Mad About The Fifties The Best Of The Decade

Randy Duncan, Matthew J. Smith

Mad About The Fifties The Best Of The Decade:

Seeing MAD Judith Yaross Lee, John Bird, 2020-11-16 *Seeing Mad* is an illustrated volume of scholarly essays about the popular and influential humor magazine *Mad* with topics ranging across its 65 year history up to last summer's downsizing announcement that *Mad* will publish less new material and will be sold only in comic book shops *Mad* magazine stands near the heart of post WWII American humor but at the periphery in scholarly recognition from American cultural historians including humor specialists This book fills that gap with perceptive informed engaging but also funny essays by a variety of scholars The chapters written by experts on humor comics and popular culture cover the genesis of *Mad* its editors and prominent contributors its regular features and departments and standout examples of their contents perspectives on its cultural and political significance and its enduring legacy in American culture **Analyzing Mad Men** Scott F.

Stoddart, 2011-08-12 AMC's episodic drama *Mad Men* has become a cultural phenomenon detailing America's preoccupation with commercialism and image in the Camelot of 1960s Kennedy era America while self consciously exploring current preoccupations The 12 critical essays in this collection offer a broad interdisciplinary approach to this highly relevant television show examining *Mad Men* as a cultural barometer for contemporary concerns with consumerism capitalism and sexism Topics include New Historicist parallels between the 1960s and the present day psychoanalytical approaches to the show the self as commodity and the Age of Camelot as an Age of Anxiety among others A detailed cast list and episode guide are included Instructors considering this book for use in a course may request an examination copy here **Revisiting and**

Revising the Fifties in Contemporary US Popular Culture Eleonora Ravizza, 2020-05-25 In this book Eleonora Ravizza analyzes how contemporary American popular culture has represented and reproduced the fifties By investigating the cultural work of films and TV series from the last two decades the book uncovers the inherent limitations of a revisionist take on the fifties Ravizza argues that due to the visual nature of the fifties crystallized in American consciousness through the widespread influence of television most contemporary attempts to rework and rewrite the regressive gender queer and racial politics fall short of such a revisionist reevaluation **Mad Shepherds** Lawrence Pearsall Jacks, 1910 **Hollywood and the Movies of the Fifties** Foster Hirsch, 2023-10-10 A fascinating look at Hollywood's most turbulent decade and the demise of the studio system set against the boom of the post World War II years the Cold War and the atomic age and the movies that reflected the seismic shifts The definitive book on 1950s Hollywood Booklist Lavish insightful rich expansive penetrating Kirkus Hollywood in the 1950s was a period when the film industry both set conventions and broke norms and traditions from Cinemascope CinemaScope and VistaVision to the epic film and lavish musical It was a decade that saw the rise of the anti hero the smoldering the hidden and the unspoken teenagers gone wild in the streets the sacred and the profane the revolution of the Method the socially conscious the implosion of the studios the end of the production code and the invasion of the ultimate body snatcher the small screen television Here is Eisenhower's America seemingly complacent conformity ridden revealed in

Vincente Minnelli's *Father of the Bride* Walt Disney's *Cinderella* and *Brigadoon* among others And here is its darkening resonant landscape beset by conflict discontent and anxiety *The Man Who Knew Too Much* *The Asphalt Jungle* *A Place in the Sun* *Touch of Evil* *It Came From Outer Space* an America on the verge of cultural political and sexual revolt busting up and breaking out *East of Eden* *From Here to Eternity* *On the Waterfront* *Sweet Smell of Success* *The Wild One* *A Streetcar Named Desire* and *Jailhouse Rock* An important riveting look at our nation at its peak as a world power and at the political cultural sexual upheavals it endured reflected and explored in the quintessential American art form **Books in Print**

,1991 *Icons of the American Comic Book* Randy Duncan,Matthew J. Smith,2013-01-29 This book explores how the heroes and villains of popular comic books and the creators of these icons of our culture reflect the American experience out of which they sprang and how they have achieved relevance by adapting to and perhaps influencing the evolving American character Multiple generations have thrilled to the exploits of the heroes and villains of American comic books These imaginary characters permeate our culture even Americans who have never read a comic book grasp what the most well known examples represent But these comic book characters and their creators do more than simply thrill they make us consider who we are and who we aspire to be *Icons of the American Comic Book* From Captain America to Wonder Woman contains 100 entries that provide historical background explore the impact of the comic book character on American culture and summarize what is iconic about the subject of the entry Each entry also lists essential works suggests further readings and contains at least one sidebar that provides entertaining and often quirky insight not covered in the main entry This two volume work examines fascinating subjects such as how the superhero concept embodied the essence of American culture in the 1930s and the ways in which comic book icons have evolved to reflect changing circumstances values and attitudes regarding cultural diversity The book's coverage extends beyond just characters as it also includes entries devoted to creators publishers titles and even comic book related phenomena that have had enduring significance *Reginald Rose and the Journey of 12 Angry Men* Phil Rosenzweig,2021-10-05 Finalist 2021 Wall Award Formerly the Theatre Library Association Award The untold story behind one of America's greatest dramas In early 1957 a low budget black and white movie opened across the United States Consisting of little more than a dozen men arguing in a dingy room it was a failure at the box office and soon faded from view Today *12 Angry Men* is acclaimed as a movie classic revered by the critics beloved by the public and widely performed as a stage play touching audiences around the world It is also a favorite of the legal profession for its portrayal of ordinary citizens reaching a just verdict and widely taught for its depiction of group dynamics and human relations Few twentieth century American dramatic works have had the acclaim and impact of *12 Angry Men* *Reginald Rose and the Journey of 12 Angry Men* tells two stories the life of a great writer and the journey of his most famous work one that ultimately outshined its author More than any writer in the Golden Age of Television Reginald Rose took up vital social issues of the day from racial prejudice to juvenile delinquency to civil liberties and made them accessible to a

wide audience His 1960s series *The Defenders* was the finest drama of its age and set the standard for legal dramas This book brings Reginald Rose's long and successful career its origins and accomplishments into view at long last By placing *12 Angry Men* in its historical and social context the rise of television the blacklist and the struggle for civil rights author Phil Rosenzweig traces the story of this brilliant courtroom drama beginning with the chance experience that inspired Rose to its performance on CBS's *Westinghouse Studio One* in 1954 to the feature film with Henry Fonda The book describes Sidney Lumet's casting the sudden death of one actor and the contribution of cinematographer Boris Kaufman It explores the various drafts of the drama with characters modified and scenes added and deleted with Rose settling on the shattering climax only days before filming began Drawing on extensive research and brimming with insight this book casts new light on one of America's great dramas and about its author a man of immense talent and courage Author royalties will be donated equally to the Feerick Center for Social Justice at Fordham Law School and the Justice John Paul Stevens Jury Center at Chicago Kent College of Law

Whatever Happened to Tradition? Tim Stanley, 2021-10-14 The West feels lost Brexit Trump the coronavirus we hurtle from one crisis to another lacking definition terrified that our best days are behind us The central argument of this book is that we can only face the future with hope if we have a proper sense of tradition political social and religious We ignore our past at our peril The problem argues Tim Stanley is that the Western tradition is anti tradition that we have a habit of discarding old ways and old knowledge leaving us uncertain how to act or even of who we really are In this wide ranging book we see how tradition can be both beautiful and useful from the deserts of Australia to the court of nineteenth century Japan Some of the concepts defended here are highly controversial in the modern West authority nostalgia rejection of self and the hunt for spiritual transcendence We'll even meet a tribe who dress up their dead relatives and invite them to tea Stanley illustrates how apparently eccentric yet universal principles can nurture the individual from birth to death plugging them into the wider community and creating a bond between generations He also demonstrates that tradition far from being pretentious or rigid survives through clever adaptation that it can be surprisingly egalitarian The good news he argues is that it can also be rebuilt It's been done before The process is fraught with danger but the ultimate prize of rediscovering tradition is self knowledge and freedom

Mad Intertextuality Monika Kaup, 1993 **Poetics of Politics** Sebastian M. Herrmann, Carolin Alice Hofmann, Katja Kanzler, Stefan Schubert, Frank Usbeck, 2015-04-22 This volume proposes the poetics of politics as an analytic angle to interrogate contemporary cultural production in the United States As recent scholarship has observed American literature and culture around the turn of the millennium while still deeply informed by the textual self consciousness of postmodernism are marked by a rekindled interest in matters of social concern This revived interest in politics is frequently read as a grand epochal transition Sidestepping such a logic of periodization this book points to the interplay between the textual and the political as a dynamic always locally specific that affords unique insights into the characteristics of the contemporary moment The sixteen case studies in this book explore this

interplay across a wide range of media genres and modes Together they make visible a broad cultural concern with negotiating social relevance and textual self awareness that permeates and structures contemporary US popular culture

For the Love of Design Steven Heller, 2022-11-08 Prolific author and co chair of the MFA Design School of Visual Arts Steven Heller shares his love of design with the world through essays interviews and profiles Design is a living But to live passion is essential For the Love of Design is an anthology of Steven Heller s essays that are underscored by the essence that makes designers do what they do Whether it is to make the environ a better place or communicate important messages or simply enliven the quotidian world design is everywhere and everything It is a life force made and appreciated with love The focus of the anthology is graphic design and typography but these disciplines impact so many other forms of design that it is impossible to ignore them Through essays interviews and profiles Heller captures the essence of what makes artists into designers and what makes design and its makers tick From the design director of the New York Times discussing how during the pandemic he created the most effective front pages to a collage artist talking about why cutting and pasting scraps of material into dynamic compositions each story and narrative brings to light ambitions and aspirations they are couched in love for the thinking making and doing of design For the Love of Design is here to show that graphic and other design activities are not just ways of making a living but living a life **Modern Nordic Plays** Erik J. Friis, *The Fifties in America* John C. Super, 2005 Surveys the events and people of the United States and Canada from 1950 through 1959

The Spectator , 2005 Mad about the Fifties Joyce L. Vedral, 1997-01 Compiles the best of MAD magazine s first decade complete with cult classics parodies and reproductions of early covers Grand Expectations James T. Patterson, 1996-04-18 Beginning in 1945 America rocketed through a quarter century of extraordinary economic growth experiencing an amazing boom that soared to unimaginable heights in the 1960s At one point in the late 1940s American workers produced 57 percent of the planet s steel 62 percent of the oil 80 percent of the automobiles The U S then had three fourths of the world s gold supplies English Prime Minister Edward Heath later said that the United States in the post War era enjoyed the greatest prosperity the world has ever known It was a boom that produced a national euphoria a buoyant time of grand expectations and an unprecedented faith in our government in our leaders and in the American dream an optimistic spirit which would be shaken by events in the 60s and 70s and particularly by the Vietnam War Now in Grand Expectations James T Patterson has written a highly readable and balanced work that weaves the major political cultural and economic events of the period into a superb portrait of America from 1945 through Watergate Here is an era teeming with memorable events from the bloody campaigns in Korea and the bitterness surrounding McCarthyism to the assassinations of the Kennedys and Martin Luther King to the Vietnam War Watergate and Nixon s resignation Patterson excels at portraying the amazing growth after World War II the great building boom epitomized by Levittown the largest such development in history and the baby boom which exploded literally nine months after V J Day as well as the resultant buoyancy of spirit reflected in everything from

streamlined toasters to big flashy cars to the soaring butterfly roof of TWA's airline terminal in New York And he shows how this upbeat can do mood spurred grander and grander expectations as the era progressed Of course not all Americans shared in this economic growth and an important thread running through the book is an informed and gripping depiction of the civil rights movement from the electrifying Brown v Board of Education decision to the violent confrontations in Little Rock Birmingham and Selma to the landmark civil rights acts of 1964 and 1965 Patterson also shows how the Vietnam War which provoked LBJ's growing credibility gap vast defense spending that dangerously unsettled the economy and increasingly angry protests and a growing rights revolution including demands by women Hispanics the poor Native Americans and gays triggered a backlash that widened hidden rifts in our society rifts that divided along racial class and generational lines And by Nixon's resignation we find a national mood in stark contrast to the grand expectations of ten years earlier one in which faith in our leaders and in the attainability of the American dream was greatly shaken The Oxford History of the United States The Oxford History of the United States is the most respected multi volume history of our nation The series includes three Pulitzer Prize winners a New York Times bestseller and winners of the Bancroft and Parkman Prizes The Atlantic Monthly has praised it as the most distinguished series in American historical scholarship a series that synthesizes a generation's worth of historical inquiry and knowledge into one literally state of the art book Conceived under the general editorship of C Vann Woodward and Richard Hofstadter and now under the editorship of David M Kennedy this renowned series blends social political economic cultural diplomatic and military history into coherent and vividly written narrative

The Dick Van Dyke Show Joanne Morreale, 2015-12-01 Considers the influence of The Dick Van Dyke Show on television sitcom history The Dick Van Dyke Show CBS 1961-66 was a uniquely self reflexive sitcom that drew on vaudevillian tropes at a time when vaudeville based comedy variety was disappearing from television At the same time it reflected the liberal politics of the Kennedy era and gave equal time to home and work as it ushered in a new image of the sitcom family In The Dick Van Dyke Show author Joanne Morreale analyzes the series innovative form and content that altered the terrain of the television sitcom Morreale begins by finding the roots of The Dick Van Dyke Show in the vaudeville based comedy variety show and the showbiz sitcom even as it brought notable updates to the form She also considers how the series reflects the social context of Kennedy's New Frontier and its impact on the television industry as The Dick Van Dyke Show responded to criticisms of television as mass entertainment She goes on to examine the series as an early example of quality television that also pointed to the complex narrative of today examining the show's progressive representations of race ethnicity and gender that influenced the content of later sitcoms Morreale concludes by considering The Dick Van Dyke Show's afterlife suggesting that the various reappearances of the characters and the show itself demonstrates television's transseriality Fans of The Dick Van Dyke Show and readers interested in American television and cultural history will appreciate this insightful reading of the series

Still More Songs of the Fifties Hal Leonard Publishing Corporation, 1995 Piano Vocal Guitar

Songbook This second edition features 50 more songs with no duplication from previous volumes including Autumn Leaves Chantilly Lace Don't Let the Stars Get in Your Eyes Get a Job Jailhouse Rock Mister Sandman Peggy Sue Sixteen Candles Splish Splash Tennessee Waltz Unchained Melody Venus Why Do Fools Fall in Love and more **Handbook of Latin American Literature (Routledge Revivals)** David William Foster, 2015-06-11 First published in 1987 this second edition in 1992 the Handbook of Latin American Literature offers readers the opportunity to explore this literary history in the English Language and constitutes an ideological approach to Latin American Literature It provides both concise information concerning particular authors works and literary traditions of Latin America as well as comprehensive material about the various national literatures of the area This book will therefore be of interest to Hispanic scholars as well as more general readers and non Hispanists

Eventually, you will no question discover a new experience and attainment by spending more cash. still when? complete you say yes that you require to get those all needs like having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to understand even more all but the globe, experience, some places, later history, amusement, and a lot more?

It is your completely own time to perform reviewing habit. in the middle of guides you could enjoy now is **Mad About The Fifties The Best Of The Decade** below.
