## Loves Of Franz Kafka:

*The Loves of Franz Kafka* Nahum Norbert Glatzer, 1986      **The Loves of Franz Kafka** Nahum Norbert Glatzer, 1986  
Bibliography p 83      *Kafka in Love* Jacqueline Raoul-Duval, 2012-11-13 Kafka was an attractive slender and elegant man something of a dandy who captivated his friends and knew how to charm women He seemed to have had four important love affairs Felice Julie Milena and Dora All of them lived far away in Berlin or Vienna and perhaps that s one of the reasons that he loved them he chose long distance relationships so he could have the pleasure of writing to them without the burden of having to live with them He was engaged to all four women and four times he avoided marriage At the end of each love affair he threw himself into his writing and produced some of his most famous novels Amerika The Trial and The Castle In this charming book author Jacqueline Raoul Duval follows the paper trail of Kafka s ardor She uses his voice in her own writing and a third of the book is pulled from Kafka s journals It is the perfect introduction to this giant of world literature and captures his life and romances in a style worthy of his own      **Kafka, Love and Courage** Mary Hockaday, 1997-03  
Hockaday a journalist with the BBC World Service presents Jesenka as much more than Kafka s lover and correspondent describing her work as a journalist her association with the literary circles of Prague and Vienna which included Max Brod and Hermann Broch and her involvement with the underground resistance after Germany s invasion of Czechoslovakia until her arrest and detention in Ravensbruck concentration camp Annotation copyrighted by Book News Inc Portland OR      [The Deep Heart of Franz Kafka](#) Deepak Gupta, 2024-11-30 Don t bend don t water it down don t try to make it logical don t edit your soul according to fashion Rather follow your most intense obsessions mercilessly Franz Kafka Franz Kafka wrote I am free that is why I m lost Assume you wake up and the entire world is against you You want to follow yourself but the people are dominant on you to do what they want We don t feel chains until we move Franz Kafka was not a body to be defined but a soul and heart to be felt When you zoom out on his life you will find only a miserable life and a soul that was stubborn to his writings and events and nothing else and you may feel he was perpetually afraid of social life friends and even his own marriage and resulting Kafka never married his entire life and had no children He was a personality who blamed himself more than other people Even his own father Hermann Kafka was against his writing profession and in that dominance he carried out that long exhausting job of an insurance clerk for too long examining dead bodies and even after he created enough time for writing and crafted the eternal masterpieces like The Trial and Metamorphosis even though he told his literary editor and best friend Max Brod to burn all his scripts unread after his death but fortunately he didn t Kafkaesque the surrealism of Kafka is widely popular in the entire world It s a state of strange confusing oppressing and nightmarish situation like what Kafka felt in his entire life His novels are a depiction of surrealism and his state represents where people feel powerless against big not like a hermit that wouldn t be enough but like a dead man Franz Kafka      *Forgiving the Angel* Jay Cantor, 2014-11-18 A thought provoking sometimes heartbreaking sequence of stories based on a group of real people

held together by their love of Franz Kafka Here friends fans and lovers find themselves haunted by the death of the great author Imbued with a gravitas and dark irony that recall Kafka s own work these stories nonetheless also bear the singular imaginary stamp and the keen psychological and emotional insight that have marked all of Jay Cantor s writing

**Kierkegaard and the Philosophy of Love** Michael Strawser,2015-10-08 Ironically the philosophy of love has long been neglected by philosophers so called lovers of wisdom who would seemingly need to understand how one best becomes a lover In Kierkegaard and the Philosophy of Love Michael Strawser shows that the philosophy of love lies at the heart of Kierkegaard s writings as he argues that the central issue of Kierkegaard s authorship can and should be understood more broadly as the task of becoming a lover Strawser starts by identifying the questions How should I love the other Is self love possible How can I love God and themes love s immediacy intentionality unity and eternity that are central to the philosophy of love and he develops a rich context that includes analyses of the conceptions of love found in Plato Spinoza and Hegel as well as prominent contemporary thinkers Strawser provides an original and wide ranging analysis of Kierkegaard s writings from the early The Concept of Irony and Edifying Discourses to the late The Moment while maintaining the prominence of Works of Love to demonstrate how Kierkegaard s writings on love are relevant to the emerging study of the philosophy of love today The most unique perspective of this work however is Strawser s argument that Kierkegaard s writings on love are most fruitfully understood within the context of a phenomenology of love In interpreting Kierkegaard as a phenomenologist of love Strawser claims that it is not Husserl and Heidegger that we should look to for a connection in the first instance but rather Max Scheler Dietrich von Hildebrand Emmanuel Levinas and most importantly Jean Luc Marion who for the most part center their thinking on the phenomenological nature of love Based on an analysis of the works of these thinkers together with Kierkegaard s writings Strawser argues that Kierkegaard presents readers with a first phenomenology of love a point of view that serves as a unifying perspective throughout this work while also pointing to areas for future scholarship Overall this work brings seemingly divergent perspectives into a unity brought about through a focus on love which is after all a unifying force
