Bollyworld Raminder Kaur, Ajay J Sinha, 2005-07-13 Providing a critique of a common scholarly tendency in the field of popular Indian cinema this text argues that Indian cinema cannot be understood in terms of a national paradigm but must instead be considered as a field of visual and cultural production that interlinks diverse sites in India and beyond

Haunted Florida Love Stories Christopher Balzano, 2020 Wide eyes sweaty palms and a racing heart Are these the tell tale marks of a love story or a haunted tale If the story is set in Florida there's a good chance it's both From the infamous Bellamy Bridge to a haunted lighthouse in Key West love is in the air but it isn't always a good thing Author and folklorist Christopher Balzano follows lingering campus whispers and trails that vanish into the swamp to track down the urban legends and ghostly lore of Sunshine State love affairs that live on even after death **Home Needlework Magazine**, 1908

Primitive Love and Love-stories Henry T. Finck, 1899 Literary News, 1895 New York Magazine, 1990-03-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Greatest Stories Ever Told** Dr. Neil A. Mence, 2015-01-20 The Parting of the Red Sea Noah's Ark and the Flood David and Goliath Samson and Delilah the Tower of Babel they're stories we all know only too well But what lies behind them Should they be taken at face value or does each have an underlying message I believe they do but such messages are relevant only when we can apply them to our daily experiences Each day we have our own Red Sea to cross a personal challenge and each day we're called upon to knock down the Walls of Jericho overcome something It often feels that as we move further into the 21st century that

life is becoming increasingly fast paced where the desire for instant answers is the norm I believe that the insights given in this book provide a glimmer of hope and reassurance Enjoy the journey

Disenchantment, Skepticism, and the Early Modern Novel in Spain and France Ann T. Delehanty, 2022-12-16 This volume examines five early modern novels from the seventeenth century in Spain and France as examples of literature as a form of skeptical inquiry Cervantes's Don Quijote Zayas's Desengaños amorosos Scarron's Roman comique Cyrano de Bergerac's L'Autre Monde and Mme de Lafayette's Zayde These early modern novels encourage readers to take a critical stance toward accepted beliefs through content that stages multiple encounters with the shockingly unfamiliar as well as through experiments in literary form especially the interpolated story At its broadest reach this study asserts the fundamental value of literature as a means of encouraging discernment recognizing the illusory and honing critical acuity In terms of the particularity of the historical moment the volume also identifies the early modern novel as uniquely able to represent the conflicting value spheres of early modernity because of its ability to present multiple voices and its fascination with conflicting vantage points Due to its interdisciplinary nature Disenchantment Skepticism and the Early Modern Novel in Spain and France appeals to literary scholars and intellectual historians of the early modern period in Europe as well as to advanced undergraduates and postgraduates studying the early novel intellectual history and philosophy of literature

Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies The Chronicles of Narnia Francine Rivers's Redeeming Love Jan Karon's Mitford novels Left Behind the films of the Sherwood Baptist Church and Duck Dynasty uncover both harmful stereotypes and Christians serving as leaders in social justice

to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Love Is a Story* Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely *Love is a Story* shows you how to find out **The Love Rack** Cecil Roberts, 1925
