Marching Home:

Girls Come Marching Home Kirsten Holmstedt, 2009-06-23 From the award winning author of *Band of Sisters* American Women at War in Iraq comes this collection that tells the stories of America's fighting women as they come home from war

When Johnny and Jane Come Marching Home PAULA J. CAPLAN, 2019-06-28 Traumatized veterans are often diagnosed as suffering from a psychiatric disorder and prescribed a regimen of psychotherapy and psychiatric drugs But why asks psychologist Paula J Caplan in this impassioned book is it a mental illness to be devastated by war or other intolerable experiences such as military sexual assault What is a mentally healthy response to death destruction and moral horror In *When Johnny and Jane Come Marching Home* Caplan argues that the standard treatment of therapy and drugs is often actually harmful It adds to veterans burdens by making them believe wrongly that they should have gotten over it it isolates them behind the closed doors of the therapist's office and it makes them rely on often harmful drugs The numbers of traumatized veterans from past and present wars who continue to suffer demonstrate the ineffectiveness of this approach Sending anguished veterans off to talk to therapists writes Caplan conveys the message that the rest of us don't want to listen or that we don't feel qualified to listen As a result the truth about war is kept under wraps Most of us remain ignorant about what war is really like and continue to allow our governments to go to war without much protest Caplan proposes an alternative that we welcome veterans back into our communities and listen to their stories one on one She provides guidelines for conducting these conversations This would begin a long overdue national discussion about the realities of war and it would start the healing process for our returning veterans

Marching Home Kevin Coyne, 2004 A compelling story of World War II and how it shaped the lives of six men one town and all of America Award winning author Coyne's chronicle follows six young men from Freehold New Jersey through the war and back home again to a town and a nation on the brink of changes larger than any of them could have imagined

When Johnny Came Marching Home William Heffernan, 2012-10-02 The international bestselling author of *The Corsican* delivers a carefully constructed and evocative Civil War era tale John Lutz New York Times bestselling author *When Johnny Came Marching Home* is a mystery a love story and William Heffernan's best book to date The novel tells the story of three boys who grow up in rural Vermont in a seemingly indestructible friendship then see their lives ruined as they go off to fight in America's great and noble war Trapped in a what appears to be an endless bloodbath vividly presented with Heffernan's meticulous historical research the boys gradually begin to change until their close knit childhood ties are little more than a fractured memory By war's end one boy is dead one returns a physically crippled and emotionally compromised man and the third comes home as an unfeeling psychopath The novel turns on the subsequent murder of the psychopath and the offer of redemption for the wounded young man who must investigate the crime *When Johnny Came Marching Home* is a story about war and how it affects the lives of all who become a part of it both directly and peripherally Although set during the Civil War this book casts shadows of what we endure today and the

horrors to which young soldiers are subjected Heffernan swings his vivid tale back and forth between past and present war and peace a neat tour de force he pulls off with admirable assurance Kirkus Reviews A powerful intriguing and complex novel about the intricacies of friendship and the devastating effects of war Jonathan Santlofer author of *The Death Artist* When Johnny Comes Marching Home Again Gregory Sarno,2005 Screenplays about soldiers in three wars the Civil War the Vietnam War and the War in Afghanistan When Johnny Doesn't Come Marching Home Marian Small,2016 In 2017 the United States of America will be celebrating the Centennial of World War I 1st Sergeant JOHN RUSSELL SMALL was a Veteran of that War This is a true account of his experiences before during and after the War as written by his daughter MARIAN SMALL who set out at the age of 89 years to tell the story of a 20 year old boy whose love of adventure took him in 1916 to the Texas Mexican border to join Brigadier General John J Pershing in the pursuit of Pancho Villa the Mexican bandit and then in 1918 to the trenches in France and No Man s Land At her Dad s death in 1978 Marian inherited his collection of memorabilia which dates back 100 years to the time of his enlistment in the Ohio National Guard in 1916 Included were historic photographs and the original letters that John had written to his parents and to his sweetheart Mary later his wife as well as a 1918 Diary that he took with him when he was sent over the sea to France John kept the Diary with him on the many nights when he led his Platoon as they marched for miles in the dark in rain and mud to the various trenches in No Man s Land Even in the cootie and rat filled trenches with the sounds and dangers of the war going on all around him he continued to write in the Diary and in his letters describing in detail the war as he was witnessing it This is a compelling human interest story that recognizes the valor of the doughboys in WWI Those who returned to the country they loved faced many hardships including the Great Depression The war however had given them the will to survive and it was through them and their stubbornness frugality pride and a firm belief in disciplining their children that a generation was born that in later years after a second World War became know as the greatest generation **When Johnny Came Marching Home** William Heffernan,2012-10-02 After the Civil War tears apart the friendship of three young men one of them now a physically and emotionally scarred veteran must investigate the murder of one of the others who was turned into a twisted psychopath by the horrors of war **The Pearl** J. use of each tune strain whether in variants with similar texts or quite different texts Some of the Catskill versions of tunes have not been found elsewhere and others are rarely encountered Whether related to others or unique to the Catskills the commentary on the songs in this collection contributes to a more general theory of the nature of traditional tunes and their transformation The late composer musicologist and university professor Norman Cazden worked meticulously over a period of many years to trace traditional melodies and texts Both Cazden and fellow composer Herbert Haufrecht were music directors of Camp Woodland a unique summer school in the Catskill Mountains which acquainted students with the folklore of this musically rich region The late Norman Studer one of the founders and for many years the director of Camp Woodland was also an ardent folklorist who spent much of his life in the hills and hollows of the Catskills looking for folksingers and yarnspinnners Together these devoted scholars have created a work that is as enjoyable as it is rare
