BA Thesis, Second Edition Charles Lipson, 2018-12-05 How to Write a BA Thesis is the only book that directly addresses the needs of undergraduate students writing a major paper. This book offers step by step advice on how to move from early ideas to finished paper. It covers choosing a topic, selecting an advisor, writing a proposal, conducting research, developing an argument, writing and editing the thesis, and making it through a defense. Lipson also acknowledges the challenges that arise when tackling such a project and he offers advice for breaking through writer's block and juggling school life demands. This is a must-read for anyone writing a BA thesis or for anyone who advises these students.

Study for the High Schools of Indiana Indiana. Department of Public Instruction, 1918 **Thesis Writing for Master's and Ph.D. Program** Subhash Chandra Parija, Vikram Kate, 2018-11-03 This book on Thesis Writing for Master's and Ph.D. program focuses on the difficulties students encounter with regard to choosing a guide, selecting an appropriate research title, considering the available resources, conducting research, and ways to overcome the hardships they face while researching, writing, and preparing their dissertation for submission. Thesis writing is an essential skill that medical and other postgraduates are expected to learn during their academic career as a mandatory partial requirement in order to receive the Master's degree. However, at the majority of medical schools, writing a thesis is largely based on self-learning, which adds to the burden on students due to the tremendous amount of time spent learning the writing skills in addition to their exhausting clinical and academic work. Due to the difficulties faced during the early grooming years and lack of adequate guidance, acquiring writing skills continues to be a daunting task for most students. This book addresses these difficulties and deficiencies and provides comprehensive guidance from selecting the research title to publishing in a scientific journal.
