Lucy's Child The Discovery Of A Human:

Lucy's Child Donald C. Johanson, James Shreeve, 1989 An account of a discovery that generates new insights into human origins

Lucy Long Ago Catherine Thimmesh, 2009 Discusses how a collection of old bones revealed a mystery that brought scientists from around the world to study their ancestral connection to the human race in this chronicling of the discovery of the world's most famous hominid

The Leakeys Mary Bowman-Kruhm, 2005-08-30 Three generations of Leakeys have dug in East Africa for fossil evidence that answers questions about human origins Louis and Mary husband and wife began what would turn into decades of research and fieldwork often disproving common theories and beliefs of the time Son Richard followed in his parents' foot steps along with his wife Meave and made spectacular finds as well Today Louise the oldest daughter of Richard and Meave continues the family tradition with fieldwork in northern Kenya The Leakey family's achievements have had an enormous impact on our knowledge of human origins and evolution This biography describes their life in detail including their discoveries publications controversies and legacy A timeline glossary and bibliography of print and electronic sources supplement the material

The Hand Marta Bertolaso, Nicola Di Stefano, 2017-09-22 Drawing on shared research experiences and collaborative projects this book offers a broad and timely perspective on research on the hand and its current challenges It especially emphasizes the interdisciplinary context in which researchers need to be trained in contemporary science From language to psychology from neurology to the social sciences and from art to philosophy and religion the chapters discuss various aspects involved in hand research and therapy On the basis of concrete and validated case studies they approach hand function and gestures from different perspectives not only neurological and medical but also philosophical evolutionary and anthropological By highlighting the overlaps between different areas of research the book seeks to foster better communication between researchers and ultimately a better understanding of hand function and its recovery It offers essential information and inspirations for students researchers and practitioners in the fields of psychology epistemology bioengineering neuroscience anthropology and bioethics

The Development of the Mediated Mind Joan M. Lucariello, Judith A. Hudson, Robyn Fivush, Patricia J. Bauer, 2004-07-19 In this work the contributors examine ways in which cognition is embedded in everyday meaningful activities and the role of social context and cultural symbol symptoms such as language and text influence children's developing concepts and thought

Archaeology at the Millennium Gary M. Feinman, T. Douglas Price, 2007-10-17 An internationally distinguished roster of contributors considers the state of the art of the discipline of archaeology at the turn of the 21st century and charts an ambitious agenda for the future The chapters address a wide range of topics including paradigms practice and relevance of the discipline paleoanthropology fully modern humans holocene hunter gatherers the transition to food and craft production social inequality warfare state and empire formation and the uneasy relationship between classical and anthropological archaeology

Unsolved Mysteries of Science John Malone, 2008-05-02 A LIVELY EXPLORATION OF THE BIGGEST QUESTIONS IN SCIENCE How Did the

Universe Begin The Big Bang has been the accepted theory for decades but does it explain everything How Did Life on Earth Get Started What triggered the cell division that started the evolutionary chain Did life come from outer space buried in a chunk of rock What is Gravity Newton s apple just got the arguments started Einstein made things more complicated Just how does gravity fit in with quantum theory What Is the Inside of the Earth Like What exactly is happening beneath our feet and can we learn enough to help predict earthquakes and volcanic eruptions How Do We Learn Language Is language acquisition an inborn biological ability or does every child have to start from scratch Is There a Missing Link The story of human evolution is not complete In addition to hoaxes such as Piltdown Man and extraordinary finds such as Lucy many puzzles remain What in the end do we mean by a missing link [The Complete Idiot's Guide to Human Prehistory](#) Robert J. Meier,2003 From the 3 5 million year old Lucy one of our most famous early ancestors to the rise of Homo sapiens and the spread of our species throughout the globe this guide explores everything curious readers want to know about prehistory

The Origin of Humanness in the Biology of Love Humberto Maturana Romesín, Gerda Verden-Zöller,2012-02-21 The central concern of this book is us human beings The authors basic question is How is it that we can live in mutual care have ethical concerns and at the same time deny all that through the rational justification of aggression The authors answer this basic question indirectly by providing a look into the fundamentals of our biological constitution concentrating on what they term emotioning that is the flow of emotions in daily life that guides the flow of the systemic conservation of a manner of living Maturana and Verden Z öller claim that the fundamental emotion that gave rise to humans as sapient languaging beings was love and that this remains our fundament even when other emotions become socially prevalent **From Lucy to**
