Introduction to Health Care Careers provides students beginning their health care education with the fundamentals they need to develop their personal and professional skills understand their chosen profession and succeed in the world of health care      [Nancy Caroline's Emergency Care in the Streets, Canadian, Seventh Edition](#) Includes Navigate 2 Advantage Access

Nancy L. Caroline, 2015-05-15 Each new print copy of Nancy Caroline's Emergency Care in the Streets Canadian Seventh Edition also includes Navigate 2 Advantage Access that unlocks a complete eBook Study Center homework and Assessment Center and a dashboard that reports actionable data

Learn more at <http://jblnavigate.com>

2 Nancy Caroline's Emergency Care in the Streets Seventh Edition transforms the legendary paramedic textbook first developed by Dr. Caroline in the early 1970s into the premier paramedic education program

The Paramedic Association of Canada is proud to continue this legacy and set the new gold standard for paramedic education

The Seventh Edition reflects the collective experience of its top flight Canadian author team and decades of street wisdom

This fully updated edition addresses the National Occupational Competency Profiles with clarity and precision in a concise format that ensures student comprehension and encourages critical thinking

This edition emphasizes the notion that becoming a paramedic must be a pursuit of excellence

Concepts of team leadership and professionalism are woven throughout the chapters challenging students to become compassionate conscientious health care professionals as well as superior clinicians

This edition also broadens the traditional boundaries to include new and emerging areas of paramedic practice

**Current State of the Art Medical Content** The Seventh Edition includes in depth coverage of anatomy physiology and pathophysiology to form an advanced understanding of the

human body and disease processes expected of today's paramedic. Three new chapters have been added to this edition: Community Paramedicine, Research and Quality, and Mechanical Ventilation. The first two represent areas of growth in the scope, role, and importance of paramedics in an integrated health care system. The third acknowledges the paramedics' ability to provide advanced therapies prior to arrival at the hospital and a growing reliance on paramedics in transfer of critically ill patients in a regionalized delivery of care.

**Clear Approach to Patient Assessment and Management**

The Seventh Edition teaches and reinforces the concept of patient assessment with a single comprehensive chapter ensuring that students understand patient assessment as a single integrated process the way that providers actually practice it in the field. Each clinical chapter reinforces the steps of the patient assessment process within the context of the illnesses or injuries discussed in the chapter.

**Strong Application to Real World EMS**

Patient case studies evolve throughout every chapter, offering students a genuine context for the application of the knowledge presented. This approach shows the student how all of the information will be used to help patients in the field. An additional case concludes each chapter and presents critical thinking questions to cement the chapter's concepts.

**Accessible Language**

Since the first edition published in 1972, *Emergency Care in the Streets* has been known for its clear, accessible language that provides the most effective learning for students. The Seventh Edition continues Dr. Caroline's legacy with world-class medical content written in a manner that is relevant to today's practice of paramedicine.

*Nancy Caroline's Emergency Care in the Streets Advantage Package (Canadian Edition)*

American Academy of Orthopaedic Surgeons (AAOS), Paramedic Association of Canada, Nancy L. Caroline, Russell MacDonald, 2020-03-06

2 In the early 1970s, Dr. Nancy Caroline developed the first paramedic textbook and transformed paramedic education. Today, the Paramedic Association of Canada is proud to continue this legacy, delivering world-class education to future paramedics in Canada and around the globe.

The Eighth Edition offers cutting-edge, evidence-based content that aligns with current guidelines, standards, and literature from medical authorities across the spectrum of emergency medicine, from cardiac care to stroke to wilderness medicine to trauma.

**Current State of the Art Medical Content**

Based on the National Occupational Competency Profiles and the latest CPR/ECC Guidelines, the Eighth Edition offers complete coverage of every competency statement with clarity and precision in a concise format that ensures comprehension and encourages critical thinking. Detailed explanations of current practice and treatment provide an unparalleled clinical foundation for a successful career as a paramedic and beyond.

Relevant medical concepts are presented to ensure students and instructors have accurate, insightful interpretation of medical science as it applies to prehospital medicine today.

**Application to Real World EMS**

Through evolving patient case studies in each chapter, the Eighth Edition gives students real-world scenarios to apply the knowledge gained in the chapter, clarifying how the information is used to care for patients in the field and pushing students to engage in critical thinking and

discussion Essential skill content is portrayed in detailed steps that are the ideal complement to the National Occupational Competency Profiles A Foundation for LifeThe Eighth Edition provides a comprehensive understanding of anatomy physiology pathophysiology medical terminology and patient assessment Clinical chapters discuss application of these key concepts to specific illnesses or injuries using context to refine and solidify the foundational knowledge Dynamic Technology SolutionsNavigate 2 unlocks engaging tools that enable students and instructors to chart a swift path to success The online learning resources include student practice activities and assessments and learning analytics dashboards The online offering also includes the following for every chapter Ready for Review chapter summariesVital Vocabulary chapter definitionsAssessment in Action scenarios with multiple choice questionsPoints to Ponder scenarios to consolidate information and promote critical thinking
