The Perplex'd Lovers Susanna Centlivre, 2022-08-16 In Susanna Centlivre's comedic play *The Perplex'd Lovers* the intricate web of love misunderstanding and societal expectations is deftly unraveled through sharp dialogue and clever plot twists. Written in the early 18th century, this play encapsulates the nuances of Restoration comedy, showcasing wit that challenges both class structure and gender norms. Centlivre employs a lively mix of verbal sparring and situational irony, demonstrating her profound understanding of human folly while simultaneously critiquing the rigid social conventions of her time, particularly concerning marriage and courtship. Centlivre, one of the most successful female playwrights of her era, was deeply influenced by her experiences in a male-dominated literary landscape. Her own life as a writer, often marginalized in a society that undervalued women's contributions, infused her characters with a spirit of independence and complexity rarely found in works by her contemporaries. Having faced numerous personal trials and triumphs, Centlivre's portrayal of spirited heroines and their perplexities reflects a keen insight into the struggles women faced during the 1700s. This work is essential reading for anyone interested in early modern literature and feminist narratives. Centlivre's masterful blend of humor and critique not only entertains but invites reflection on enduring themes of love and societal constraints. *The Perplex'd Lovers* stands as a delightful testament to her literary prowess and a valuable addition to the canon of English theatre.

Zender, 2021-06-02 Shakespeare and Faulkner explores the moral and ethical dilemmas that characters face inside themselves and in their interactions with others in the works of these two famed authors Karl F Zender's characterological study offers insightful critically rigorous and at times quite personal analyses of the complicated figures who inhabit several major Shakespeare plays and Faulkner novels The two parts of this book the first of which focuses on the English playwright the second on the Mississippi novelist share a common methodology in that they originate in Zender's history as a teacher of and writer on the two authors who until now he generally approached separately He emphasizes the evolving insights gleaned from reading these authors over several decades situating their texts in relation to shifting trends in criticism and highlighting the contemporary relevance of their works The final chapter an extended discussion of Faulkner's *Intruder in the Dust* attempts something unusual in Zender's critical practice It relies less on the close textual analysis that characterizes his previous work and instead explores the intersections between events depicted in the novel and his own life both as a child and as an adult Shakespeare and Faulkner speaks to the power of literature as a form of pleasure and of solace With this work of engaged and thoughtful scholarly criticism Zender reveals the centrality of storytelling to human beings efforts to make sense both of their journey through life and of the circumstances in which they live
