Marauder Men John O. Moench,1999 B-26 Marauder vs Me 262 Robert Forsyth,2025-02-27 An illustrated account of the clashes between the Luftwaffe s Me 262 the first operational jet fighter and the USAAF s B 26 Marauder bomber during the final months of the war in Europe As the world s first jet engined fighter aircraft the Luftwaffe s Messerschmitt Me 262 heralded a new dawn in design performance and combat capability upon its operational debut in 1944 outclassing its Allied counterparts for both speed and firepower The skies over Austria and southern Germany saw the Me 262 enter savage aerial clashes as fighter ace Adolf Galland s JV 44 engaged three USAAF bomber groups targeting their formidable but ill prepared Martin B 26 Marauders with often devastating results In this dramatic new study Luftwaffe historian Robert Forsyth examines how USAAF crews in twin engined Marauders endeavoured to fulfil their bombing missions while jet pilots in Me 262s attacked with 30 mm MK 108 nose mounted cannon and eventually 55 mm R4M air to air rockets First hand accounts newly commissioned artwork and archive photography enhance the fascinating and action packed story of these two aircraft and the fearsome combat that was waged between them Fighters and Bombers of World War II , *Flying Magazine* ,1994-06 The Martin B-26 Marauder John O. Moench,1992 *A Guide to Military History on the Internet* Simon Fowler,2007-11-13 There are thousands of websites devoted to all aspects of military history from ancient Greece to the modern Gulf This unique book helps you find the ones that will help with your research whether you are checking out a soldier ancestor or an airman or researching a naval campaign It also features sites that are entertaining or controversial Sections cover the British armed services and their long military history but the author also describes in detail websites that focus on American and Canadian forces A Guide to Military History on the Internet is a companion volume to Pen Sword s best selling Tracing Your Army Ancestors by the same author *The Flying Prostitute* Lawrence Hunter,2000-03-27 The Flying Prostitute was one of many pseudonyms given the B 26 Martin Marauder bomber in WWII by those who flew them This plane cremated so many crewmen that newscasters were afraid to write or talk about it for fear this might cause a morale problem with our men who were told to fly them The author recites his cadet life at Randolph Field San Antonio Texas THE WEST POINT OF THE AIR where he became the top ranking cadet officer He then earned his wings at Ellington Field Texas and along with others of his class was assigned to be an Instructor Pilot of this aircraft for seventeen months So many men were being killed in horrible crashes that each wore their Air Force Wings as bracelets on their wrists so their bodies could be identified just in case Combat in the skies over Europe followed and so did the crashes Pilots did not know the mammoth tail could and had separated from this airplane while in flight Pilots knew the propellers could runaway and cremate their entire crew in disastrous fiery crashes Pilots did not know the manufacturers of parts of this airplane were falsifying reports and Congress knew it They did know that they could be killed every time they took one up This dramatic true story is shocking in its detail and documentation The refusal to write about this airplane remains an enigma for writers
