**Magdalene's Timeless Testament** Judith Grant, 2003-02-01      **Books in Print Supplement** ,2002      *Forthcoming*  
*Books* Rose Arny, 2003      **The Four Gospels** William S. Stobb, 2015-06-18 The Four Gospels have been read and studied for nearly 2 000 years As early as the second century Irenaeus Church father and martyr declared that four accounts of the life of Christ were needed no more and no less Yet many Christians in spite of the numerous and excellent commentaries available today cannot answer the question Why four Gospels This in depth volume which took 20 years to research and 10 years to write clearly reveals the necessity of a four fold portrait of Christ Selected excerpts from some of the most celebrated writers of the past such as A Edersheim Chas Erdman F W Farrar Edw Gibbon F L Godet D S Gregory F W Krummacher H H Milman G Campbell Morgan Arthur Pink Sir Wm Ramsay Chas Rollin R C Trench B F Westcott and scores of others are incorporated throughout the book in order to explain and substantiate the historical background and characteristic differences of the Four Gospels This work is an excellent reference for teachers students and historians but is designed for Christians in all walks of life A homeschooling mother stated that the work is quite readable even by a pressured mom and very worthwhile I especially like the organization of the book which helped me keep my bearings The history is fascinating and helpful      **Eternal Nuggets** Mark Nyarko, 2018-08-30 It is generally known that the spirit realm is the transcendent or absolute reality that actually gave birth to our temporal reality or what we know to be physical material temporary realm Because our existence owes its source to the spiritual realm the latter is actually what dictates events in our realm It takes no effort to realize that not only is the bible an integrated message but also one that has its origins in another dimension of existence beyond what we are accustomed to Have you wondered how the Bible accurately describes scientific phenomena millennia before science arrived on the planet How on earth did Moses know how the world was created when no man was on the scene at the beginning of creation It does not take a genius to fathom that there has to be a supreme being a God out there who is the source and sustainer of all life Like I said earlier on whether we are aware or not life in this temporary material realm is influenced even directed from another realm the spiritual That is why it is important that we understand this realm and cooperate with it to get it to work with and for us Paul wrote in 2 Corinthians 4 18 While we do not look at the things which are seen but at the things which are not seen For the things which are seen are temporary but the things which are not seen are eternal He is saying that our focus should be on the unseen eternal realm which is the real reality because that is permanent as opposed to this realm that is but a passing shadow The need to focus on the things that don t change becomes even more crucial because of the sheer amount and complexity of change that we have to contend with in our lives Changes in technology science medicine career and the work place are so fast and complex that we need something strong enough to provide the necessary moorings to hold our lives in place and provide the necessary balance to our lives if we are not to be swept away by the change Even though change is unsettling disruptive and can be scary even

good change it brings opportunities and progress So how do we maintain our sanity and embrace the necessary change It is my conviction that we do this by turning to and focusing on the things that do not change The things that do not change include God and his word humans in our basic makeup and constitution and our biological makeup and sexuality family society relationships parenting etc Of course the way these may be defined may change over time but the fact is that they are there This is why it is important to access the right information from the source of this realm the spirit realm to influence and direct our lives in this realm because even though the way man has come to view certain things may have changed over time the spirit realm is not subject to same change as this This is the reason why it is important to know God s truth on every issue of life and apply it accordingly Now the Bible says that Jesus is the only legitimate door to the spirit realm According to John 10 9 10 Jesus says I am the door If anyone enters by me he will be saved and will go in and out and find pasture The thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly He is the only authorized dealer mandated by God to take people into the Father s presence and hence the only mediator between man and God As you embrace the truths enshrined in this book understand that you are calling on a power greater than yourself from a source beyond this temporal realm to intervene in your life and that of your family Make the truths enshrined in Eternal Nuggets your truths by incorporating them into your life and see the invisible but real hand of God move in your life to bring much needed blessing peace and contentment into every area of your life The Resurrection of Mary Magdalene Jane Schaberg,2004-08-31 The controversy surrounding Dan Brown s novel The Da Vinci Code has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework The Resurrection of Mary Magdalene approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy **Mary Magdalene from the New Testament to the New Age and Beyond** Edmondo F. Lupieri,2019-10-14 An international team of twenty scholars under Edmondo F Lupieri s direction produced Mary Magdalene from the New Testament to the New Age and Beyond While the historical figure of the Magdalene may be lost forever the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith Different pictures of Mary travelled through time and space from history to legend and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others **The Gospels of Mary** Marvin W. Meyer,Esther A. De Boer,2009-09-15 Mary Magdalene Jesus s Closest Disciple Marvin Meyer one of the foremost scholars of the Gnostic Gospels translates and introduces the Gnostic and New Testament texts that together reveal the story

and importance of Mary Magdalene includes new translations of the Gospels of Mary Thomas Philip and related texts about Mary Magdalene discloses with Esther A De Boer the long suppressed story of Mary's vital role in the life of Jesus and in the formative period after his crucifixion presents as authentically as possible the real Mary Magdalene *Mary Magdalene: New Testament Eve* Robert Cameron Malcolm, 2020-07-24

**Mary Magdalene** Ingrid Maisch, 1998 Ingrid Maisch in this study of Mary Magdalene leads her readers throughout the centuries developing the images of Mary current in each era showing that she is always a bellwether for the image of woman at a particular time *The Quest for Mary Magdalene* Michael Haag, 2016-05-24 A well researched and page turning history a narrative as clue rich as a thriller from the international bestselling author of *The Templars* Ben Wilson Sunday Times Mary Magdalene is a larger figure than any text larger than the Bible or the Church she has taken on a life of her own She has been portrayed as a penitent whore a wealthy woman Christ's wife an adulteress a symbol of the frailty of women and an object of veneration And to this day she remains a potent and mysterious figure In the manner of a quest this book follows Mary Magdalene through the centuries explores how she has been reinterpreted for every age and examines what she herself reveals about woman and man and the divine It seeks the real Mary Magdalene in the New Testament and in the gnostic gospels where she is extolled as the chief disciple of Christ It investigates how and why the Church recast her as a fallen woman traces her story through the Renaissance when she became a goddess of beauty and love and looks at Mary Magdalene as the feminist icon she has become today Haag by dint of a heady combination of pure zest great imagination and refreshing irreverence drags Mary Magdalene kicking and screaming into the very heart of the Biblical narrative Nicola Barker Spectator Mirroring the title and scope of Albert Schweitzer's *The Quest of the Historical Jesus* Haag pushes back legend and myth to uncover the real Mary Magdalene A thought provoking re examination of a misunderstood heroine of the Bible Kirkus Reviews

**The Gospel of Mary Magdalene** Alexander Rigoni, History Academy, 2021-10-10 A gospel as ancient and authentic as any of the gospels that the Christian bible contains was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed Fortunately some rebel monks were wise enough to refuse and thanks to their disobedience and spiritual bravery we have several manuscripts of the only gospel that was written in the name of a woman The Gospel of Mary Magdalene Restores to the forefront of the Christian tradition the importance of the divine feminine and offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Also known as Miriam of Magdala Mary Magdalene was considered by the apostle John to be the founder of Christianity because she was the first witness to the Resurrection Mary's gospel reveals a radical love that sits at the heart of the Christian story Her gospel says that we are not sinful we are not to feel ashamed or unworthy for being human In fact our purpose is to be fully human to be a true human being that is a person who has remembered that yes we are a messy limited ego and we are also a limitless soul And all we need to do is to turn inward again and again to meditate like Mary Magdalene in the way her gospel directs us so

that we can see past the ego of our own little lives to what's more real and lasting and infinite and already here within This brief narrative presents a radical interpretation of Jesus' teachings as a path to inner spiritual knowledge It rejects his suffering and death as a path to eternal life The Gospel of Mary Magdalene sheds new light on his relationship with his favorite follower The wisdom in this inspiring collection of texts is wholly relevant to our lives today addressing the questions of good and evil sin and suffering and the path to salvation The Lost Gospel of Mary Magdalene reveals secrets that have been hiding in plain sight for millennia The author has done it again he has fully interpreted every verse leaving no stone unturned and what is revealed is astonishing Knowledge that has been kept secret by the church for nearly two thousand years is laid bare for all to see thereby ending the greatest deception mankind has ever suffered An in-depth study of the heart-centered teachings of Mary Magdalene Reveals Mary Magdalene as a gifted visionary teacher and the best qualified disciple to lead the Jesus movement after his death translates and introduces the Gnostic and New Testament texts that together reveal the story and importance of Mary Magdalene discloses the long suppressed story of Mary's vital role in the life of Jesus and in the formative period after his crucifixion presents as authentically as possible the real Mary Magdalene Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary's teachings from the original Greek and Coptic offers a unique new perspective No secret oral tradition as extensive as this has ever been recorded and none has ever presented a Gnostic view of Mary Magdalene as she is portrayed in this groundbreaking work as a powerful holy woman the innermost disciple and beloved wife of Jesus and a Christed woman who is coequal with Jesus in the Christ revelation The veil has been lifted Discover the Gospel truth about the most myth-understood woman of the New Testament With her own eyes she saw him With her own ears she heard him With her own hands she touched him      The First Stone Bodie Thoene, 2011
