God's eyes He noticed that what God attributed to heroism was very different than the human concept of what a hero looks like. It's a good feeling to know what pleases God and to know that you can do it. Pastor Wade felt a great need to share these practical principles of a hero's life with more than just his congregation. This book takes the precept and idea of virtue in your life and separates it into bite-size pieces easily digestible. Each concept of the virtuous life is explained and Pastor Wade even entertains the reader with some real-life threatening experiences he had while he was a firefighter. These experiences relate to the concepts of the hero's life as you will see and the blessing is this: After you read this book you too will be equipped with the insider information you need to live a pleasing to God Hero's Life In Christ.
