difference And they were right To us they are all gutsy women leaders with the courage to stand up to the status quo ask hard questions and get the job done So in the moments when the long haul seems awfully long we hope you will draw strength from these stories We do Because if history shows one thing it s that the world needs gutsy women *New York Magazine* ,1988-04-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea A Message from the President's Committee on Mental Retardation United States.
