

Maths in Everyday Life

Maths is all around us...

How do I know how much of each ingredient to add?

If it leaves this way, how long is it until the next bus?

If the pool is 25 metres long, how many lengths do I need to swim to get my 50 metres badge?

I have £2, how many sweets can I buy? Can I buy some for Koko too?

How long does this programme last for? Will it be finished?

What number do I need to press to call?

What shape do I need to cut out the top of my robot and with a glue?

How much does this bag cost? How much change will I have?

Who is winning this match? How many goals?
