there is no recognized research program in applied ethics of the arts or art ethics Art often seems to belong to its own sphere of value separate from morality The first questions we ask about art are usually not about its moral rightness or virtue but about its beauty or originality However it is impossible to do any serious thinking about the arts without engaging in ethical questions     **Mao Tse-tung on art and literature (Mao Tse-tung lun wen-hsüeh yü mei-shu.)** Zedong Mao,1960
