Lauren Carruth, 2021-10-15 Lauren Carruth s *Love and Liberation* tells a new kind of humanitarian story The protagonists are not volunteers from afar but rather Somali locals caring for each other nurses aid workers policymakers drivers community health workers and bureaucrats The contributions of locals are often taken for granted and the competencies aspirations and effectiveness of local staffers frequently remain muted or absent from the planning and evaluation of humanitarian interventions structured by outsiders Relief work is traditionally imagined as politically neutral and impartial and interventions are planned as temporary extraordinary and distant Carruth provides an alternative vision of what humanitarian response means in practice not driven by International Humanitarian Law the missions of Western relief organizations or trends in the aid industry or academia but instead by what Somalis call samafal Samafal is structured by the cultivation of lasting relationships of care interdependence kinship and ethnic solidarity Samafal is also explicitly political and potentially emancipatory humanitarian responses present opportunities for Somalis to begin to redress histories of colonial partitions and to make the most out of their political and economic marginalization By centering *Love and Liberation* around Somalis understanding and enactments of samafal Carruth offers a new perspective on politics and intervention in Africa **Love and Liberation** Sarah H. Jacoby, 2014-09-16 *Love and Liberation* reads the autobiographical and biographical writings of one of the few Tibetan Buddhist women to record the story of her life Sera Khandro Dew Dorj 1892 1940 was extraordinary not only for achieving religious mastery as a Tibetan Buddhist visionary and guru to many lamas monastics and laity in the Golok region of eastern Tibet but also for her candor This book listens to Sera Khandro s

conversations with deities dakinis bodhisattvas lamas and fellow religious community members and investigates the concerns and sentiments relevant to the author and to those for whom she wrote Sarah H Jacoby's analysis focuses on the status of the female body in Sera Khandro's texts the virtue of celibacy versus the expediency of sexuality for religious purposes and the difference between profane lust and sacred love between male and female Tantric partners Her findings add new dimensions to our understanding of Tibetan Buddhist consort practice complicating standard scriptural presentations of a male subject and a female aide Sera Khandro depicts herself and her guru and consort Drim zer as inseparable embodiments of insight and method that together form the Vajrayana Buddhist vision of complete buddhahood By advancing this complementary sacred partnership Sera Khandro carved a place for herself as a female virtuoso in the male dominated sphere of early twentieth century Tibetan religion

Liberating the Holy Name Daniel

Spino, 2014-07-07 In an increasingly polarized world atheists and religious fundamentalists still agree on one thing how God must be defined Both dogmatically claim that God can only refer to the supernatural Lord of Scripture In *Liberating the Holy Name* Daniel Spiro takes square aim at this attempt to assert a monopoly over the meaning of divinity He explains how his Jewish atheist upbringing and later exposure to Orthodox Judaism set him on a lifelong search for truth and meaning through the annals of modern Jewish philosophy Christian theology and Islam He then reveals how this search has led to a highly original theology in which God can be conceived in the third person embraced in the second person and recognized in the first person *Liberating the Holy Name* leads the reader on a voyage through some of our species most influential and profound perspectives on divinity Spiro models how this search for divinity can be our greatest privilege while arguing that in

order to appreciate this privilege we must liberate the Name itself from those who wish to monopolize it If successful he contends we will improve religion s standing in the world and unleash a powerful force for social unity *Book of the Beloved* Mairi Colme,2008-03-27 A Christian mystical text containing the revelation made to a young girl in a Benedictine monastery in the mountains of Austria in 1974 It is a revelation of the extraordinary quality of the love of God communicated not through light and joy but through a dark and powerful suffering which she identified as the mystery of Christs cross The original manuscript was faithfully written down as a direct record of this experience It takes the form of a dialogue or interaction between God as the Lover of the soul and Maria as His Beloved A major theme is the struggle of the Beloved to overcome the Yes buts of human nature in order to be able to say a perfect Yes to her Maker Each dialogue moves through suffering and miscomprehension towards final happiness and liberation prefiguring the change from death to resurrection The manuscript remained a puzzle to its writer for eighteen years at which point she gained an insight into the moment of self yielding which transforms the suffering into bliss It was then whilst staying in an Austrian farmhouse on a mountain side that she wrote the poetry which re interprets the text as a hymn to the Star Love of ecstatic intensity Over thirty years after the original event realising the experience may also have meaning for others the writer worked on the manuscripts During a period of deep reflection at her home in Scotland she then wrote the commentaries She hopes that this book a lifetimes endeavour may prove enlightening to others as to the nature of Gods love *Living for Love* David R. Tomlinson,2023-01-01 In a world in crisis only people and communities dedicated to love will give us a just and sustainable future David R Tomlinson aims to inspire readers to live for love Liberation through Reconciliation O. Ernesto Valiente,2015-12-01 In the past one hundred years alone more than 200 million people have been killed as a consequence of systematic repression political revolutions or ethnic or religious war The legacy of such violence lingers long after the immediate conflict Drawing on the author s experiences of his native El Salvador *Liberation through Reconciliation* builds on Jon Sobrino s thought to construct a Christian spirituality and theology of reconciliation that overcomes conflict by attending to the demands of truth justice and forgiveness **Liberation** Francisco Cândido Xavier,André Luiz (Espírito),2019-11-09 In this compelling narrative Andre Luiz emphasizes the work of high order spirits in the effort to convert the spirit Gregorio to the Good an effort that culminates with the unforgettable reencounter with his mother herself a highly evolved spirit wherein he surrenders to the irresistible call of Love The book also contains information on how unhappy spirits act as they try to involve incarnates in their wiles The spirit author tells of the intercession of high order spirits on behalf of human beings demonstrating the divine compassion that grants to all the blessed opportunity to free themselves by means of study labor and persevering service in the practice of the Good
