman who lived for wealth and status The closest George came to domesticity was through his longtime relationship with Kay Swift She was his lover musical confidante and fellow composer But she remained married to another man while he went endlessly from woman to woman Only in the final hours of his life when they were separated by a continent did he realize how much he needed her Fatally ill unprotected by and perhaps estranged from Ira he was exiled by Leonore from the house she and the brothers shared and he died horribly and alone at the age of thirty eight Nor was Gershwin able to find a satisfying musical harbor For years his songwriting genius could be expressed only in the ephemeral world of show business as his brilliance as a composer of large scale works went unrecognized by highbrow music critics When he resolved this quandary with his opera Porgy and Bess the critics were unable to understand or validate it Decades would pass before this his most ambitious composition was universally regarded as one of music s lasting treasures and before his stature as a great composer became secure In *George Gershwin An Intimate Portrait* Walter Rimler makes use of fresh sources including newly discovered letters by Kay Swift as well as correspondence between and interviews with intimates of Ira and Leonore Gershwin It is written with spirited prose and contains more than two dozen photographs

Unfold Your Soul Thea Woods,2020-02-27 Unfold Your Soul is Thea s story of awakening self discovery and freedom From

her earliest memories with her adoptive family in Canada Thea was able to see things others couldn't and connect and commune with what others wouldn't. It took Thea years to learn to release her fear and lean into these gifts. Along the way she reconceptualized being human and the force that is eager to lovingly support our awakening and unfurling. In *Unfold Your Soul* Thea makes us aware of the misaligned ego, the part of all of us that clutches and grasps out of fear and the aligned ego that trusts in the force greater than us. Through her stories readers will be inspired to find that trust within themselves. Find alignment with their authentic Soul self. Embrace encounters that breach the norms of conformity. Have the courage to express their true nature with the world. Chapter by chapter Thea lays out the harrowing journey of her childhood and the spiritual awakening and transformation that allowed her to transcend her conditioning and find the expansive love that is the birthright of all of us.

nicola kraus author of *The Nanny Diaries* Born in Canada and raised in Europe Thea is an author, screenwriter and award winning film director who has worked in Canada, Sweden and Chile. Thea is currently writing her second book *Hyperdrive to Soul Fulfillment*.

He also wrote a number of the classics of musical theater's Golden Age, climaxing with *Annie Get Your Gun*. He penned three Astaire and Rogers films: *Top Hat*, *Carefree* and *Follow the Fleet*, as well as the scores of *Holiday Inn*, *Easter Parade* and other films.
