World Development Indicators 2008 World Bank, 2008-04-11 Looking for accurate up to date data on development issues World Development Indicators is the World Bank's premier annual compilation of data about development This indispensable statistical reference allows you to consult over 900 indicators for some 150 economies and 14 country groups in more than 80 tables It provides a current overview of the most recent data available as well as important regional data and income group analysis in six thematic sections World View People Environment Economy States and Markets and Global Links

UNESCO's Utopia of Lifelong Learning Maren Efert, 2017-09-05 With a focus on lifelong learning this book examines the shifts that UNESCO's educational concepts have undergone in reaction to historical pressures and dilemmas since the founding of the organization in 1945 The tensions between UNESCO's humanistic worldview and the pressures placed on the organization have forced UNESCO to depart from its utopian vision of lifelong learning while still claiming continuity Efert interprets the history of lifelong learning in UNESCO as part of a much bigger story of a struggle of ideologies between a humanistic emancipatory and an economic technocratic worldview With a close study of UNESCO's two education flagship reports the Faure and Delors reports Efert sheds light on the global impact of UNESCO's professed humanistic goals and its shifting influence on lifelong learning around the world

Population and Development W.T.S. Gould, 2015-05-08 The new edition of Population and Development offers an up to date perspective on one of the critical issues at the heart of the problems of development for all countries and especially those that seek to implement major economic and social change the reflexive relationships between a country's population and its development How does population size distribution age structure and skill base affect development patterns and prospects How has global development been affected by regional population change Retaining the structure of the well received first edition the book has been substantially revised and updated The opening chapters of the book establish the theoretical and historical basis for examining the basic reflexive relationship with exploration of the Malthusian perspective and its critics to examine how population change affects development and exploration of the Demographic Transition Model and its critics to examine how why and to what extent development drives population change These are followed by empirically rich chapters on each of the main components of population change mortality fertility internal and international migration age structures and skill base each elaborating key ideas with detailed and contrasting case studies from all regions of the developing world There are concluding and more integrative discussions on population policies and global population futures Bringing together

Population Studies Development Studies and Geography the new edition of Population and Development is a key resource for undergraduate and postgraduate students across a range of programmes with specialist modules on population change There is a large bibliography with major new sections identifying a wide range of online resources for further study Each chapter contains a reading guide with discussion questions The text is enlivened by a number of case studies from around the world most of which are new or have been substantially revised Written by a leading international scholar in population the book successfully integrates cutting edge academic research with the focus and efforts of international development agencies

SADC Gender Protocol 2015 Barometer Morna, Colleen Lowe,Dube, Sifiso,2016-02-22 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 **SADC GENDER PROTOCOL BAROMETER 2015** 2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 Exploring Disability Colin Barnes,Geof Mercer,2010-07-06 An introductory textbook for anyone studying disability this book provides an overview of the existing literature in the area and develops an understanding of disability that has implications for both sociology and society *Government Publications Issued During ...* Great Britain.
