## **Marc Bolan Wilderneb Of The Mind:**

**Marc Bolan** John Willans, Caron Thomas, 1992      **Marc Bolan - Beautiful Dreamer** John Bramley, 2017-09-14 Forty years after his tragic death this homage to Marc Bolan pays tribute to one of the pioneers of the glam rock movement Marc Bolan was the wizard who brought magic to rock music his heart beat to the rhythm of rock Moving from early folk influences and songs on the mythology of Tolkien he transformed himself into a unique sparkling and effervescent glam rock icon His boogie roots combined with Marc's own natural glitter dust and propelled him forward on an adventure with fortunes that were to ebb and flow over a decade His diamond studded halo was extinguished on 16 September 1977 at a time when his music was in the ascendancy The annals of history are strewn with stories of artists who passed away in shocking circumstances of those that died too young from substance abuse mysterious illnesses or even murder Sometimes the shock of their passing immediately elevates their standing in cultural memory and cements their work in a favourable light Marc Bolan died at twenty nine years of age in a tragic car crash an accident that could have been avoided However it took many years for people to start appreciating what Marc Bolan brought to a rock music scene in the early seventies which had stagnated in some corners after the explosion of creativity in the sixties Yet gradually acclaim has grown for how he enriched the period bringing colour and humour to an increasingly leaden genre Much like Hendrix before him and Cobain after him his natural charisma and striking beauty have underpinned his status as a dreamlike bard an enigmatic pin up whom boys wished they looked like and girls wished they were with Yet it was his scorching talent as a performer and songwriter which have formed the bedrock for longevity as a legend Including rare and unpublished photographs and works of Marc's own poetry this book is put together by a true original fan one who followed Marc Bolan on tour who bought every piece of vinyl he released and who was fortunate enough to have made Marc's acquaintance during the peak of his career Published forty years on from Bolan's death Beautiful Dreamer is unashamedly a book of love a book that every Marc Bolan fan will identify with because it paints a picture of the man that the fans idolised worshipped and continue to cherish to this day      **Marc Bolan: The Rise And Fall Of A 20th Century Superstar** Mark Paytress, 2009-11-05 Marc Bolan was the very first superstar of the 1970s As the seductive focus of T Rex he revelled in fame and fortune released a string of classic records before tragically losing his way The fatal car accident in 1977 cut short his planned comeback as a punk rocker but also served to fix Bolan as the definitive icon of the Glam years Bolan's music and chameleonic style were to influence a generation of future bands In his various guises he could be a beatnik a mod a punk a hippie and a Glam hero This biography of a pop obsessive draws from interviews with many friends and colleagues including broadcaster John Peel brother Harry and band members Mickey Finn and Bill Legend      **The Encyclopedia of Popular Music** Colin Larkin, 2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day      **The London Boys** Marc Burrows, 2022-12-02 Rock n Roll fanatics mods beat group wannabes underground hippies

glam rock icons David Bowie and Marc Bolan spent the first part of their careers following remarkably similar paths From the day they met in 1965 as Davie Jones and Mark Feld rock n roll wannabes painting their manager s office in London s Denmark Street they would remain friends and rivals each watching closely and learning from the other In the years before they launched an unbeatable run of era defining glam rock masterpieces at the charts they were both just another face on the scene meeting for coffee in Soho hanging out at happenings and jamming in parks Here they are our guides through the decade that changed everything as the gloom of post war London exploded into the technicolor dream of the swinging sixties a revolution in music fashion art and sexuality Part dual biography part social history part musical celebration of an era The London Boys follows the British youth culture explosion through eyes of two remarkable young men on the front lines of history

Morrissey FAQ D. McKinney,2015-04-01 No one can argue that Morrissey is one of the best lyricists and charismatic front men in music history But people love to argue about other things his mysterious personal life his pompous attitude and the history and meaning behind his biggest hits Morrissey FAQ will put to rest any questions and doubts about the singer known around the world for his meaningful lyrics and biting wit Readers will also learn about his passions his weaknesses the people who love him the people who hate him and the people who want to be him Not since Elvis have fans been so obsessed with a singer they fight with each other at concerts they rush and tackle him onstage they dress and act like him and they even build shrines dedicated to him Liking Morrissey isn t just liking his music it s a way of life Morrissey is known for his over the top lyrics his stage antics his philosophies and his whining But after reading this book and digging deeper into the brooding mystique that is Morrissey you ll also start whining for more Moz
