*One Bad Night in Mexico* TS Bola, 2014-08-29 Do you know what it s Like to get shot Now I turned to my left and just as I straightened out the Toyota s path I heard some popping sounds sort of like firecrackers exploding in the distance In that our windows were up the sounds were not very distinguishable However for some strange reason I reacted so quickly that it certainly was not a conscious forethought My head went down as I bent over forward and slightly to my right just in time to avoid having a bullet hit the back of my head as it passed through the back glass Then in a split second I realized why I had unconsciously reacted that way and Poetry is simply stated just another modality of expression of ideas feelings opinions and visions Like any other mode of expression it can be useful if produced by the mind of a skillful and perceptive person However the very best writers not only consult their mind which is the lead part of the soul but also are influenced by an enlivened human spirit Some are endowed with a thin slice of divine creativity that which can be used to produce a very good quality product and it will endure over time It is my hope and desire that herein there is some of the latter type which is mentioned here Professionally speaking as an educator and psychologist I

hope that a degree of multifarious perceptions has been shown in the writings contained here in this book Because it is written with the intention of not only giving some degree of pleasure but also for some degree of enlightenment May the Good Lord bless all those who read this book TS Bola
