Loves Deception:

Works of Love Søren Kierkegaard, 2013-04-21 The various kinds and conditions of love are a common theme for Kierkegaard beginning with his early *Either Or* through *The Diary of the Seducer* and *Judge William's* eulogy on married love to his last work on the changelessness of God's love *Works of Love* the midpoint in the series is also the monumental high point because of its penetrating illuminating analysis of the forms and sources of love Love as feeling and mood is distinguished from works of love love of the lovable from love of the unlovely preferential love from love as the royal law love as mutual egotism from triangular love and erotic love from self giving love This work is marked by Kierkegaard's Socratic awareness of the reader both as the center of awakened understanding and as the initiator of action Written to be read aloud the book conveys a keenness of thought and an insightful poetic imagination that make such an attentive approach richly rewarding *Works of Love* not only serves as an excellent place to begin exploring the writings of Kierkegaard but also rewards many rereadings

Legacy of Emotional Conflict Judi McDowell, 2012-04 Where does a child whose instincts have been destroyed learn to become a loving parent and sane trusting human being who feels equal and worthy in life How does she erase the past and begin anew Counseling retrains the brain yet instinct dominates the thought process depending on the emotions current in any given moment Child abuse is a lifetime struggle from within as well as out It second guesses every aspect of life When things feel right joyful and just the abused soul is the most fearful and ready to deny and reject True freedom and peace may be desired desperately but is rejected for what is familiar what was the normal and the expected from life in the soul of the abused

Faith under Fire: Vanities, Fantasies, Mutiny and Psychedelic Entrapments

Riaan Engelbrech, 2023-01-20 Written in these pages is not doctrine or dogma It is neither intended as an in depth history nor a philosophical lesson This is but a burning cry for the true Bride to awaken from her slumber to reflect on times gone past and to consider her foundations We need to wake up for today's new brand of Christianity is a different gospel and is targeting thousands of the younger generation with a so called hip cool experiential spirituality much of which is embracing a form of mysticism and ecumenical philosophy of uniting people from all faiths to work together and bring about a new world of peace and harmony

Love, Please. Tahera Douglas, 2013-06-25 *Love Please* Is a book with a combination of poems about love loss and recovery TAHERA DOUGLAS is a 21 year old Psychology student currently residing in London She has been writing since she was 12 years old a socially shy person her voice is portrayed in her poetry When writing Tahera views the blank page a stage upon which she tells a story carefully deciphering the image that is created in her mind and delivering a monologue through ink dipped in emotion love and pain Taking inspiration from everything and everyone in life Tahera never fails to deliver in her extraordinary writing and touch people with her graceful rhymes *Love Please* is the first book she has published and hopes to publish many more in the future

IDIOT LOVE and the Elements of Intimacy David Stromberg, 2020-05-05 This book turns our search for intimacy on its head suggesting that our way to creativity in love may

be through idiocy The book takes its readers on a journey through the work of Plato and Melanie Klein in theorizing the dynamics of intimacy while exploring some of the paradoxical aspects of love in works by Fyodor Dostoevsky and French filmmaker Catherine Breillat Revisiting core concepts of how we think about relationships the book lays out a model for relational breakdown the idiot lovecycle in which we are constantly in the flux between seeing ourselves and seeing the other Effecting close readings of literary philosophical and psychoanalytical sources the book draws on parallels between these fields of inquiry while tracing their shared intellectual genealogy suggesting that the tension between Narcissus and Cassandra with its inherent conflicts is also the space through which love emerges from intimacy

Love Analyzed Roger Lamb, 2018-02-20 Philosophers have turned their attention in recent years to many previously unmined topics among them love and friendship In this collection of new essays in philosophical and moral psychology philosophers turn their analytic tools to a topic perhaps most resistant to reasoned analysis erotic love Also included is one previously published paper by Martha Nussbaum Among the problems discussed are the role that qualities of the beloved play in love the so called union theory of love intentionality and autonomy in love and traditional issues surrounding jealousy and morality

Deception's Guard Jacqueline Randolph, 2005-03 DEA agent Skye Mathews is a celebrated DEA agent assigned to the South Central America Region A consummate bilingual actress and pilot her successes are renown in the DEA She is assigned to her most difficult mission that of guarding CEO Rhys Wielde of Genoreach Technologies Inc in his quest to bring his colleagues to justice after they create a deadly biological weapon Despite not knowing the identity of his multi disguised bodyguard Skye and Rhys s adventures take them through three countries four states deceptions assassins betrayals and an unexpected alliance

Love and Lies Clancy Martin, 2015-02-03 A provocative and unsettling look at the nature of love and deception Is it possible to love well without lying At least since Socrates s discourse on love in Plato s Symposium philosophers have argued that love can lead us to the truth about ourselves and the ones we love But in the practical experience of erotic love and perhaps especially in marriage we find that love and lies often work hand in hand and that it may be difficult to sustain long term romantic love without deception both of oneself and of others Drawing on contemporary philosophy psychoanalysis and cognitive neuroscience his own personal experience and such famed and diverse writers on love as Shakespeare Stendhal Proust Adrienne Rich and Raymond Carver Clancy Martin himself divorced twice and married three times explores how love truthfulness and deception work together in contemporary life and society He concludes that learning how to love and loving well inevitably requires lying but also argues that the best love relationships draw us slowly and with difficulty toward honesty and trust

Love and Lies is a relentlessly honest book about the difficulty of love which is certain to both provoke and entertain

Kathleen O'Dwyer, 2009 *The Possibility of Love* is an exploration of a concept close to the human heart. Grounded in the ordinary everyday experiences of human living, the book provides an exploration of the diverse obstacles to the experience of love, the consequences of love's absence, and the unquenchable desire for love which propels influences and ultimately motivates much of human behaviour. *The Possibility of Love* poses the question: is love actually possible between human beings, or is it an ideal, a fantasy, an illusion, or a comforting aspiration which enables a palliative denial and distortion of the reality of human being? This expansive question is approached through an interdisciplinary analysis. The author addresses the question of love's possibility as it is explored in a selection of literature from the disciplines of philosophy, psychoanalysis, and poetry. The interdisciplinary nature of the study is based on the assertion of an interconnection between the three disciplines, and that this interconnection enables a unique and insightful exploration of the question of love's possibility. Thus, the question is explored from diverse viewpoints and also from different time frames; convergences and divergences are noted and discussed, and conclusions are drawn from the ensuing findings. The book is essentially a philosophical analysis of an emotion that significantly impacts on human experience. It attests to the gradually increasing acknowledgement of the power of emotional experience in the search for knowledge, wisdom, and truth. Thus, it is a uniquely honest exploration of human nature in contemporary times.

The Courage to Love: Surviving and Thriving in Your Relationship Colm O'Connor, 2013-03-08 Dr Colm O'Connor, a clinical psychologist and couples therapist, has for over twenty years explored the emotional lives of couples and researched hundreds of cases of couples in distress. Looking beneath the surface of everyday complaints, *The Courage to Love* reveals those insights and shows how we seek solutions to life's most essential questions in close relationships. It answers common questions that we often ask, such as: Why do we constantly argue about trivial things? Why do we have to win an argument at all? Why is it that we often forget what it is we end up fighting about? How is it that love can deteriorate into abuse? In answering these kinds of questions, Dr O'Connor shows what is ultimately at stake for people in winning an argument, starting a fight, proving a point, triumphing in divorce, or abusing a lover, and presents a range of solutions that are not about how to control relationships but how to inhabit them. Painting a dramatic portrait of love as a heroic response to human vulnerability, *The Courage to Love* shines new light on how relationship breakdown happens and provides a guide for getting back on track.
