Lower East Side Guide:

The Lower East Side Guide Oscar Israelowitz, 1987 [The Lower East Side](#), 195? **Six Heritage Tours of the Lower East Side** Ruth Limmer, 1997-07 An illustrated and educational walking guide tour of Manhattan's astonishingly diverse Lower East Side. Many of our nation's oldest ethnic communities trace their roots in this country to New York City's Lower East Side. A century ago travelers to the area could attend a black faced minstrel show performed by Irishmen drink German lager visit Jewish run gambling houses and dine on Chinese delicacies all within a matter of blocks. Long a hub of immigrant cultures this vibrant section of New York City remains one of the country's most astonishingly diverse neighborhoods. This unique walking guide takes us back to the world of these bustling immigrant enclaves. The historical tours enlivened by colorful photographs and illustrations chronicle the evolution of the communities African German Irish Chinese Jewish and Italian for whom the Lower East Side served as an entryway into America. As participants stroll through one of the world's most heterogeneous and visually stimulating neighborhoods the tours take them past such historic points as the African burial ground excavation site Old St Patrick's Cathedral the first Catholic cathedral in New York State the charming Caff Roma which still serves authentic Italian coffee and desserts much as it did in the early 1900s the oldest still standing Jewish house of worship in the City the site of the notorious Triangle Shirtwaist Factory fire of 1911 and Mott Street the main thoroughfare around which New York's Chinatown developed. Combining educational historical accounts with enchanting scenic tours the heritage tours impart a keen sense of the legacies waiting to be discovered in the Lower East Side's remarkable past. independent selection of the best hotels and restaurants **Soul of a People** David A. Taylor, 2010-04-15 Soul of a People is about a handful of people who were on the Federal Writers Project in the 1930s and a glimpse of America at a turning point. This particular handful of characters went from poverty to great things later and included John Cheever, Ralph Ellison, Zora Neale Hurston, Richard Wright, and Studs Terkel. In the 1930s they were all caught up in an effort to describe America in a series of WPA guides. Through striking images and firsthand accounts, the book reveals their experiences and the most vivid excerpts from selected guides and interviews: Harlem schoolchildren, truckers, Chicago fishmongers, Cuban cigar makers, a Florida midwife, Nebraskan meatpackers, and blind musicians. Drawing on new discoveries from personal collections, archives, and recent biographies, a new picture has emerged in the last decade of how the participants' individual dramas intersected with the larger picture of their subjects. This book illuminates what it felt like to live that experience, how going from joblessness to reporting on their own communities affected artists with varied visions, as well as what feelings such a passage involved: shame, humiliation, anger, excitement, nostalgia, and adventure. Also revealed is how the WPA writers anticipated and perhaps paved the way for the political movements of the following decades, including the Civil Rights movement, the Women's Rights movement, and the Native American rights movement.

Thoroughly updated, this book is packed with inspiration, revelation, and sound practical advice. MICHAEL LEAPMAN lived in New York for seven years as correspondent for The Times, reporting perceptively on the city's delights and foibles. He continues to visit New York regularly and to write about it for magazines and other newspapers. This is a reissue of a book first published in 1983 and last revised in 2000. The Tour Guide Jonathan R. Wynn, 2011-07-05 Everyone wants to visit New York at least once. The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs. The only problem is figuring out where to start and that's where the city's tour guides come in. These guides are a vital part of New York's raucous sidewalk culture, and as The Tour Guide reveals, the tours they offer are as fascinatingly diverse and eccentric as the city itself. Visitors can take tours that cover Manhattan before the arrival of European settlers, the nineteenth-century Irish gangs of Five Points, the culinary traditions of Queens, the culture of

Harlem or even the surveillance cameras of Chelsea in short there are tours to satisfy anyone's curiosity about the city's past or present And the guides are as intriguing as the subjects we learn as Jonathan R Wynn explores the lives of the people behind the tours introducing us to office workers looking for a diversion from their desk jobs unemployed actors honing their vocal skills and struggling retirees searching for a second calling Matching years of research with his own experiences as a guide Wynn also lays bare the grueling process of acquiring an official license and offers a how to guide to designing and leading a tour Touching on the long history of tour giving across the globe as well as the ups and downs of New York's tour guide industry in the wake of 9 11 The Tour Guide is as informative and insightful as the chatty charming and colorful characters at its heart
