Davis,Phillip S. Greenwalt,2019-02-20 An essential addition to serious students libraries detailing the historic military offensive that helped sway the outcome of the American Civil War Civil War News In the late summer of 1864 Union General in Chief Ulysses S Grant set one absolutely unconditional goal to sweep Virginia s Shenandoah Valley clean and clear His man for the job Maj Gen Little Phil Sheridan a temperamental Irishman who d proven himself just the kind of scrapper Grant loved The valley had already played a major part in the war for the Confederacy as both the location of major early victories against Union attacks and as the route used by the Army of Northern Virginia for its invasion of the North culminating in the battle of Gettysburg But when Sheridan returned to the Valley in 1864 the stakes heightened dramatically For the North the fragile momentum its war effort had gained by the capture of Atlanta would quickly evaporate For Abraham Lincoln defeat in the Valley could mean defeat in the upcoming election And for the South its very sovereignty lay on the line Here historians Davis and Greenwalt weave an excellent

summary of the campaign that will serve to introduce those new to the Civil War to the events of that Bloody Autumn and will serve as a ready refresher for veteran stompers who are heading out to visit those storied fields of conflict Scott C Patchan author of *The Last Battle of Winchester* **The Blood-Tinted Waters of the Shenandoah** Jonathan A. Decades after the Civil War's end Confederate veteran John Alexander Stikeleather reflected on his experiences as a soldier in the 4th North Carolina Infantry He had served in many engagements during his four years of service but there was one in particular that Stikeleather believed should never be forgotten Cool Spring While largely overlooked or treated as a footnote to Gen Jubal A Early's raid on Washington in the summer of 1864 the fight at Cool Spring which one soldier characterized as a sharp and obstinate affair proved critical to Washington's immediate safety The virtually unknown combat became a transformative moment for those who fought along the banks of the Shenandoah River in what ultimately became the war's largest and bloodiest engagement in Clarke County Virginia The Blood Tinted Waters of the Shenandoah examines Gen Horatio Wright's pursuit of Jubal Early into the Shenandoah and the clash on July 17-18 1864 It analyzes the decisions of leaders on both sides explores the environment's impact on the battle and investigates how the combat impacted the soldiers and their families in its immediate aftermath and for decades thereafter Years of archival research including an investigation into the backgrounds of the Union and Confederate soldiers who perished in the fighting coupled with intimate knowledge of the battlefield helps preserve the memory of the fight that should never be forgotten Author Jonathan Noyalas's study offers not only a history of an overlooked engagement in the oft-contested Shenandoah Valley but as Pulitzer Prize finalist Brian Matthew Jordan notes in the book's Foreword a keen reminder that Civil War battles are rich laboratories in which to observe the human experience in all its complexity House documents ,1895 The War of the rebellion: a compilation of the official records of the Union and Confederate armies, prepared by R.N. Noe, 2003-09-02 A close study of one region of Appalachia that experienced economic vitality and strong sectionalism before the Civil War This book examines the construction of the Virginia and Tennessee Railroad through southwest Virginia in the 1850s before the Civil War began The building and operation of the railroad reoriented the economy of the region toward staple crops and slave labor Thus during the secession crisis southwest Virginia broke with northwestern Virginia and embraced the Confederacy Ironically however it was the railroad that brought waves of Union raiders to the area during the war Grayback Mountaineers Harlan Hinkle, 2003-02-20 I shall never no never forget that eventful night when accompanied by one courier my Adjutant Edwards and Sergeant Major both being wounded I full of grief and bitterness rode to the barns in our rear and saw with tears in my eyes my brave fellows from away over the mountains in West Virginia laid out in windrows torn and bleeding I shall never forget that night or the next morning's parade when I could muster but 96
