Loving Life Craig Biddle,2002 Loving Life demonstrates that morality is a matter not of divine revelation or social convention or personal opinion but rather of the factual requirements of human life and happiness Biddle shows how a true morality is derived logically from observable facts what in essence such a morality demands and why it is a matter of pure self interest     **The Objective Standard** ,2008     The Moral Quest for a More Credible Principle of Beneficence Prasasti Pandit,2023-11-25 This book critically analyses the basic questions regarding the principle of beneficence within its moral domain to suggest and work out a more credible form of Principle of Beneficence The Moral Quest for a More Credible Principle of Beneficence evolves from the common goodness of the three major confronting theories of ethics i e Utilitarianism Deontology and Virtue Ethics After analysing and exploring the common ground of the three views the aim is to prescribe a more convincing form of the principle of beneficence The book starts with a brief discussion of the principle of beneficence and then critically analyses previous views related to the principle of beneficence virtue of benevolence and their relationship and proposes a more credible form of the Principle of Beneficence The Moral Quest for a More Credible Principle of Beneficence aims to provide a significant contribution towards the theory of beneficence     **I Wrote This Book Because I Love You** Tim Kreider,2018-02-06 A People Top 10 Book of 2018 The New York Times essayist and author of We Learn Nothing Tim Kreider trains his singular power of observation on his often befuddling relationships with women Psychologists have told him he s a psychologist Philosophers have told him he s a philosopher Religious groups have invited him to speak He had a cult following as a cartoonist But above all else Tim Kreider is an essayist one whose deft prose uncanny observations dark humor and emotional vulnerability have earned him deserved comparisons to David Sedaris Sarah Vowell and the late David Foster Wallace who was himself a fan of Kreider s humor Beautifully written with just enough humor to balance his spikiness Booklist I Wrote This Book Because I Love You focuses Tim s unique perception and wit on his relationships with women romantic platonic and the murky in between He talks about his difficulty finding lasting love and seeks to understand his commitment issues by tracking down the John Hopkins psychologist who tested him for a groundbreaking study on attachment when he was a toddler He talks about his valued female friendships one of which landed him on a circus train bound for Mexico He talks about his time teaching young women at an upstate New York college and the profound lessons they wound up teaching him And in a hugely popular essay that originally appeared in The New York Times he talks about his nineteen year old cat wondering if it s the most enduring relationship he ll ever have In a style reminiscent of Orwell E B White and David Sedaris The New York Times Book Review each of these pieces is heartbreaking brutal and hilarious Judd Apatow and collectively they cement Kreider s place among the best essayists working today     Forthcoming Books Rose Arny,2003     **The Journal of Ayn Rand Studies** ,2005     The Spectator ,1838 A weekly review of politics literature theology and art     **An Introduction to Biblical Ethics** Robertson McQuilkin,Paul
