The China Journals Hugh Trevor-Roper, 2020-02-20 These private journals made available here for the first time record Hugh Trevor Roper's visit to the People's Republic of China in the autumn of 1965 shortly before the outbreak of the Cultural Revolution and describe the controversial aftermath of his journey on his return to England The visit was a catalogue of frustrations which he relates with the verve and irony of a master narrator who relished the human comedy His efforts to meet the real life and mind of China in whose history and politics he had long been interested were blocked at every turn by the resources of state propaganda and the claustrophobic attention of sullen Party guides The visit was arranged by the London based Society for Anglo Chinese Understanding which was ostensibly committed to the impartial interchange of culture and ideas It proved to be run by a Communist clique whose ruthless methods of control outwitted the well connected membership Back in England and with help from MI5 he resolved to get to the bottom of the society's affairs His investigations provoked a tumultuous public row which Trevor Roper no shirker of

controversy zestfully traces in these pages Through the book which closes with an account of his visit to Taiwan and South East Asia in 1967 there run the wisdom of historical perspective that he brought to contemporary events and his lifelong commitment to the defence of liberal values and practices against their ideological adversaries *Strangers on the Western Front* Guoqi Xu, 2011-02-28 During World War I Britain and France imported workers from their colonies to labor behind the front lines The single largest group of support labor came not from imperial colonies however but from China Xu Guoqi tells the remarkable story of the 140 000 Chinese men recruited for the Allied war effort These laborers mostly illiterate peasants from north China came voluntarily and worked in Europe longer than any other group Xu explores China s reasons for sending its citizens to help the British and French and later the Americans the backgrounds of the workers their difficult transit to Europe across the Pacific through Canada and over the Atlantic and their experiences with the Allied armies It was the first encounter with Westerners for most of these Chinese peasants and Xu also considers the story from their perspective how they understood this distant war the racism and suspicion they faced and their attempts to hold on to their culture so far from home In recovering this fascinating lost story Xu highlights the Chinese contribution to World War I and illuminates the essential role these unsung laborers played in modern China s search for a new national identity on the global stage *The Chinese Recorder and Missionary Journal* ,1893 Chinese Medical Journal ,1920 **The China Medical Journal** ,1920 Handbook of Management Accounting Research Christopher S. Chapman, Anthony G. Hopwood, Michael D. Shields, 2011-09-14 Volume two of the Handbooks of Management Accounting Research consists of two groups of chapters The first draw together research that has focussed on particular management accounting practices The second set synthesise contributions to the literature that have been focussed within particular organisational contexts Volume two concludes with a review of research on how management accounting practice and research varies around the world Special pricing available if purchased as a set with Volume 1 Documents the scholarly management accounting literature Publishing both in print and online through Science Direct International in scope **Chinese Recorder and Missionary Journal** ,1906 Economy Hotels in China Songshan Sam Huang, Xuhua Michael Sun, 2014-01-10 While economy or budget hotels have been popular in western countries since the end of the Second World War they have only emerged as a sector in their own right in China since the mid 1990s Indeed as a new service industry sector economy hotels in China demonstrate important characteristics which can be used to illustrate and help explain China s current economic progress more generally This book provides a comprehensive overview of the economy hotel sector in China It covers macro level social cultural economic environmental geographic and development issues alongside micro level consideration of the budget hotel companies innovative management and marketing procedures business expansion strategies general hotel management and operation issues as well as an analysis of some leading entrepreneurs in the sector and in depth case studies examining the most successful economy hotel companies in China Huang and Sun argue that the rapid development of budget hotels in China demonstrates

how under the influence of globalisation Chinese businesses have become more innovative as they apply successful western business models to China In turn they show that the China model is fundamentally different in terms of its driving force which lies purely in its domestic travel market fuelled by China s continued economic growth There is therefore much to explore about both China s market situation and business practices in the economy hotel sector and this book makes an important contribution to our understanding of China s new business environment Based on extensive fieldwork and investigation *Economy Hotels in China* will be welcomed by students and scholars of tourism hospitality business studies and Chinese studies but it will also appeal to practitioners of business management in these sectors who are interested in China s development and business opportunities in China [The Chinese Journals of L.K.
