*A Hard Hat in Hell* Suzanne Szucs, 2024-11-06. From three years as a union laborer in California to twenty-five years as a union crane operator in Wisconsin, I'm still here. From surfing along the coastline of California to downhill skiing in the heart of the Midwest, I'm still here. From the invitation to join a boyfriend in a faraway state to becoming entwined in a violent nightmare of a marriage, I barely made it, but I'm still here. To finding peace in my life at long last in the quiet of the country and with the right person, the love of my life, yes, I'm still here. It's not what happens to you in life; it's how you choose to deal with it. Suzanne Szucs. *The Naming Song* Jedediah Berry, 2024-09-24. A gorgeously imaginative fantasy in the spirit of Hayao Miyazaki and Guillermo del Toro. *The Naming Song* understands the fundamental magic of language and breathes that magic onto every page. Holly Black, 1. New York Times bestseller. There's nothing more dangerous than an unnamed thing. When the words went away, the world changed. All meaning was lost, and every border fell. Monsters slipped from dreams to haunt the waking while ghosts wandered the land in futile reveries. Only with the rise of the committees of the named—Maps, Ghosts, Dreams, and Names—could the people stand against the terrors of the nameless wilds. They built borders around their world and within their minds shackled ghosts and hunted monsters and went to war against the unknown. For one unnamed courier of the Names Committee, the task of delivering new words preserves her place in a world that fears her. But after a series of monstrous attacks on the named, she is forced to flee her committee and seek her long-lost sister. Accompanied by a patchwork ghost, a fretful monster, and a nameless animal who prowls the shadows, her

search for the truth of her past opens the door to a revolutionary future for the words she carries will reshape the world The Naming Song is a book of deep secrets and marvelous discoveries strange adventures and dangerous truths It s the story of a world locked in a battle over meaning Most of all it s the perfect fantasy for anyone who s ever dreamed of a stranger freer more magical world At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
