Lucifer Son of the Morning is what we feel to be a reasonable interpretation into the path of one of the most talked about characters throughout the history of man Through no small effort on our behalf and with great attention to that which is written concerning him in scripture as well as being careful to scour through the countless mythologies surrounding our books protagonist it was our goal to take the reader into the story with a tale from behind the gates and to paint a picture of the rebellious archangel both before and after the profound catharsis that spawned he who is readily felt by many faiths to be the embodiment of evil Our book begins in heaven with Lucifer leading a worship session adorned in gold and silk he is flawless to look upon loving in nature and still very much in good standings with his father the almighty king Jehovah God At the onset of the book Lucifer is a humble and revered prince who takes exceeding pleasure in writing beautiful hymns and raising beautiful praises to his father Though Lucifer is tasked with much in the kingdom he embraces it all with good cheer praising Jehovah through verse is sustenance for him Although Lucifers prominence is illustrated through displays of reverence by the heavenly hosts his prestige as an archangel is not too great that the angels feel separated from him by class No it is balanced completely by his humility and earnestness Jehovah publicly exalts Lucifer before the entire angelic body Throughout time the transition begins to awaken Lucifer in profound ways A byproduct of Lucifers ever escalating wisdom is a knowledge of the thoughts of his contemporaries The quiet subjugation from those near him comes with a twist Suddenly there are internal questions that begin to surface questions about his pedigree God announces man and calls Adam his greatest creation and behind this decree the angels are told to bow Lucifer is incensed He refuses and blatantly disobeys Jehovah Soon there are conspirators and clandestine meetings in secret corners of heaven There with the assistance and abetting of many Lucifer once the humble steward and servant of his father the king calculates and devises a web of subterfuge in heaven and brings his own war to the gates of paradise It sure is a lot of fun getting him there Thanks Anthony and Bonita

**The Revelation of Lucifer** Thomas Jones, 2013-06 I saw Jesus on the cross and all of heaven was motionless I could see legions of angels just waiting near the cross Then as I looked upon the cross I couldn't bear to look at what I was seeing for it was extremely sad The last time I saw Jesus it was a picture of absolute splendor majesty and glory when He came forth from His Father But now to look at Him was almost impossible for He looked nothing like He did earlier Just then my attention was taken back down into hell Every demon was in a state of frenzy and hysteria They were acting and behaving like wild beasts animals You could see some type of disgusting foam coming from their mouths It was repulsive They were all yelling It's over It's over You could see they were anticipating Jesus arrival Satan had this disturbed distorted indescribable look on his face as he had conquered all the universe He looked like he knew he was finally able to affect God and that he wouldn't be able to recover
